Advices Sheep Breeders, "cull and cull severely"

In a recent talk to several hundred western sheep breeders, Dr. O. M. Nelson, Oregon State College, advised his hearers to "cull and cull severely." Importance and value of this advice will be fully demonstrated in the Sheep Division of 20th Annual Pacific International Livestock Exposition, Portland, Oregon, October 25-November 1.

Greater than ever, this year's Exposition features 13 complete shows, including 4-H Club, Smith-Hughes and Inter-Collegiate Junior Agricultural Activities. Millions of dollars worth of America's finest pure-bred Beef and Dairy Cattle, Horses, Sheep, Hogs, Goats, Pigs, Mink, Marten, Poultry and Rabbits will compete for the \$100,000 in premiums.

Whether your interests are in Sheep, Cattle, Hogs or other farm livestock we here at the First National Bank believe attendance at the Exposition will bring rich rewards in practical information regarding improved farming operations.
