

20-30 CLUB TO GIVE PROGRAM CHARTER NIGHT

Tentative plans for the charter night program of the local 20-30 club were announced at the weekly luncheon of the organization at the Pelican Grille Thursday noon by George Hillis, general chairman of the charter night committee.

The program, as outlined by Mr. Hillis, will include a banquet at 8:30 o'clock, dance and a turkey shoot. The banquet and dance are to be held at the Piedmont Country club December 6. At the banquet, making the Klamath Falls group a member of the national association, will be presented by Richard Wallace, of Reno, president of the national association of 20-30 clubs. A varied program will also be given at the banquet with dancing to follow. The turkey shoot will be held Sunday morning at the Klamath Falls group a member of the national association, will be presented by Richard Wallace, of Reno, president of the national association of 20-30 clubs.

A special train will be run from Alturas for the benefit of Lakeview, Alturas, Susanville and Reno delegates. Burns and Marshfield clubs will also be represented. Burns is not a charter club as yet, but will receive a charter soon after the one granted here.

Lakeview, sponsor of this club, was admitted to the association a year ago last January and was the first club organized in Oregon. Marshfield received the second charter granted in Oregon and Klamath Falls will have the third.

There are nearly 100 clubs in Oregon, California, Nevada and Arizona with many more now working for charters in those states. Men from the ages of 20 to 30 are eligible for membership and the activities of the club are modeled along the lines of other service organizations such as Rotary, Lions and Kiwanis.

The local club has an enrollment of more than 30 and after the charter is granted the membership is expected to grow to about 50. E. Van Fleet is president; Joe Knudsen, vice president; Edgar DeSpain, secretary, and Harold Robinson, treasurer.

SURPRISE
BALTIMORE—A man found dead here recently was identified by Charles Howser as an uncle. Nephews and nieces confirmed the identification and the body was given an appropriate funeral by relations. After the funeral, members of the funeral party observed the uncle, alive and well, standing at a street intersection. There was a happy reunion.
