

ACTIVITIES OF SCOUTS GIVEN AT MEET HERE

In giving his annual report at a meeting of adult scouts of the Klamath district, held in the Willard hotel Wednesday night, Scout Executive O. E. Hoover stated that during the past year scouts of the Crater Lake area assisted at the dedication of the new Rogue River bridge in Grants Pass, building of bins for the Community Chest warehouse, and distributed "clean-up" bulletins for the relief of unemployment. They are now helping in community work for Christmas, gathering toys and fruit and preparing baskets for distribution.

In April the patrol leaders and scribers' conference was held in Medford; field meetings were conducted in Klamath Falls and Medford; summer camp was highly successful, with many camp improvements made; court of honor was held in conjunction with the Camp-O-Hal in Klamath Falls; regional scout meeting was held in Eugene. Sixteen of the scouts assisted in directing and giving information during granger's convention in Medford, were other accomplishments included in Mr. Hoover's report.

The program was opened with flag salute by Fred Lewis, followed by grace by Rev. Joseph Ewing. The welcome address was given by W. E. Lamm, president of Crater Lake council, followed by introduction of members and guests present.

The financial report was given by J. A. Gordon, treasurer, who reported that the Boy Scouts' organization of this district is much better off financially now than at this time last year.

H. C. Groesbeck, chairman of the court of honor, gave emphasis to the fact that scouting activities merge play and valuable activities, with a very productive result.

W. E. Lamm, in giving his annual report, reviewed the year's activities. He reported the advance of scouting in Southern Oregon since the Crater Lake council was formed from the individual organizations of Grants Pass, Ashland, Lakeview and Klamath Falls.

Lamm spoke in behalf of scout committees. Jackson P. Kimball, Perry Murray, J. W. Scoggins, Merrill, George Cunningham and H. V. Joyaux, who were unable to attend.

Musical numbers were provided by the high school quartet, directed by Mrs. Madge Hampton. Members of this group are Greer Drew, Harry Jones, Bob Richards and Jimmy Morrison. Eagle Scout Lundquist played a harmonic solo.

Scout leaders present were W. E. Lamm, president; J. A. Gordon, treasurer; Bert Rohu, skipper, and Lawrence Bergman, first mate of Sea Scouts. Fred Ewing, publicity director; H. P. Borworth, camp committeeman; Geo. Walton and R. C. Groesbeck of the court of honor committee; Oscar Hoover, scout executive; Earl C. Reynolds, financial secretary; Huntington Taylor, guest; T. G. Cooper, Elmer Longmeir, Rev. T. Davis Preston, Paul T. Jackson, Rev. J. H. Lorenz, Joe Knudson, D. E. "The county court is pleased to cooperate with the state in lowering the items over which the county court has secured. County Judge Fred H. Goddard stated Thursday. He stated that the court saved \$54,919.52 in items of increased mandatory costs of \$11,000.

The court complimented County School Superintendent Fred Peterson for his budget of \$155,397.32 for county school purposes which the court states is only six per cent more than a year ago. The court stated that under state law Peterson could have budgeted and secured \$22,483 per capita which would have been about \$50,000 more than has been budgeted for the next school year.

was taken out of the jail and placed in two of the leading automobiles.

The caravan then proceeded through town to the edge of the town limits. Occupants of the leading car selected a telephone pole and the cars stopped.

Town aroused.

Ropes were tossed over either side of the cross arm and a group of men grasped the ends. Nooses were quickly fashioned and at a signal the group pulled Jackson and Banks up toward the cross arms.

At another signal dozens of the men produced guns and their grim work was completed. The shots aroused the town, but before the townspeople could get to the scene in any great numbers the trappers had driven away in their automobiles.

Flint, the jailer, refused to say whether he had recognized any of the men or automobiles, as did the few spectators.

WOMAN IS SLAIN WHILE IN BATH

WEST GRANGE, N. G. J., Dec. 10. (AP)—Mrs. Grace Guillian, a bride of six months, was shot dead in her bath last night.

The bullet, fired from a .22 calibre rifle, came out of the darkness, through a window pane and struck her in the back as she was preparing to draw water into the tub.

Her husband of six months, Joseph, who was downstairs reading, heard the scream. She was unconscious when he reached her side and was dead before she could be taken to a hospital.

The shot that killed her was not the first fired last night in the fashionable neighborhood in which the Guillians home stands. As the husband, seeking help, ran from the house, he came upon a group of policemen who were investigating the circumstances of a shot fired through a window at the nearby home of J. C. Dorn. The bullet shattered the glass, but did no other damage.

Tom Delsell, chairman of the finance committee for the celebration, reported that it has been decided to confine expenditures for gifts to small bags of candy for the children, devoting the bulk of funds available to purchase of food for the needy. The sum of \$34.50 was raised at the forum meeting to assist in providing candy for the children.

A violin quartet from the Sacred Heart academy, composed of Louise Hunter, Jessie Heider, Margaret Dyche and Virginia Houston, gave a number for the entertainment of the forum, and was followed by a violin solo by Louise Hunter.

A. M. Collier presided at the forum meeting.

MAGDA LUPESCU MAY BE QUEEN

By Associated Press

Talk of Magda Lupescu, King Carol's mistress, as possible future common queen of Rumania entered the dispute of the royal brothers at Bucharest today, and capital circles believed they saw indications that King Carol would not expel Prince Nicholas for the latter's recent marriage to a common bride.

Foreign diplomats arriving at Paris from Rumania reported Mrs. Lupescu had forsaken Judaism and become a Christian, with a view to qualifying herself to be queen.

At Bucharest Prince Nicholas was understood to have handed King Carol his renunciation of membership in the royal family, and that the document was a copy of Carol's renunciation, made under similar circumstances in 1925, when he was crown prince.
