DISPLAY SPACE AT FAIR TAKEN BY MERCHANTS

Klamath Falls Business Houses Manifesting Keen Interest

That Klamath Falls firms, as well as individuals, are interested in the success of the annual Klamath county fair September 18, 19 and 20, is evidenced by the fact that all display booths have been taken, and others could be used if they were available.

This was the information learned from Mrs. Les Parker, manager of the 1930 fair, which will open next Thursday and continue for the remainder of the week.

There are a number of outside interests to be represented at the fair also. Mrs. Parker stated. One of the biggest drawing cards for exhibitions, will be the Kennell-Ellis baby photograph contest. Judges will be Mrs. George Cuning of Cuning's book store, E. B. Hall of the hotel and Dr. George Adler, Klamath Falls physician. Merits will be given on the photograph only, it was pointed out. Several hundred mothers have submitted photographs taken by Kennell-Ellis during the past few weeks.

In addition to other judges announced by Mrs. Parker, is the name of C. G. Lamb of Portland, affiliated with the Crown Mills of Portland, who will serve in the capacity of poultry judge.

Following is the list of merchants having booths at the fair: Swan Lake Moulding company, Lost River dairy, Klamath Flower shop, May King studio, Klamath Rug and Mattress works, Sixth Street bakery, Klamath County Dairymen's association, Klamath Furniture company, Falls Sign Co., Frigidaire, Klamath Falls creamery, Health Unit, Pelican Grill, Olds Paint shop, California-Oregon Power company, Concrete Pipe company, Chamber of Commerce, J. INTERNATIONAL HARVESTER COMPANY

REPAIRS made for International implements and other farm equipment by the Harvester Company are the only repairs made from the original patterns. All others are copied from copies, and in this roundabout reproduction they may lose in correctness of shape, sharpness of detail, closeness in fitting, and quality of material. These repairs are made for Deering, McCormick, Milwaukee, Titan and other International-made machines.

Genuine IHC Repairs

Fit Better and Wear Longer

The Harvester Company stands back of its machines. Be fair in the matter. Do not substitute imitation repairs for the genuine and expect best service. Repairs made by other concerns and marked "Made for" or "IHC fit", are not genuine IHC repairs. They often lack weight, are not always correct in shape, are imperfectly finished, do not fit properly, or are made of inferior material.
