

# Coast Conference Leaders Will Play This Week

## TROJANS WILL MEET BEARS ON SATURDAY

By RUSSELL NEWLAND  
(Associated Press Sports Writer)  
SAN FRANCISCO, Oct. 19, (AP)—Leaders in the scramble for Pacific Coast conference championship honors will move into the battle Saturday in traditional football rivalries that, barring upsets, will cut the list to two undefeated contenders.

Neither beaten nor tied in conference play, Southern California's Trojans and California's Bears will come together in a mid-season clash at Berkeley expected to draw Memorial stadium to its capacity of more than 78,000 fans. While these bitter gridiron foes are fighting for the right to continue on the trail to the title, Stanford's Indians, also undefeated, will clash strength with Washington's Huskies at Seattle.

**Trojans Again Favorites**  
On the basis of comparative scores, Southern California will be strong favorites over California while observers generally concede Stanford better than an even chance against Washington. On successive week-ends, Southern California took the measure of Oregon State, 36-0; Washington State, 28-6; and Oregon 52-0. California opened its conference schedule last Saturday with a 13-7 win over Washington State. In its first bid for championship standing, last week end, Stanford humbled Oregon State, 25-7.

Two years ago an under-rated Bear eleven tumbled the Trojan team under a 15-7 count. But 1929 was a Southern California year and when the smoke of a one-sided battle had cleared up, the Trojans claimed the long end of a 74-0 score. Last year's gridiron debacle caused such clamor that C. M. "Niles" Price resigned as coach. William A. "Bill" Ingram moved in as mentor this season. His Bears have been successful to date, with one exception—they lost to St. Mary's Gaels, 14-6. But in this respect, California followers have not much cause for complaint as the same St. Mary's team defeated Southern California, 13-7. The Gaels are not members of the conference.

**Oregon Elevens Idle**  
While the Trojan-Bear encounter will claim chief interest in the far west, the Stanford-Washington engagement will come in for attention because of the new found strength the Huskies displayed in defeating Idaho, 35-7, last week-end.

A third conference game Saturday will pit Washington State against Montana. The University of California at Los Angeles Bruins will take on Pomona in a non-conference affair. St. Mary's, only unbeaten, untied major team on the coast, will meet Gonzaga in a game at San Francisco next Sunday.

Coast conference standings:

W.	L.	Pts.	Agst.
S. California	3	0	121
Stanford	1	0	25
California	1	0	13
Oregon	2	1	22
Washington	2	1	63
W. State	1	2	26
Idaho	1	2	28
U. C. L. A.	0	1	6
Oregon State	0	0	7
Montana	0	2	19

## KLAMATH SECONDS TROUNCE LAKEVIEW

By JIM SLUSSER  
Klamath Hi Correspondent  
The Wildcats showed some of the first team's winning form by taking Lakeview into camp 7 to 0 in a muddy battle on the Modoc field Saturday.

The locals scored near the middle of the first quarter, Mike Lavenick carrying the ball over the line. The conversion was completed on a pass from Jones to Fropst.

Before the first half was over rain began to fall and it kept falling until the end of the game.

**Game An Upset**  
After the score was made the teams made no dangerous threats but the ball was in Lakeview's territory most of the time.

The game was more or less of an upset as the Wildcats were not conceded a chance after their showing against Bonanza a few weeks ago, but they outdid the heavier visitors in all points of the game.

Chester Jones, Klamath fullback, made several long runs against the Lake county boys, as did Mike Lavenick, halfback. Elliot, Lakeview fullback, contributed his share by snaring several long passes, but his team could not muster the strength to carry the oval any farther.

Other Klamath men who played well were Hayes and Maxwell, guards, and Hoover, end.

A very small crowd attended the game, and most of those who were there left when it began to rain.

Officials: Head linesman—Russell Andrews, Referee—Joe Peak, Umpire—Joseph Ewing.

## MEDFORD TIGERS DEFEAT CAVEMEN

Medford, next opponent of the Klamath Pelicans, won a decisive victory from Grants Pass this afternoon, 29 to 7. The Tigers will play on Modoc field next Saturday.

In the gridiron history of Klamath Falls, there has never been a victory over Medford. This year the Pelicans have one of the outstanding teams of southwestern Oregon, but the powerful Medford eleven offers one of the most serious obstacles for a championship.

Medford's triumph today was so complete that the chances of a Klamath win Saturday have dropped. The two teams will meet on an even basis. The Pelicans also hold a game over the Cavemen.

## ST. MARY'S ELEVEN REMAINS UNBEATEN

SAN FRANCISCO, Oct. 19, (AP)—The Gaels of St. Mary's downed San Francisco University's football team 14-6 here yesterday to remain the only undefeated and untied major eleven on the Pacific Coast.

San Francisco got the first touchdown in the initial period. It was the first time the university had scored any points on St. Mary's in six years of competition. Shortly afterwards, the Gaels pushed over a touchdown and a drive from San Francisco's 46-yard line.

St. Mary's scored again early in the fourth period after a thrust which carried them from their own 28 yard line.

Forty thousand spectators witnessed the contest.

Orville Mohler, Southern California—Made two 48-yard runs for touchdowns against Oregon.

Tom Brown and Willis Phipps, Auburn—Scored touchdowns that gave plainmen their first victory over Georgia Tech since 1919.

## GUS SONNENBERG TO WRESTLE HERE

Gus Sonnenberg, former wrestling champion of the world, has guaranteed to come to Klamath Falls next month to meet the winner of the Roy Anderson-Jack Wallace main event bout at the Legion hall, Friday.

The ex-champ from Dartmouth university has been in the Hawaiian Islands, and will come directly here upon his return.

Klamath fans have Bill Elliott, promoter, to thank for scheduling this match which will draw the eyes of the entire country to this city.

Actually the bout will be an elimination round in the wrestling tournament at Chicago next spring to determine the champion of the world. The applications of both Sonnenberg and Anderson have been accepted, but a defeat for one or the other will naturally mean an elimination.

Elliott also announced that each wrestler had practically agreed to donate a portion of his purse to Chief Guy Merrill's milk fund and unemployment relief.

## Taxpayers Asked to Bring Receipts

Taxpayers have been requested by the tax collectors office to bring with them the receipts for their taxes for the first half of the year. This will save time for both taxpayer and the office force, as well as aiding in making a more complete record for the county.

# You purchase shoes, fruit and candy. You call for cigarettes.

*It's like this:* WHEN YOU GO TO BUY A PAIR OF SHOES, you examine the leather, the way the shoes are made, their shape. You try them to see if they fit—if they satisfy you.

Why not follow the same method in purchasing your cigarettes? You want cigarettes that are made from the very best tobacco—mild, ripe, sweet. You want them made right. You want them free from harshness and bite and "pinches." In other words, you want cigarettes that *satisfy* you.

WHEN YOU GO TO BUY FRUIT—oranges, grapefruit, apples—you want ripe fruit, fruit that has matured before being taken from the tree; fruit that has been handled right and packed right; fruit that's the same throughout—not green on one side and ripe on the other.

Why not apply the same test in purchasing your cigarettes? You want cigarettes made from tobaccos handled right by the farmer—ripened, sweetened in the sun and cured right. You want cigarettes that taste the same, day in and day out. You want them pleasing in taste—mild and satisfying.

WHEN YOU BUY CANDY, you want to know, above all things, that it is pure. Is it real candy or are there a lot of other things mixed in with it? And you want it fresh. You want it freshly made and you want it so packed as to reach you just as it was when it was made.

Why not apply the same test when you buy your cigarettes? You want a cigarette that's *pure*; for purity counts in cigare-

rettes just as it does in candy. Then again, you want a cigarette that's just as fresh as when it was made.

Now, if you apply to cigarettes all the tests that you apply in buying shoes and fruit and candy you will purchase CHESTERFIELD like millions of other smokers.

First, because tobacco men will tell you that in Turkey, Kentucky, Georgia, the Carolinas, Virginia, and Maryland, only the mildest, ripest tobacco is bought for CHESTERFIELD—tobacco cured by the sun's pure rays, by the farmers' slow-burning ovens, and finally by great high-pressure steam drying machines. In the tobacco regions where they grow tobacco and know tobacco, CHESTERFIELD is usually the leading seller.

Second, because the carefully selected CHESTERFIELD tobacco leaves are blended and *cross-blended*. This exclusive CHESTERFIELD blending method is not just mixing together different tobaccos—it is mixing them in such a way as to bring out the finer qualities of each. It's like producing a *new* and *better* type of tobacco—tobacco with greater mildness, more smoothness, much better taste.

Third, because the cigarette paper is selected with the same care. CHESTERFIELD paper is the purest, the best that money can buy. Then the cigarettes are made and packed by machinery in clean, sanitary factories. And the moisture-proof, attractive package—free from heavy inks or inky odor—comes to you just as if you passed the factory in the morning and took your CHESTERFIELDS from the machine.

Good . . . they've got to be good.
