I like to wrap Christmas presents, even if they happen to be um-brellas or lamp shades. Shining gold stars, fos-toons of gay red and green ribbons and fancy printed papers can make an alluring mystery out

of the most

The same principle applies to your ads. Mrs. Hob Sloan, 916 Lincoln, reuted her apartment with this ad:

"For Rent — Modern furnished duplex apartment, suitable for 4 paople, close in, wood and water furnished, at reduced price. Telephone 1541W or call at 914 Lincoln."

In other words, if you can make your ad look attractive, you'll get results. Describe your house well enough to really arouse some interest. Dress your ad up a little and you'll get the same reaction of eager curlosity and pleasurable anticipation we all feel for Christmas presents.

Yours for RESULTS.

SALLY.
