HALL MAY START IN SON'S BATTLE

SOUTHERN OREGON STATE NORMAL SCHOOL, Oct. 8, (Special)—Football season at the Southern Oregon State Normal school will begin Friday afternoon at 3 o'clock, when the team will meet Humboldt State Teachers college in the first game of the year.

Humboldt is an old rival of the S. O. N. S., and the game promises to be an interesting one. Both lines are fairly new this year, as Coach Toloncher has only three veterans in his line, and McNeal of the Southern Oregon team has a completely new line, with plenty of strength in it. The local line will outweigh the California one slightly, and the coach intends to put this to good advantage. Frank Hall of Klamath Falls is playing fullback for the team this season, and will probably start Friday, although he has been injured by blocking and is not in the best condition. Lilliebo and Frank Lancaster are the other fullbacks.

W. S. C. Football Team on Train

Washington State college's squad, with Coach Hollingsberry, went through Klamath Falls Wednesday night on the Southern Pacific, bound for Los Angeles, where they meet the sons of Troy Saturday. University of Southern California's Trojans are making special plans and learning new plays for the Cougar game.

Friends and relatives of members of the Cougar squad wished them good luck when they met the train here for a few minutes Wednesday evening.

School Board in Regular Meeting

The Klamath county school board held its regular monthly meeting in Superintendent Fred Peterson's office Thursday afternoon.

T. J. Prather is chairman of the board and Henry Semon, Jack Almeter, John Reber and C. B. Brown are members of the board.

Postal Receipts for Month Gain

Postal receipts for the month of September this year exceeded those of a year ago by \$254.71, according to Postmaster John McCull.

In September, 1930, the receipts totaled \$6,313.93, while this year's total is \$6,568.63, the postmaster said.

GRANT WINS

PORTLAND, Oct. 8, (AP)—Grant High upset the dope here last night by holding Washington High, classed along with Jefferson as title contenders for the Portland inter-scholastic football championship, to a scoreless tie. The Generals not only held the Colonials, but kept Washington back in the shadows of its own goal most of the time.

HOME MAN—Marine rookies who trembled at the approach of Major Gen. Smedley D. Butler won't recognize their former chief in this unfamiliar role. For it's the blade of the lawn-mower and not of the sword that concerns Citizen Butler as you see him here, trimming the grass at the Newtons, Pa., home where he will live in his retirement.

DUNCAN'S DECISION AFFIRMED BY COURT

Judge W. M. Duncan was affirmed in a decision written by Justice Roseman and handed down by the supreme court this week in the case of D. G. Brown, appellant, vs. W. W. Jones et al. in a suit for approximately \$100 damages.

Brown charged that his property was injured by flooding and won a judgment in the lower court.

The Enterprise Irrigation district was denied a rehearing in its case against the Enterprise Land and Investment company on a suit for water charges. The investment company contended that because it was already paying for 160 acres water charges in the Klamath district that the Enterprise district could not collect. Harold C. Merryman was attorney for the defense. The court also held that unless the water was of beneficial use they could not charge for it.

Petition for rehearing in the case of Vriscol vs. Berg was also denied.

Five Negroes Held After Dock Fight

CORPUS CHRISTI, Tex., Oct. 7 (AP)—Five negro dock workers were held in jail tonight while officers investigated a fight in which 15 striking longshoremen allegedly attacked a non-union laborer.

The trouble marked the first major disorder since 3,000 union longshoremen went on strike here and at three other Texas Gulf of Mexico ports a week ago, rather than accept wage reductions from \$6 to \$5 cents an hour.

Sun Plays Tricks With Mary's Hair

NEW YORK, Oct. 3, (AP)—That bright sun of Copca bleached her once red hair to a bright blond, Mary Garden explained today when she returned on the liner Bremer after a summer along the Mediterranean.

Mrs. Garden said that as much as she enjoyed cigarettes, she would have to quit smoking since it injures her throat. She will go on a concert tour this season with the Boston and Minneapolis symphony orchestras. She will sing in Minneapolis, October 20.

TELEPHONE FIRM TO HOLD 'OPEN HOUSE'

How a telephone operator can—within a very few seconds—connect one telephone with another in Klamath Falls or how she can "get someone in New York, Paris or Stockholm with equal ease are among the mysteries of the telephone science," which will be explained at an open house being held Thursday and Friday at the telephone office, 127 S. Seventh street.

"A telephone call to a foreign country or even to a ship at sea is not much different from our standpoint than a call to Chicago or Chicago," said A. G. Gehring, manager here for the telephone company. "But the handling of a call to Chiloquin is very interesting, and requires alert and trained operators and the use of interesting equipment."

Mr. Gehring explains that a transatlantic call requires not only the usual long distance transmission by wire, but the most elaborate telephone equipment has been perfected to carry voices on the long voyage across the sea.

All features of the office, such as switchboard, power plant, and cable vaults will be open to inspection during the two days open house, to which all residents of Klamath Falls and vicinity are invited. Visitors will be received at the company's business office, 127 S. Seventh street, then conducted across the street to the operating quarters, which house the equipment.

The hours of the event will be from 9 a. m. to 9 p. m. both on Thursday and Friday.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sick and the world looks pink, don't swallow a lot of salt, mineral water, soft laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

If they can't do it, they only make the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels.

If this bile is not flowing freely, your food doesn't digest. It just ferments in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in pimples. You feel achy and you feel down and out. Your whole system is poisoned.

It takes the good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't risk for liver pills. Ask for Carter's Little Liver Pills on the red label. Demand a substitute. See at all stores. © 1931 C. M. Co.

Stabber Sorry Victim Evaded Bread Knife

EVERETT, Wash., Oct. 3, (AP)—Charles Cotter, 25, was held in jail here tonight accused of attempting to stab Mrs. Lillian Burt.

Cotter assertedly tried to stab Mrs. Burt because he believed she and her husband were responsible for his being deported to Wales last spring. He was captured in an apartment house. A bread knife was found hidden in his clothing when he was apprehended.

"It's too bad I didn't get her—she did me a dirty trick," Cotter said after his arrest, according to police.

England makes use of about 520,000, 000 pins every week.

Girls Quit Work When Dean Sends Them Off to Bed

EVANSTON, Ill., Oct. 3, (U.P.)—The freshmen girls of Northwestern university, 120 of them, refused to study their lessons today in protest against rules forcing them to go to bed at 10:30 p. m. nightly.

And they're going to do no more studying, said the residents of Frances Willard hall, until the rules are rescinded so that they may remain up until midnight. They said in a petition to the dean of women, Miss Florence Robnett, that they could not study properly if they had to be in bed at 10:30 p. m., hence they weren't going to study at all.

Premier Laval Urges World Disarmament

PARIS, Oct. 7, (UP)—Premier Laval on his forthcoming visit to President Hoover in Washington, will carry a proposal for a "consultative pact" which may be a long step toward solution of the world disarmament problem.

FAGERNAS RETURNS FROM OCEAN TRIP

Mr. and Mrs. E. Fagneras have returned from a vacation trip to Wasa, Finland, where they visited with friends. They left Klamath Falls on May 24 and called from New York on the Swedish-American steamer Kungaholm, returning on the same vessel.

It was the first visit that Mr. and Mrs. Fagneras have made to their former homeland in 25 years. They have been residents of this city since 1912. Mr. Fagneras being employed in the lumber business in this city.

Conditions are the same in Finland as they are in the United States with the farmers being the most fortunate class of persons today, much better than in the United States. Mr. Fagneras states. However, he says, Klamath Falls still heads the list as the best place in which to live.

Fourteen million pounds of blue clay are required to yield one pound of diamonds.

Wins Wager By Split Second But Loses One Foot

WINONA, Minn., Oct. 8, (A.P.)—Alfred Sherman, 29, won his wager by a split second but lost by a foot as he split the train.

He and Joseph Singer, 28, after visiting a roadhouse, near here, made a bet on who could sit on a railroad track the longer before evading an oncoming train.

They sat down. The train bore down upon them. They leaped. Sherman was a split second slow in getting away and he won. But in so doing he lost a foot, severed by the locomotive.

And, come to think of it, Sherman said, neither man had staked anything on the outcome.
