SALLIES

Beauty specialists tell us that it is impossible to remove the lines and wrinkles from our faces, after they have once come. The secret of beauty culture seems to be prevention rather than cure. Even though you don't use four different kinds of creams and lotions daily, there is a way of avoiding that worn and haggard look. A classified ad can take away the worries if you can write one like this:
 "Partly furnished 4-room house with bath. Close in on Lincoln. Newly kalsomined and painted, \$15. Call at 340 N. 9th or 513 Lincoln."
 Mrs. Edmonds, 340 N. 9th, rented her property at a cost of 72c. The man who uses the classified ads can meet the tax collector with a smile. So if you're getting wrinkles over the rental problem, don't wait until you have to have your face lifted. Let a little ad lift the wrinkles instead of waiting for the surgeon's knife.
 Yours for RESULTS,
SALLY.
