

French Runner Captures Meadowbrook 660 Yard Race

MARTIN GETS BACK TO HIS USUAL STRIDE

PHILADELPHIA, Feb. 12. (A. P.)—A three thousand mile ocean voyage and two weeks of intensive training on indoor tracks has been crowned with success for Seraphin Martin, leading middle distance runner of France and holder of the world's record for 500 meters.

After a disappointing race in the international half mile in the Millrose Games last Saturday, Martin showed a return to form last night in winning the classic Meadowbrook 660 yard race at Philadelphia's arena.

The blue shirted French runner, the red insignia of the Stade Francaise on his chest, led Eddie Blake and Dr. Paul Martin of Switzerland to the tape. Blake was six yards behind and the good Doctor was half a lap back, in sixth place.

The time of 1:22.4 was the second best time ever made in the Meadowbrook 660.

The French automobile mechanic's performance served notice on American speedsters that he must be reckoned with in the rest of his American campaign, which closes late this month in the national championships.

Ray Conner had to turn loose one of his great last lap finishes to win the J. W. Overton Memorial mile from a stumpy-legged, fighting little runner named C. Coan, of the University of Pennsylvania.

When Conner made his bid with the bell Coan was right with him and stayed there almost to the finish. The time of 4:17.6 was considered good for the track.

The performances of Conner and Martin featured a meet which saw no outstanding performance, although Stella Walsh did tie her own record of 5.2 in winning the 40-yard dash. She was far superior to any of her competitors.

The touring track brigade moves on to Boston Saturday, to the A. C. Games in New York Monday.

TITLE GAME ON BOARD TONIGHT

SEATTLE, Wash., Feb. 12. (A. P.)—The northern division Pacific coast basketball conference title probably will be decided here tonight and tomorrow night with the University of Washington facing the strong Washington State college quintet. Should the Huskies win both games they would clinch the title for the fourth time in a row.

If the Cougars take the series, settlement of the argument would be deferred until the two teams meet at Pullman, February 24. 25. Washington state has won eight games and lost three, to run second to the University of Washington in present standings. The Huskies have won nine and lost one contest. While the two teams are fighting for division honors, the two leading scorers in the north will be battling for supremacy. Huntley Gordon, Cougar sophomore center, is leading the division, with Captain Hank Swanson, University center, in second place.

Hack Wilson Is the Dirty Boy of the Chicago Nationals

CHICAGO, Feb. 12. (AP)—Poor Hack Wilson! The major league home run champion recently signed a fat contract with the Cubs, and now the club has retaliated by limiting him to eight uniforms for the 1931 season.

Wilson has a propensity for getting his suits dirty in a hurry, so the management decided to buy him four uniforms for home use, and four for the road. The rest of the Cubs also will be outfitted. Each will have two home uniforms and two for the road, and all four sets will be of different pattern.

Big League Bowling

DON'T BE IN TOO GREAT A HURRY—WAIT UNTIL THE OTHER FELLOW HAS FINISHED—DON'T BOWL AT THE SAME TIME WITH THE MAN ON THE NEXT ALLEY

By AL DEMAREE
(Former Pitcher N. Y. Giants)

One of the most efficient ways of ruining your own game and the game of others, is being in too much of a hurry. Take your time. Let the fellow preceding you finish his shot before you reach for your ball and stand on the runway behind him.

Don't cross in front of bowlers when they are taking their stance.

Don't bowl at the same instant as the man on the alley beside you. It will bother both him and yourself.

Don't roll a ball down the alley when there is a ball in the pit.

Don't get in the way of bowlers on other alleys.

Take your time and learn faster.

Interest In Trap Shooting Growing At a Rapid Rate

With excellent shooting weather promised for this week end and interest in trapshooting increasing this year by leaps and bounds, especially since installation of a Skeet course, a record attendance is expected at the Piedmont Golf and Country club's trapshooting grounds Sunday.

Last Sunday between 50 and 60 cars were counted at the grounds and that number is expected to increase noticeably this week end.

Nor has the Klamath Gun club trapshoot been forgotten for sportsmen flock out there each week end to practice for the state tournament and for other events. Several of the members of that club will be in Arizona within the next few weeks to participate in trapshooting events in that part of the country.

BELLEHAIR, Pa., Feb. 12. (AP)—Rumors that he is considering resigning as commissioner of baseball because of his health and "disgust" with several phases of the game, were branded as erroneous today by Kenesaw Mountain Landis.

"This report comes out about every six months," he said. "And I have not yet commenced to deny anything."

BENGALS WIN BY ONE POINT FROM MILL FIVE

In one of the most spectacular finishes ever seen in Klamath Falls, Lawson's Bengals won by one lone point. The game was 39 to 38 when Stinton, Bengal guard, sank one from the side of the gym for the winning points. Ten seconds after the ball found the hoop the time-keeper, D. W. Holloway, blew the whistle ending the game.

The scorer, Radcliff, told Frank Tarr, the referee, that the game was 40 all and that a five minute period would be needed to decide who the winning team was. After checking his points, Radcliff, found that the ball Stinton dropped through the basket made the score 40 to 39 in favor of the Lawson boys.

Crowd Excited
During the game the players gave all they had and had the largest crowd to date on their toes half the time. In the first half the Bengals took their three time-out periods. The pace was telling on them. After they came to life and played the rest of the game in fair shape.

The Bengals were crippled and only had five men and a poor sub to start the game with. Oliver, forward, was in Portland and McCulloch was on the sideline with a broken jaw and could not play.

The Many Times
Points were first in one team's favor and then the others'. Finally the Wildcats forged ahead only to lose when Curley Wakeman and Odell dropped in four beautiful baskets to put them in the lead.

This lead was soon overcome and then two more baskets gave Weyerhaeuser the lead by one point again.

The teams played back and forth without sinking one and then, from the middle of the floor, Captain Emmons sank one for the Cats to give his team a point margin. Another basket by Howard Wakeman put the mill back in the lead with one and just before the whistle Stinton sank his shot to win the game.

Odell Is High
Lawson's passing attack did not click and several times they lost the ball when they should have worked it into the goal. Every man on both teams deserves a lot of credit for the game he played and sportsmanship displayed. Odell was a point man with 17 and Pee-Wee Estes led the Cats with 12.

Herman Wakeman was the mill team's big star as was Emmons for the Cats. These men played the best floor games but did not do much shooting. Estes was the only man on the team to go out on fouls. Many fouls were called by Tarr who refereed a good game.

Lawson Cats:
Estes, F-12; Arthur, F-6; Emmons, F-6; Peterson, G-2; Stinton, G-9; Crank, G-3.

Weyerhaeuser:
Odell, F-17; W. Wakeman, F-5; C. Martin, C-7; H. Wakeman, G-18; Welmer, G-2.

The Manhattan club won their second start with Reno by the score of 48-16. The Manhattan boys are improving with every start and have the biggest men on any team in the league.

Ramsay, guard, was out for the first time last night and will be a big help to the club team. Reno played by far the best game since entering the league. They looked like a real club on the floor last night. These boys never give up trying.

Reno:
Kerns, F-6; Hopkins, F-6; Gibson, F-6; Deering, C-2; Packett, G-6; Ager, G-1; Simmons, G-9; Branton, G-9.

Manhattan Club:
Simonton, F-14; Stewart, F-6; Grove, F-9; Ramsay, C-8; Mason, C-18; Meyers, G-9; Chase, G-6; Roycroft, G-9; Johnson, G-2.

BOWLING SCORES

The Pelican league showed some very good bowling last night, especially the Kern hotel team. The match between the hotel boys and Eddie Norin's Spar bunch was a thriller for the gallery. The Kern team bowled 274 the first game, enough to win 49 times out of 50, but Captain Norin's boys topped them by a score of just eight pins short of a thousand. At that the Kern team totaled the handsome score of 2882 for the three games.

Dick's bunch took all four points from Lorenz Co., and Modoc Gas and Oil won three points from Western Union.

HOOP TEAM PROMISES TO EVEN SCORE

Seeking revenge for the defeat handed them by Ashland two weeks ago the Klamath Union high quintet will attempt to give the Normalites some of their own medicine when they meet tonight at the Klamath gymnasium at 8 o'clock.

The Pelicans have been showing more pep in practice recently than they have displayed before this season. Coach Dwight French is satisfied with the way his men are executing their five-man talking defense. The offensive is clicking to perfection, the coach says.

Howard Wakeman has been making difficult shots look easy. Captain Paul Swigart and Jack Crawford have shown great form lately. Crawford has recovered from a knee injury.

Coach Jack Bliss has three of the best eagers produced by Oregon high schools in Harry Gill, Ray Reeder and Jack Howell. Gill and Reeder, star forwards, have been running mates on the Ashland team for the last four years.

Howell, giant center, has an advantage in height on all centers in southern Oregon to aid him in getting the tip-off. On defense Center Ray Allen of Klamath stopped him in the previous game.
