

Uncle Sam Still Reigns Supreme on Track

UNITED STATES CAPTURES NINE TRACK EVENTS

Eight Records Wrecked in Most Brilliant of Field Meets

By WILLIAM WEEKES
Associated Press Sports Writer
CHICAGO, Aug. 25 (AP)—Uncle Sam still reigns supreme in track and field athletics—with emphasis on the "field."

Before a crowd of 42,000 spectators, the largest ever to watch a track meet on the American continent, the United States for the third time, defeated the pick of Great Britain's track and field stars, in Soldier Field stadium last night. The event, conducted under artificial lighting, was more impressive than meets held in the day time, and provided the thrills of another, as Uncle Sam triumphed, nine events to five.

Britons Weak in Field
The American team won over the gallant empire team in the same fashion they won the 1928 Olympic games at Amsterdam—by immense superiority in the field events. Not a point did the British score in the field, and had their field strength been comparable to their power in the distance races, the United States probably would have suffered its first defeat in the meet.

Eight records were wrecked, five of them by the Americans. Starting with the 440-yard relay, the opening event, the Americans went on to win the pole vault, shot put, high jump, 450-yard shuttle hurdle relay, hammer throw, broad jump, javelin throw and mile medley relay. The Britons triumphed in the one-mile relay, the four-mile relay, two-mile relay, two-mile steeplechase, and three-mile team race.

Americans Lose Relays
While the wearers of the American shields were supreme in the field, the British gave them a man-sized lesson in the distance races. The four-mile relay was a race until R. M. Thomas of England, hooked up with Ray Conger, of the Illinois who did 4:14 in winning the mile A. C. in the final mile. Thomas in the empire games at Hamilton, Ont., last week, stayed near Conger until the last half-mile, but from there on he stepped out and at the finish had a lead of 20 yards over the American. His mile was run in just a fraction over 4:15, and was as impressive as any performance in the meet.

The British were no less superior in the two-mile relay. The first half of the race was a contest, but Phil Edwards, former New York University negro star, competing for British Guiana, ran R. R. Betham, Jr., of the Pennsylvania Railroad A. C. into the ground, and left England's T. Hampson with nothing to do but hold a 20-yard lead over Orval Martin of Purdue, western conference and national collegiate middle distance champion.

Win 400-Yard Relay
Records started falling in the first event. Russell Sweetser, former Montana sprint star; Cy Leonard of Texas Christian University; George Simpson, Ohio State comet, and Eddie Tolan of the University of Michigan, did 1:27.5 in the 400-yard relay to defeat Leigh Miller of Canada; W. B. Legg of South Africa; E. L. Page of England, and Johnny Fitzpatrick of Canada, did better for the former mark of 1:27.5.

Great Britain came back with a superb performance in the mile relay, racing it in 3:16.5. K. G. Bragwin, first British runner, dropped the baton near the end of his lap, but no protest was made and the victory was allowed to stand for the empire. He was followed by A. Golding of Australia, W. J. Walter of South Africa, and Alex Wilson of Canada and Notre Dame.

Steve Anderson of the Washington A. C., Seattle, formerly of the University of Washington, put the big punch in the record-breaking of the U. S. in the shuttle relay. He started just ahead of Lord David Burghley of England, but had a two and one-half yard lead at the finish. The time was :59.5, against the former record of 1:01.6.

Lord Burghley, however, was not deprived of participation in a victory for he raced the last leg of the two-mile steeplechase relay in such style to nullify the efforts of previous American runners and cause the British flag to be raised.

Negro Wins 100-Yard Dash
Both Eddie Tolan, world record holder in the 100-yard dash, and George Simpson of Ohio State, were held out of the special 100-yard dash to save them for the one-mile medley relay. The event became an all-American affair. Ralph Metcalfe, negro ace from Tilden Technical High of Chicago, and national junior A. A. U. champion in the 200 and 229 yard dashes, finished first in 109.5, with Hector Dyer, Stanford University, second, and Charlie Farmer of North Carolina, third.

James De Mers of Los Angeles, national A. A. U. javelin champion, wrenched his arm in his first throw, and was unable to try again, but the rest of the American team, Lee Bartlett of Albion college, and L. D. Weidon of Iowa, were good enough to offset his loss and score a victory.

Herman Briz of the Los Angeles A. C. led the U. S. victory in the shot put with an effort of 50 feet, 5 inches, while Walter Parry of the Olympic club, San Francisco, led the high

Connie Mack Shows Youth How to Do It

By AL DEMAREE
(Former Pitcher N. Y. Giants)
"Youth must be served," is an old saying, but it looks like youth will continue to do the serving in the American League for another year at least.

Connie Mack is the oldest manager in the younger league, and this fall's world series games may present the unusual sight, Mack and Robinson of the Brooklyn Dodgers, the two most aged pilots in either league, engaged in a deadly combat.

Uncle Robby of the Flatbush aggregation is two years older than Mack, who is sixty-eight. Physically they are two entirely different types. Mack is tall and gaunt, while Robby is short and rotund, but mentally they are alike. Both are from the old school of baseball, but have been mellowed by the years. Both are genial philosophers and are looked upon by their players more like fathers than bosses.

Crosby Thinks Loggers Good Football Team

Lloyd Crosby, who was one of the spectators in the baseball game at the Weyerhaeuser diamond played between the loggers and the box factory team, saw the humorous side of the game, which he termed baseball versus football, and has written the following article describing the event.

The celebrated Camp 2 loggers' football team took the short end of an 11 to 4 game with the box factory tossers Monday night at the Weyerhaeuser diamond.

Good Drop Kicking
Some of the best drop kicking of the season was exhibited by the boys from Camp 2, who dropped nearly everything they got a hold of, and kicked to the far corners of the diamond.

Varnadore, at left tackle, showed exceptionally good tackling ability by tackling everybody that came his way, and making some of the longest punts of the day.

Several forward and lateral passes were tried—all incomplete.

Other stars were Vierbus at right guard, Davis, right tackle and Doering, center.

"Knutte Rockne" and "Pop Warner" were interested spectators of the game and as a result flattering offers to Camp 2 players are reported.

"Boxers" Deserved to Win
The box factory played errorless baseball and deserved to win. Arnold pitches well and Manager Strong deserves a lot of credit for the wonderful showing made by his youngsters this season.

The line-up follows:
Box Factory—E. Diering, 2b; Palmer, ss; Granger, 2b; Wakeman, 1b; Arnold, p; Murphy, cf; Holloway, lf; Walsh, cf; Hudson, rf.

Loggers—Moore, 1b; Barrett, q; Varnadore, 1b; Vierbus, rg; Mann, fb; Radeliff, lg; Davis, rt; Griffith, rh; Diering, c.

Joseph Silverman Once Successful Lightweight Pug
NEW YORK, Aug. 28, (AP)—Joseph Silverman, known to pugilism as Jole Silver, and to police as a slot machine racketeer, died today of wounds inflicted on Tuesday night by Brooklyn gangsters.

Before he died he told the police, they said, the name of the man who shot him and the names of three others who stood by.

Silverman was one of four men wounded in gang shootings Tuesday night. Two of them have died.

Silverman, when he was in the ring as Jole Silver, was a lightweight. He had three brothers, Pal, Marty and Babe, all of whom were boxers. Pal was the best known among ring followers.

Jumpers with 6 feet, 5 1/2 inches. Tom Warrn of Northwestern university, was easily the class of the pole-vaulting field with a leap of 13 feet, 5 1/2 inches, and A. H. Bates of Penn State, topped the broad jumpers at 23 feet 2 1/2 inches.

ENTERPRISE TO DEFEND TITLE IN YACHT RACE

Cup Committee Chooses Smallest of Fleet of Four Sloops

By TOM MORGAN
NEWPORT, R. I., Aug. 28, (AP)—Enterprise, smallest of four sloops built this spring as prospective defenders of the America's cup, today found herself bearing the responsibility of maintaining the responsibility of maintaining the America's cup.

In that year the yacht America whipped eighteen of England's fastest racing yachts in a race of yachts around the Isle of Wight brought to these shores a 100 guinea cup of doubtful beauty, which has since been cherished as the greatest of all yachting trophies—the America's cup.

Through her selection last night by the America's Cup committee of the New York Yacht club, Enterprise, skippered by Harold S. Vanderbilt, was delegated to meet Shamrock V, Sir Thomas Lipton's fifth challenger, and the fourteenth challenger since the cup was won by the America in 1851.

Wins Two Straight
Enterprise's selection came after she had won two straight races. In races sailed over various courses, in various weather conditions, in some of which not all of the candidates took part, Enterprise took most first places.

Announcement of the committee was accompanied by scant explanation. Enterprise beat West- amos in their two races of the official trials, but Yankee twice whipped Whitebird, and it had been expected the selection committee would send Enterprise out against Yankee before making a decision. Yankee's most recent victory, last Thursday, was in time which broke previous yachting records for the thirty-mile triangular course.

Light Air Has Bearing
Possibly the committee was influenced in its choice by the presence of the Shamrock V in the harbor. Sir Thomas Lipton's sleek green sloop has been going around the harbor in Narragansett bay during the past few days, and making remarkably good time in air so light the committee refrained from starting the defender against Yankee before making a decision. Yankee's most recent victory, last Thursday, was in time which broke previous yachting records for the thirty-mile triangular course.

Marvin Nelson Wins World's Distance Swim

TORONTO, Ont., Aug. 28, (AP)—Marvin Nelson, bronzed young Hercules from Fort Dodge, Iowa, has conquered the waters of Lake Ontario and won the world's professional marathon title.

After being turned back within sight of his goal last year by the chilly waters, Nelson came back yesterday to cover the 15 grueling miles of the Canadian national exhibition marathon in the record time of 7 hours, 43 minutes, 36 1/2 seconds, and win the coveted award of \$10,000. Nelson had a chance last year to get within the money group, when he collapsed 50 yards from the finish.

Yesterday he climbed out of the somewhat warmer water apparently as fresh and strong as when the nearly 200 swimmers plunged into the lake. Only nine finished the race, the remainder of the swimmers being withdrawn from the water after darkness made swimming hazardous.

Referee Howe Stops Walters-Dick Reed Mix

Because they showed no inclination to fight, Referee Howe stopped the Freddy Walters-Dick Reed bout at Chiloquin last night before the second round was ended.

Entering the ring following several rousing preliminaries, the heavies sparred around lightly during the first round. The referee warned them to show some fight in the second round when they failed to do this he called the bout off. The crowd was disappointed, as it was expected that one or the other of the boys would hit the canvas. No reason was given for the action of the fighters but as they were fighting on a percentage basis and the house didn't represent much money they doubtless didn't want to put on a show.

Preliminaries Good
The preliminary card gave the fans a fair measure of compensation and demonstrated that there are boys who fight for the love of it. Beginning with the curtain raiser, featuring Gilbert Jonas and Lloyd Latches in three one-minute rounds, which ended in a draw as usual, the fans were treated to some real battles between Bud Barkley and Mark Willis, Amos Shadley and Billy Edwards, and Red Handsaker and Johnny Jackson.

Barkley and Willis tried their best to kill each other, but their efforts of four hard rounds resulted in a draw.

Shadley Scores Kayo
Amos Shadley, hard-hitting youth from Sprague River, kayoed Billy Edwards in the fourth round after putting him on the mat in the third. In his eagerness to hit his man, Shadley struck Edwards after he was down, but Edwards refused to go out on a foul and took his medicine in the fourth.

Handsaker and Johnnie Jackson fought six of the hardest rounds seen in this vicinity for many a day. It was Red's fight in the early stages, but the Modoc red man came out victorious the last two rounds and was awarded a decision.

Several Klamath Falls fans took in the card.

Brooklyn Robins Stage Fight To Remian in Pennant Struggle

By HUGH S. FULLERTON, Jr.
Associated Press Sports Writer
Brooklyn, which led the National League longer than any other this season is far from being out of first place when a tour of the west brought them only six victories in 21 games. Back in their home section they have begun to battle for a place in the pennant race again by trouncing the New York Giants.

The Robins opened the series with the Giants which may see them go into second place or back to fourth, by slamming out a 7 to 2 victory yesterday and reducing the distance between second place and third to a half game. Johnny Frederick's home run which put the Robins ahead for the first time and Glenn Wright's four hits in five times at bat were the principal slugging feats.

Gain on Cubs
The Robins not only gained a game on the Giants and held their own against the incoming St. Louis Cardinals, but they picked up a lap on the league leading Chicago Cubs. The Cubs found some rough going against the Pittsburgh Pirates and lost the final clash of their series, 10 to 5, in a wild hitting struggle. The defeat left Chicago 5 1/2 games ahead of the Giants but enabled the Robins and St. Louis each to gain a game, placing them 6 and 6 1/2 games behind respectively.

St. Louis remained a half game behind Brooklyn by winning its eighth straight game. Sparky Adams, who filled Frisch's place at second base, pulled the Cards through to a 2 to 1 victory over Cincinnati. Adams scored both of the St. Louis runs.

With Sugar Sweetland pitching effectively and Fred Brickell hitting with just as much effect, Philadelphia defeated the Boston Braves 3 to 2.

White Sox Win Two
With the eastern clubs of the American League enjoying a day of idleness, the Chicago White Sox gained the big triumph of the day by winning two games from the Cleveland Indians. The Sox pounded the offerings of four Cleveland pitchers for 21 hits and 14 to 5 victory in the first game then outlasted the Indians to take a 5 to 4 decision in the second as Ted Lyons won his twentieth game of the season.

The double victory put Chicago a full game ahead of the St. Louis Browns, who rode through to a 5 to 0 victory over the Detroit Tigers on Walter Staart's brilliant pitching. Stewart held the Tigers to five hits, drove in two St. Louis runs and scored one more.

turned into a team of sluggers last night. Playing at home, they defeated the Oakland Aorns 7 to 2.

Indians Beat Oakland With Hard Hitting

By Associated Press
The Pacific Coast league series were even up today, and the bidders for baseball honors were waiting to play some decisive games this afternoon and tonight, and jumble the standings again.

The Hollywood Stars, league leaders by 2 1/2 games, made a strong finish in the tenth to defeat the Mission Reds 5 to 4 in last night's frame at Los Angeles. The Stars chalked two runs in the first, and fell flat until the last two, when they came back with two and one to win the struggle.

A Bizarre Contest
Los Angeles and San Francisco, battling for second place, put on a bizarre contest at San Francisco yesterday. The Angels won, 14 to 7, in a game featured by 32 hits, 21 runs and 5 errors. Seven of the errors were made by the Seals, who used three pitchers in the game.

Sacramento pushed over a winning run in the eighth to beat Portland 4 to 3, on the Ducks' home grounds. Bob Johnson made a homer for Portland, and his bat drove in all three of the runs for the Ducks.

Eddie Arthur To Referee at Monday Card

One of the hard problems of a promoter in a small town is to get a referee who pleases the fans. Klamath Falls is no exception. Joe Hickerstaff has tried them all and to find a genuine "please everybody" referee is out of the question.

There is one man in town who has pleased the majority and that fellow is Eddie Arthur. He is a fearless, capable sportsman and in all the bouts where he has officiated his decisions have been clean cut and fair and have brought very little unfavorable comment.
