**THE DAILY SACRIFICE**  
 It's an everlasting shame the way fine lingerie and stockings are often washed in scalding water. Usually the reason is that women think they can't get them clean any other way.  
 Change to White King! Made from fine vegetable and nut oils, White King Granulated Soap will form quick, creamy suds, will cleanse thoroughly, and will easily rinse away in the lukewarm water that preserves the life and color of delicate fabrics. White King is pure. That's the reason. And the same purity makes it effective for dishes and heavy washing too.  
 White King is economical. You'll only need a teaspoonful in the wash basin, a cupful in the washing machine, even in hard water. Try it—today. Recommended by your grocer.

 A Quality You Would Insist Upon If You Knew All of the Facts  
 Cloves  
 Compare a spoonful of Schilling Ground Cloves with any other. The difference is marked. Schilling is a dark brown in color. The other will be a red or yellow brown. Schilling is so rich with oil that the tiny granules cling together in clots. Together will look dry and loose. Most ground cloves come in a sifter-top tin. But Schilling's is packed in a tin with a large opening. It is so heavy with fragrant oil that it will not shake through a sifter.  
 Fact No. 13. Schilling Lemon Extract contain 3 times the amount of lemon oil required by the United States Government Pure Food Department—3 times as much—and more than most any other you can buy. That is why it goes further—why it imparts a richer lemon flavor.
