

### G. N. PRESIDENT STOPS OFF HERE

President Ralph Budd of the Great Northern, C. O. Jenks, vice president, J. H. O'Neill, general manager, and Col. F. C. Means, first assistant engineer in charge of construction on the Great Northern extension south of this city, passed through Klamath Falls Tuesday afternoon, stopping here for only a few minutes.

They were accompanied by T. F. Dixon, superintendent of the Klamath division, who met them in Heiber, Calif., southern terminal of the extension, who also left with them for Bend.

They motored to Chemult where they will ride over the Great Northern line from there to Bend. Budd, Jenks, O'Neill and Means inspected the Great Northern's extension to Heiber Tuesday. It was the first time that a Great Northern railroad president had ever ridden over the northern part of California on his own lines.

ver dollars. The empty purse was found in the back of Rhyme's automobile along with a small amount of whisky left in a jug.

The Cushtings were released from custody by state police officers, and Rhyme held for investigation. A doctor's examination revealed the fact that the man had been, and was still intoxicated.

He will be arraigned on drunken driving charges before Justice of the Peace W. B. Barnes within the next few days.

Rhyme pleaded guilty to the charge of driving while intoxicated this afternoon before Justice of the Peace Barnes and will be sentenced Thursday morning.

and not from reclamation service funds, and for that reason there should be no lack of support on the part of farmers and the reclamation service.

The canal enclosure must be pushed as a humanitarian program to prevent loss of human life, with other objectives as secondary, it was stated at the meeting. There was some discussion of various methods of enclosure, and possible creation

### One-Arm Driving To Be Allowed At Police Ball

If you are holding one arm around the lady you are dancing with, whether you are the "guy what brings" her or not, and have a hot dog, hamburger or bottle of soda pop in the other hand, the police won't say a word at the Policemen's Charity Ball on Friday night.

In fact that variety of one-arm driving will be perfectly O. K. With the cops, police assured a reporter Wednesday.

The concession for furnishing hot dogs, hamburgers, orange ads and all other varieties of soft drinks has been given to the M and X root beer stand, which has agreed to have a copious quantity of such foods and drinks on hand.

of a parking strip along the canal in connection with the improvement. The necessity for making a general request, rather than the presentation of an engineering plan, was stressed by some speakers.

**Jurisdiction Important**

The question of jurisdiction over the canal right-of-way, regardless of who owns it, with a view to making it an attractive feature of the city, was declared important.

A communication was received from the Eugene chamber of commerce to the effect that the Eugene group is to put on a forum at Bend, October 21, and would come here that night for a conference with roads and tourist committees of the Klamath chamber.

The chamber secretary was authorized to write O. M. Plummer, manager of the Pacific International Livestock exposition, assuring him of the attendance of Klamath people at the exposition, to be held October 24 to 31 in Portland.

He also will write the secretary of the Reno chamber, advising him that a number of Klamath Falls Shriners will attend the ceremonial in that city October 21.

### Car Broken Into, Robbed Tuesday

S. G. Severson reported to police Tuesday night that a man had broken the handle off his car door and had taken a brown leather hand bag, containing silk skirts and papers, from the car.

The man is described as being 5 feet, 11 inches tall, with brown curly hair, wearing a dark suit, no hat, and was about 25 years of age.

possession of any office, but pending the outcome of the suit, of course, we will recognize Cyr as governor."

Long Files Credentials

Senator Alvin O. King, president of the state senate, was due in Baton Rouge at noon today to take the oath as Lieutenant-Governor. Both Long and Cyr agree that office is vacant.

Cyr, with the support of United States Senator Edwin S. Brousard, has taken the position that Governor Long vacated the office of governor when he filed his credentials with the United States senate to which he was elected as successor to Senator Joseph E. Ransdell.

Long said that Cyr has now deprived himself of the lieutenant governorship.

### LEAGUE IS FOR INVITING AID IN SETTLEMENT

would have to give assurance of this before Japanese soldiers could be recalled to the coast.

Instead of seeking settlement of the question by direct negotiation with Japan, China has appealed to the League of Nations, asking intervention. Japan has contended before the league council that the Manchurian problem is one requiring direct negotiations between the two countries, and not a matter warranting action by any outside agency.

The question of "face," which evidently meant much to the Chinese, entered into the conversations between the Chinese envoy and the Japanese foreign minister.

# GAS GIVES YOU MORE FOR YOUR MONEY!

## MORE HEAT

—For example, GAS gives you almost 3 times more broiling heat than other fuels. You can keep your ventilated gas boiler closed to save heat—and it's insulated to hold heat right on your food. Use GAS—4 out of 5 city families cannot be wrong!

## MORE SPEED

Boiling water in 5 minutes instead of 15—gas gets your dinner in 1/3 less time than any other fuel. Be ready to cook the minute you light your range—gas often makes cooking a matter of minutes instead of hours. Use it—4 out of 5 city families cannot be wrong!

## MORE SATISFACTION

Easier cooking for your money! Gas ranges are so fast—so well insulated—they never burn you up or tire you out. Turn your gas flame up or down—you can regulate your heat more easily than with any other stove—and your gas oven control maintains constant heat as long as you want it. Try easy gas cooking—4 out of 5 city families cannot be wrong!

## MORE ECONOMY

Light your gas when you want it—turn it off the minute you're through—and you cannot waste a bit of fuel. You only pay for the gas you use—no money is tied-up in a fuel supply. Try it—4 out of 5 city families cannot be wrong!

## NO CASH DOWN

Your old stove makes the down payment on a new gas range! You may take from 10 to 30 months to complete easy payments. And the fastest stove made—your gas range—actually costs less than many similar appliances.

## TRY A NEW GAS RANGE ON APPROVAL (No Obligation to Buy)

Select any new gas range from our line—we will install it immediately and pipe gas right into your kitchen. Then try gas cooking for a few days without any obligation to buy. On your decision to keep your gas stove—you pay the regular charge for gas connection and installation. Otherwise, you simply pay for the gas you have used during your gas range demonstration.
