

Herman's Army Store Consolidates With the Headquarters Army Store, Causing a CRUSHING OVERLOAD!

WE ARE COMING STRAIGHT FORWARD TO YOU WITH A SHORT, TRUE STATEMENT: We have just consolidated these two Army Stores and are overstocked with too much merchandise on hand, and more coming. And business has dropped off considerably in the last few months; so we are short of CASH TO PAY BILLS and there is only one thing left for us to do, and that is, to fight our way out for the moment. We hope and look for better business in the near future, but we cannot deposit the future in the bank, as it takes cash to make both ends meet, nowadays. WE MUST RAISE CASH and RAISE IT QUICKLY—This is the truth—not only we ourselves know it—but we feel it—how! There is nothing like telling the truth—what is the use of beating around the bush?
