

KLAMATH RED CROSS GOAL IS 1800 MEMBERS

Since the conclusion of the world war, the American Red Cross has spent more than \$167,000,000 in service and relief. It was revealed today in a report by George J. Walton, secretary of the local chapter. These are expenditures by the national organization alone, and do not include numerous additional millions expended by the society's 15,000 chapters and branches, the report stated.

These expenditures greatly exceed the income for the same period, due to the fact that surplus on hand at the close of the war have been freely drawn upon to finance the regular program.

The balance which now remains is barely sufficient to assure completion of the work in behalf of disabled veterans and to keep the organization in readiness for immediate action in case of disaster. To continue its program and meet the ever-growing demands upon it, the Red Cross is faced with the necessity of substantially increasing its membership.

Although the goal of the local chapter in the coming campaign next November is only 1800 memberships, effort will be made to exceed this number by as large a margin as possible, Mr. Walton said.

Books Well Kept

The Red Cross has created unequalled records for low administrative costs, Mr. Walton noted.

ad Chief Justice Charles Evans Hughes as saying, at the Red Cross fiftieth anniversary celebration in Washington, D. C., last May: "None of our boasted industrial efforts surpasses it in efficiency." During the past fiscal year it disbursed more than \$16,000,000 at a cost of 1 1/2 per cent.

No organization in existence makes more scrupulous accounting of its funds than the American Red Cross, according to Walton. Each year its books are audited by the United States war department, and its annual report of operations and finances is given wide circulation throughout the country.

3 Games Slated for County Grid Teams This Week

County league football teams will engage in three games this weekend, with the Klamath Falls "Wildcats" meeting the non-league Lakeview team on Modoc field Saturday afternoon.

Friday afternoon the Bousana eleven will meet the Malin high grid team at Malin and Saturday afternoon the Henley boys will clash in Merrill against that high school's team.

A game that is arousing some interest because of real rivalry is the contest at Malin Saturday between the Altamont grade school boys and the Malin grade eleven.

Grand Jury Call To Be in November

The Klamath county grand jury will not be called until after the first of November, it was announced by Circuit Judge W. M. Duncan Wednesday.

As there are few cases to be considered by the grand jury, it was decided that an earlier session would be unnecessary.

CHICKEN THIEVES GET HEAVY JOLT

Jewell Steels and Ace Taylor pleaded guilty to charges of burglary, not in a dwelling, before Judge W. M. Duncan in circuit court Thursday, and were sentenced to two years each in the penitentiary. They were later paroled by the court to the office of the district attorney.

Steels and Taylor, with a third companion, Ferris Robitaille, were apprehended by the sheriff and deputies Tuesday night on charges of chicken stealing. They later admitted having stolen 12 chickens on August 4 from the Britton - chicken ranch near Klamath Falls.

Robitaille, who is under the age of 18 was turned over to the juvenile court.

Several Railroad Men Visit Klamath

Among railroad men in Klamath Falls Thursday were J. H. Hickey, Dunsmuir, O. B. Whipple, Sacramento, D. W. Dower, A. Schipper, and C. S. Jones.

all of San Francisco, Southern Pacific, who are registered at the Hotel Elit.

C. E. Burnett, traveling freight agent of the Rock Island railroad, Portland, and L. H. Savary, traveling freight agent of the Delaware and Lakawana, were also in this city on business.

Faculty Quartet Formed at K. U. H. S.

Four members of the Klamath Union high school faculty have formed a faculty quartet, and besides singing Friday night at the Dads and Sons Jamboree at the high school, they plan to continue their organization, and sing at assemblies and, perhaps, for the public later.

John Stovall is first tenor, Russell Andrews, second tenor, Lloyd Emery, baritone, and Lawrence Thomas bass and leader, comprise the quartet.

They are starting their practice with "barber shop harmonies."

To Relieve Catarrhal Deafness And Head Noises

If you have catarrhal deafness or head noises go to Star Drug Co. or your druggist, and get 1 oz. of Parmit (Double Strength), and add to it 1/4 pint of hot water, and a little sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucous stop dropping into the throat. It is easy to prepare, costs little, and is pleasant to take. Anyone who has catarrhal deafness or head noises should give this prescription a trial.
