Out Our Way

HEAVY SNOW AT TENNANT NEW YEAR'S DAY

MRS. O. O. WINGFIELD
TENNANT, Calif., Jan. 5, (Special)—Snow fell at Tennant on Wednesday night and Thursday to the depth of 14 inches, covering the ground and trees with a blanket of white, very pretty to look at, but not very good for men to work in.

Mr. and Mrs. F. M. Filson left Sunday by auto for two weeks' vacation. They will visit at San Francisco, Pasadena and San Diego, Calif. At the latter place Mr. Filson's father, A. S. Filson, and his sister, Mrs. W. P. Watson, reside. Mr. Filson is the Tennant postmaster. During his absence Mrs. O. O. Wingfield will act as postmistress.

E. R. (Slim) Pritchett, who enjoyed Christmas with his parents at Reno, Nev., arrived home Saturday.

Mrs. S. A. Parker of Ashland, Ore., arrived in camp Saturday evening to stay with her grandchildren, Gertrude Parker and Maude Ann Filson, during Mr. and Mrs. Filson's absence in Southern California.

C. W. Murphy, his daughter, Miss Pearl Murphy, and E. D. McDonald were visitors at Klamath Falls Wednesday.

The New Year at Tennant came in very quietly. The power house whistle and one engine blew a few minutes, and some one rang the church bell. Other than that there was no demonstration.

R. H. Kuehner Is Recommended For Lane County Post

R. H. Kuehner, assistant county club leader of Klamath county, has been recommended to state college authorities for appointment as club leader of Lane county to take the place of Arnold D. Collier, whose resignation has just been accepted. Collier was arrested in Portland a few days ago on a charge of disorderly conduct.

Kuehner has been here for the past year working under Frank Sexton in the club work.

Downpour of Rain In San Francisco

SAN FRANCISCO, Jan. 5 (AP)—Rain swept in on San Francisco early today and the steady downpour was expected to spread over most of California. Storm warnings were posted along the coast from San Francisco to Cape Platter.

Rainfall was still somewhat below normal for this time of year and the entire state welcomed the prediction of heavy showers made last night by the United States weather bureau.

In South America, particularly the Argentine, the "buen" is a thing of real terror. A colony of them has been known to devour babies left outside by their mothers.

No Hard Sledding for Them

Snow use talking, fellows; snow use talking! All this chatter about hard sledding for girls who aspire to be movie stars is all wrong, for here are two of them who have made good in a big way, showing that sledding isn't at all hard. In case you haven't already recognized them, the fair sledders are Frances Doe and Rosita Moreno, snapped during a little winter fun at a mountain resort near Hollywood.

SEA CALLS IN VAIN
LONDON, Jan. 5, (The call to the sea which commanded thousands of England's young men years ago, is now unheeded. Better pay and working conditions in the city have caused the boys to turn their faces toward factories and offices.

It is very sad, but we must adopt ourselves to changed times," says Capt. T. Heard, of England's famous "Shamrock." "Work on the sea is hardly enough to go around these days."
