Bill Providing For Free Texts Subject at P. T. Session

DEAN JAMIESON IS ON PROGRAM TODAY

Luncheon And Addresses Were Features Last Evening

Outstanding on this morning's program for the Southern Oregon regional conference of parents and teachers was the address delivered by Mrs. William Kietzer, who told of the free text book measure which will be up before the voters at the November election.

Mrs. Kietzer, who resides in Portland, has made an exhaustive study of the measure, and explained all phases of the proposed law.

This afternoon Dean Jamieson of Oregon State college, talked on "How Do Our Young People Spend Their Leisure Hours." Following her address a discussion and outline of "What Shall Our Children Read?" was conducted by the Klamath Falls Library.

Today's session was opened by invocation delivered by Archbishop J. Henry Thomas, which was followed by community singing, led by Miss Lillie Darby.

A membership discussion was led by Mrs. H. M. Shaw, state treasurer, and a discussion of citizenship was led by Mrs. William Kietzer, presiding vice president.

At noon today a luncheon was held, at which the matter of text books was again brought up. Final sessions of the conference are in progress this afternoon. Included on the program are a talk on "Safety," by Ray Conway, Oregon State Motor association, and Dean Jamieson's talk, "Miss Claribel Nye of Oregon State college was scheduled to appear on the program late this afternoon, and to give a discussion on school lunches, diets, etc.

This evening will mark the close of the two-day session. Final events will be a week day Bible school by Rev. Arthur T. Eaton and musical selections by Harry Borel and his orchestra, a solo by Howard Graham and a vocal selection by Mrs. R. Hlatt. Shortly after 5 o'clock the conference will be officially closed.

Dinner Held
The program last evening was varied and was ushered in with a "publicly dinner" served in the banquet room of the First Methodist church by the ladies of that denomination. The dinner was presided over by Mrs. H. C. Newton, chairman of the state publicity committee, and was preceded with several selections by

The address of the dinner was delivered by Lee Tuttle editor of the Evening Herald the subject being: "Publicity and Its Value to Parent-Teacher Organizations."

The dinner program closed with a song by a group of girls of Riverside school.

President Speaks
The 8 o'clock program was presided over by Mrs. W. T. Brice, president of the Oregon association, and opened with two numbers by the glee club of the seventh grade of Fremont school under the direction of Miss Schneider.

A splendid feature of the program was the address by President Brice on "Parental Co-Operation in a Child Welfare Program," in which was stressed the worth of a little child. The speaker emphasized the seven cardinal principles of child development, enlarging upon each in the order of its prominence. Closing the address, Mrs. Brice pointed out that the National

Mrs. Prentiss Speaks
The second interesting address was delivered by Mrs. Sarah W. Prentiss of Oregon State College. Her subject was: "The Family and the Home as Backgrounds." Questioning the statement recently made by a prominent educator of the state that the home can no longer be depended upon in the development of the attitude, habits and general characteristics, the speaker said "the home must continue the work of child development."

The program closed with an enlightening address by Paul T. Jackson, principal of Klamath high school, on "Vocational Guidance in High Schools," who explained this system of education.

Mozelle Hair Talks
"H. G. Wells, the writer, has stated that the world must see between education and catastrophe, and he was not speaking of the education of children, but of 'it's,' was a statement made by Miss Mozelle Hair of the ex-

tension division of the University of Oregon, who spoke before the gathering Wednesday afternoon on "Adult Education."

The speaker pointed out several important reasons why adult education is so important, namely: for citizenship, since intelligence in voting is necessary nowadays, and this means being informed; the apparent fact that the studies of childhood are not sufficient for today; the responsibility of parents to provide suitable homes for children, which necessitates intelligence of an economic and social order; and to determine the quality of schools by being informed on education.

S. P. REDUCES RATE FOR GAME

With all eyes turned on Portland where on November 1 the great football teams of Oregon State and Washington State colleges will vie, Southern Pacific has announced a special round trip fare of \$10 from here to Portland for the event.

This special fare will be on sale Friday, October 31 only and the return limit will be Thursday, November 6.

Interest is running high in this contest as it will find the Oregon Aggies making a determined effort to stem the march of the Washington Cougars toward a Pacific coast and possible national championship title. Also it is being sponsored by the Shriners of Oregon as a benefit for the Shrine hospital for crippled children. One-third of the net receipts will go to the hospital. Shriners from all over the Pacific northwest will attend and parade, band concerts and shrine drills will make Portland a gala place before and after the game.

Another attraction which will center interest on Portland Saturday will be the final day of the 20th annual Pacific International Livestock Exposition. This vast exhibition, which opens October 25, will close Saturday night, November 1, with a brilliant horse show.

Edmonton, Alberta, Oct. 22, (AP)—Four persons were killed and a fifth probably fatally shot today on a farm near Smoky Lake, Alberta. Police were seeking George Dworzychuk of Edmonton, as the slayer.

The dead are: John Walanski, father-in-law of George Dworzychuk; Mrs. John Walanski, Mary Walanski, 16, an invalid; John Darichuk, middle-aged farmer.

Mrs. Huchaluk, aged grandmother of Mary Walanski, was also shot down and is in a hospital at Smoky Lake, eight miles northeast of here in a critical condition.

25 Pounds Xmas Seals Received

"Fifty-five pounds, or five and one half miles of Christmas Seals have arrived at the sale headquarters at the chamber of commerce," Mrs. Burt Hawkins, chairman of the Christmas Seal Sale, announced today.

"In the words of the old story," Mrs. Hawkins continued, "these seals, if placed end to end would reach from the sale headquarters to the Klamath Falls-Lakewood junction."

Work of folding the seals and accompanying literature which the Klamath county health association will use for weapons in the fight against tuberculosis in this county will be started soon, and Mrs. Hawkins will announce her corps of helpers in the near future.

Former Baker Man Is Suicide Victim

After having called her to the porch, he told her he had placed \$800 in currency in his shoes, and it was for her. He placed the weapon to his temple and fired. "You have laid the firmest of foundations for success

in using the Ultra Violet Ray in the 'Toasting' of Lucky Strike"

Says
CLEMENT O. MINIGER

Noted industrial leader and philanthropist. President Electric Auto-lite Company. Director Willys-Overland Company

"The demand of Americans for the utmost in comfort, convenience and safety has made the Electric Auto-lite standard equipment in many of the finest of American automobiles. In using the Ultra Violet Ray in the 'Toasting' of the LUCKY STRIKE tobaccos you have laid the firmest of foundations for the success of your product. Because you are rendering Americans a service which they appreciate most—the benefit of modern science."

Everyone knows that sunshine mellows—that's why TOASTING includes the use of the Ultra Violet Ray. LUCKY STRIKE—the finest cigarette you ever smoked, made of the finest tobaccos—the Cream of the Crop—THEN—"IT'S TOASTED." Everyone knows that heat purifies and so TOASTING removes harmful irritants that cause throat irritation and coughing. No wonder 20,679 physicians have stated LUCKIES to be less irritating!

"It's toasted"

Your Throat Protection—against irritation—against cough

Consistent with its policy of laying the facts before the public, The American Tobacco Company has invited Mr. Clement O. Miniger to review the reports of the distinguished men who have witnessed LUCKY STRIKE'S famous Toasting Process. The statement of Mr. Miniger appears on this page.

A Possible "Conspiracy"

WITHIN THE LAST FEW DAYS I SEEM TO HAVE BEEN THE VICTIM OF A conspiracy—that a very pleasant conspiracy. So many people have said to me "You have certainly had some fine shows lately, Harry" that I wondered if it was a pre-arranged system but when I think over our line-up for the past few weeks I entirely agree with them. However, like Al Jolson I want to say to you—"You ain't seen nothin' yet."

NEXT WEEK WILL BE A NOTABLE ONE IN THE HISTORY OF THE PELICAN Theatre because we are featuring what I honestly believe to be the greatest air picture yet made—"THE DAWN PATROL." I saw in Los Angeles Howard Hughes' four million dollar air epic, "Hell's Angels" which took three years to make and cost the lives of four men; it is a wonderful production but in no way does it exceed "THE DAWN PATROL" and in some details it does not equal it. Notably the story—in "Dawn Patrol" Richard Barthelmess is again the magnificent artist that he was in "Tol'able David" and "Broken Blossoms" and the supporting cast is perfect. I wish I knew enough words to convey to you what I think about this picture—you will have to see it to realize the inadequacy of an ordinary man's vocabulary.

IMMEDIATELY FOLLOWING THE RUN OF "DAWN PATROL" THE MORONI OLSEN PLAYERS will present on our stage "THE SHIP." We have had Moroni Olsen, Janet Young and their company with us several times before and it is with deep regret that we have to announce that this is their farewell tour and after this season they disband for an indeterminate length of time. The Moroni Olsen Players are in a class by themselves and we are looking forward to their appearance as a real treat.

AMONG OUR COMING ATTRACTIONS ARE SO MANY WONDERFUL PICTURES that I would need a whole newspaper to tell you about them, but here are a few of our immediate bookings: The inimitable Amos 'n Andy in their first picture "CHECK AND DOUBLE CHECK"—Ann Harding in the surprise of the year, "HOLIDAY"—Wheeler & Woolsey in "HALF SHOT AT SUNRISE"—Bebe Daniels in "DIXIANA"—darling Marilyn Miller in "SUNNY"—Wallace Beery in "THE BIG HOUSE"—I could go on indefinitely with this list but these will give you some idea of the entertainment we have in store for you. Anyway, you know the old adage that seeing is believing, so it's your move next.

Yours for Bigger and Better Pictures,
HARRY W. POOLE.
