## Board Favors Miss Nye as Librarian to Replace Miss Oleson

At the regular semi-annual meeting of the board of directors of Klamath County library, the following resolutions were unanimously adopted:

Whereas, This board today deeply regrets that our librarian, Miss Mildred E. Oleson, has decided to sever her relations with this library; and,

Whereas, It is the wish of this board to convey to Miss Oleson its strong appreciation of the remarkable work she has done for this institution, having come with us in 1926, when there was scarcely a semblance of a library except in name, and she has built it firmly and substantially by her untiring work until today we can proudly take our place with the good, efficient libraries of the state; we know her to be an outstanding character who loves her chosen profession, and who has ability to develop not only a library of worth, but also the ability to arouse interest in library work in the community; and,

Whereas, She has seen fit to resign her position as librarian with us to take up work in Europe for a period of time; therefore, be it

Resolved, By this Klamath County Library board that we do, individually and collectively, express our appreciation of Miss Oleson, both as a librarian and as a lady, and to extend to her our sincere wishes for a pleasant journey to the old world and success in her work over there; be it further Resolved, That in Miss Oleson's assistant, Miss Margaret Nye, we have found a capable person to continue the work of the Klamath County library, and we therefore at this meeting pledge to her our united support, and stand ready to assist and support her at all times as our permanent librarian.
