"Fire Prevention" Is Forum Subject

Taking "Fire Prevention" as a theme, a warm program was presented at the weekly forum luncheon of the chamber of commerce at the Hotel Willard this noon.

The address of the day was presented by George E. Donahue. Mr. Donahue cautioned members of the chamber in regard to the countless little things about the home that are fire hazards. For instance, the oil lamp left too close to an open fire place, and the electric iron left burning on the ironing board.

Mr. Donahue quoted statistics on fire loss in the United States. P. O. Landry acted as chairman of the forum, and introduced George A. Canning and his troupe of 19 minstrels, who presented an enjoyable musical program. Members of the troupe presented piano and vocal solos and the chorus sang choruses to "Memories," "Hallelujah," "The Stein Song," and "Happy Days."

F. R. Olde, chairman of the Elks Western Nights Show told of the plans for this year's show, which will be held October 23, 24 and 25, and urged the cooperation of the members of the chamber of commerce in making it one of the best Western Nights ever presented.

GETS YEAR IN PEN

Bert Fisher waived preliminary hearing in justice court this morning and went directly before Circuit Judge W. M. Duncan. Fisher pleaded guilty to a charge of sale of cannabis indica, sometimes known as Indian hemp or marihuana. Fisher was sentenced to a year in the Oregon State penitentiary at Salem. The man was arrested in a pool hall by city police Tuesday evening. His room was searched Wednesday morning by Chief of Police Ambrose, and two boxes of marihuana and several packages of the seed were found.

Corrections To Errorgrams

(1) There are no giant redwood trees in Indiana. (2) In pulling the tree over, the tractor would be much farther away from it, in order not to be hit. (3) The left label of the man's coat is missing. (4) The girl's left leg is missing. (5) The scrambled word is ANTIQUE.

A Frank Statement by Mr. Houston:

It is said that an honest confession is good for the soul. That being the case, I will confess that I greatly overestimated my requirements for 1930 business to date. I bought heavily, expecting a normal business, which failed to materialize. This leaves me with a tremendous overstock, and with Fall merchandise arriving, I must reduce stock and raise cash! To do this, I am reducing all prices and sacrificing profits on this entire \$25,000.00 stock of fine quality footwear for women and children. It's your golden opportunity to save! DON'T MISS IT!
