The Largest Store and the Biggest Organization in Any Big City Could Never Hope to Cope with the Throngs Here Saturday

We were completely overwhelmed. The crowds in our store represented a mob scene in Nero's time. Some mob, of Happy, Bright-Eyed and thrifty shoppers who bought the thousands of genuine Bargains we offered.

We started planning another "Bill Board" type advertisement for today's paper, with headlines like Six Hundred Men's Suits to choose from and Twenty Thousand Other Items, and so on. We had prices and cuts five and six inches high, and one of those refreshingly "New Lines About" starting tomorrow at 9 o'clock. But our enthusiasm would not let us continue so the cut and dried ad found itself in the waste basket.

When you walk through our store and see the prices, quality considered, you will surely appreciate the savings. We know you'll profit. All you need to know is that every department is prepared with Real Bargains.
