

Troy Wins National Title by Beating Tulane

SOUTHERNERS TURNED BACK, SCORE 21-12

By GEORGE H. BEALE
ROSE BOWL, PASADENA, Jan. 2 (UP)—The Trojans of Southern California won the national football championship here today by defeating Tulane 21 to 12, in as thrilling a game as the history of the Tournament of Roses, New Year's competition has known.

The westerners took an early lead, their power plays driving them to three touchdowns before Tulane had so much as threatened. Tulane, showing the fight for which southern teams are noted, came back, however, to turn the game into a real battle.

Score in Second
 Southern California scored once in the second quarter and twice in the third while Tulane counted first near the end of the third quarter and again in the final.

Individual honors went to Ernie Pinckert of Southern California and Harry Glover of Tulane.

Pinckert contributed two of his team's touchdowns. He recovered loose balls and he caught men from behind to save the Southern California goal line. Glover turned in two scintillating runs and was a hard driving back throughout the game. He

scored the second touchdown for the Green Wave.

As had been expected, Southern California worked out on Capt. Jerry Dalrymple, all-American end from Tulane. All season Southern California has made it tough on the most prominent linemen opposing it and Dalrymple was selected today.

Pinckert's two dashes to scores were over Dalrymple's position and the first Southern California touchdown resulted from a 23-yard run by Shaver over Dalrymple that put the ball on the 4-yard line.

Except for the times when Dalrymple was mowed completely out of the play, he looked pretty good. It was his head-up football that permitted him to pick a half blocked pass out of the air and pave the way for Tulane's second score.

Vernon Payne, playing the end opposite Dalrymple, and Ledlidge, the center were standouts in the line for Tulane. Zimmerman and Felts looked pretty fair in the backfield.

Pinckert's running mate, Shaver, all-American quarter, was a big ground gainer for the Trojans and the play of Arbelbide, Baker and Sparling sparkled in the line.

Bitter Fight
 The first period was bitterly fought, but scoreless. Tulane really had a ground gaining advantage, turning in three first downs to Southern California's one, but this was minimized when quick kicks took Zimmerman, Tulane's safety, by surprise on two occasions and rolled far over his head.

Southern California was sending many of its plays toward the left side of the line and directly at Dalrymple, an unusual procedure, since most of its power plays ordinarily run to the right.

Both teams played cautiously during this period and it ended when the second quick kick, this one by Orville Mohler, went over Zimmerman's head and rolled to the Tulane 5-yard line. On the first play of the second quarter, Glover, the small half, ran inside his own left end, broke into the clear and started down the field. Mohler was the only man between him and a touchdown. Mohler failed to stop him but succeeded in breaking Glover's stride so that Pinckert caught him on the Southern California 37-yard line. The run was good for 55 yards.

The Trojans got down to real work after this, and Zimmerman and Glover were thrown successively for eight-yard losses. Tulane then kicked to Mohler who came back 25 yards to his own 35-yard line to start the drive that gave Southern California its first score.

Mohler passed to Shaver for

seven yards and then ran his own right end to a first down in midfield. Shaver passed to Clark for a 23-yard gain. Shaver ran his own left end for 22 yards and a first down on the 4-yard line. The play was directly over Dalrymple and he was off his feet. From here Sparling went around his own right end to score. Baker kicked goal. In this drive down the field the Trojans made 65 yards in five plays.

Continuing Mohler's run back of the punt they gained 80 yards in six plays.

The third quarter was only a few minutes old when the Southern California power plays started working again. Starting from their own 40-yard line, the Trojans, with Shaver doing most of the running, went quickly to the Tulane 10-yard line.

Pinckert Goes Over
 There Pinckert took the ball on a reverse and went straight over the spot where Dalrymple should have been and on to a touchdown. Malloy was the man who took Dalrymple out.

Baker kicked the goal and U. S. C. was leading 14 to 0.

Southern California kicked off to Tulane and Zimmerman fumbled when he was tackled on his own 28-yard line. Pinckert recovered for U. S. C. two plays later, on the same reverse on which he previously scored. Pinckert went across from the 23-yard line. Dalrymple again was on the ground.

Tulane in Position
 Glover's second long run put Tulane in position for its first score. Tulane was on its own 47-yard line when Glover took the ball on a reverse and ran 35 yards to the 15-yard line. His interference was beautiful on this play and with his own shifty running it looked as if he was away. Pinckert, however, bobbed up to drag him down from behind.

Unable to gain through the line, Tulane went to the air. Zimmerman passed directly over the center of the line to Payne who fell across as he caught the ball. Zimmerman's attempt to place kick the point was blocked.

Bobble Costly
 A fumble by Mohler and brilliant following of the ball by Dalrymple gave Tulane its second score. Mohler's bobble was recovered by Dalrymple on the U. S. C. 35-yard line. Zimmerman and Payne carried the ball to the 20-yard line. There Zimmerman's attempted pass was partly blocked by Trojan backs but Dalrymple, for whom the pass was not intended, grabbed the ball before it fell and carried it to the 4-yard line. Glover ran his own left end to the goal line. An attempted pass for the extra point was knocked down and there was no further scoring.

HAWAII TURNED BACK BY TEAM OKLAHOMANS

HONOLULU, T. H., Jan. 2. (UP)—The University of Oklahoma football team, with a superior offensive and a defense that turned back threats of the University of Hawaii time and again, won the intercollegiate game here Friday by a score of 7 to 0.

In the third quarter Massad passed to Cherry for a net gain of 59 yards and Cherry was forced out of bounds on the one-foot line. On the next play Massad plunged over for a touchdown.

Hawaii Threatens
 Oklahoma was not able to get inside the Rainbows 15-yard line during the first half.

After the visitors had scored, Hawaii threatened twice. The Rainbows recovered a blocked punt on their opponents' 10-yard line and immediately thereafter a penalty gave them the ball on the 4-yard mark, but they could not reach the goal line. Oklahoma punted out and Hawaii came back strong until it reached the 14-yard line, where it was again held for downs.

Try Passes
 Near the end of the game Hawaii tried many wild passes unsuccessfully.

Young, the Oklahoma center, played a brilliant defensive game, while Massad starred as a ball carrier.

Hawaii gained 123 yards and seven first downs from running plays compared to 126 yards and eight first downs by Oklahoma. Hawaii tried 13 passes and completed four for a gain of 21 yards, and Oklahoma gained 98 yards on four passes completed out of 17 attempted.

The University of Hawaii had been favored to win by one touchdown.

Jackson suffered the dislocation of a vertebrae and was easy for the final fall in one minute, five seconds.

Les Perkins, Flint, Mich., defeated Jack Sampson, Fresno, in two straight falls.

EX-OREGON PLAYER INJURED IN FALL

SAN FRANCISCO, Jan. 2. (UP)—Ralph Bates, former University of Oregon football star, probably will recover from injuries received when he fell from a fourth story window during a New Year's party here early Friday. It was said at St. Mary's hospital tonight.

Bates, who has been playing on the Olympic club football team this year, was treated at an emergency hospital for cuts and bruises before he was taken to St. Mary's. Physicians said they did not believe any bones had been broken, although X-rays have not been employed yet.

Friends of Bates explained that he was near-sighted and misjudged the height of the window pane through which he plunged.

EASTERN TEAM DEFEATS WEST PLAYERS, 6-0

By ALANSON W. EDWARDS
 SAN FRANCISCO, Jan. 2. (UP)—Fighting through a drizzling downpour, the all-Eastern football combination turned back the pick of the western gridiron, 6 to 0, in the seventh annual New Year's day classic here Friday afternoon.

Jim Purvis of Purdue scored the East's third victory over the West by making the lone touchdown of the game late in the opening period. Bill Morton of Dartmouth, whose kicking was a feature of the contest, failed to convert.

Driving Rain
 A driving rain that began in the second quarter sent the crowd scattering and robbed the game of brilliance. It was fortunate for the heavy eastern team, whose forwards opened holes in the lighter west players almost at will.

If there was a single star in the long drawn battle of line plunges and punting it was Clark Hinkle of Bucknell, whose slabs through tackle were a revelation in driving power. Bill Morton of Dartmouth, Pete Somers of Minnesota and Bob Russell of Northwestern shared eastern honors with Hinkle.

Hufford Stars
 Merle Hufford, shifty Washington back, was the mainstay of the West, saving his squad many times in superior punting.

After see-saw playing in the second and third quarters, the East found its stride in the final period and twice threatened from the 2-yard line. But the Western forwards, outplayed in center field, stiffened at the crucial moments and both times the East lost on downs.

The single touchdown resulted from Morton's kicking. His toe work outclassed that of Weldon Mason, Southern Methodist star, and after several exchanges the easterners found themselves on the western 24-yard line. Russell and Jim McEver of Tennessee made first down and Purvis dove through tackle to the 5-yard line, and then to the 2-yard line. Russell was stopped but on the next play Frank Hoffman of

ROSENBLIOM OUTPOINTED BY OPPONENT

MILWAUKEE, Wis., Jan. 2. (UP)—Dave Mater, Milwaukee light-heavyweight, decisively outpointed Maxie Rosenbloom, claimant of the light heavyweight championship in a 10 round bout Friday.

The bout was above the recognized poundage for the division and as a consequence no title claims were at stake. Rosenbloom appeared dead on his feet and won only two rounds. Mater took six and two were even.

To many around the ringside it appeared that Rosenbloom was paying the toll for his repeated disregard of training rules.

Rosenbloom scaled 181 pounds and Mater 174 1/2.

In the semi-windup Freddy Tompkins, Milwaukee, 133 3-4, fought a six round draw with Frank Haverlack, New York, 133 1-4.

JAFFEY WINS ICE TITLE FOR N. Y.

NEWBURG, N. Y., Jan. 2. (UP)—Irving Jaffey of New York City won the middle Atlantic speed skating championship and the Donahue Memorial trophy as a damp snow almost smothered the six lap track on Chadwick Lake Friday.

Elsie Muller and Lillian Corke, both of the New York ice club split points in the final 250 yard ladies race when they collapsed after skating a dead heat. The split took the championship from Miss Corke and gave it to Miss Muller, also a former champion.

The heavy track of the late afternoon did not interfere with good racing time, however. Lloyd Gunther of Detroit fell short of equalling the world's 230 sprint record by one-fifth of a second, hitting the tape in 15.3 as Allan Potts, last year's champion fell near the finish.

Bob Kruse Beats Howard Cantonwine

VANCOUVER, B. C., Jan. 2. (AP)—Bob Kruse, 198, Portland, took two out of three falls to defeat Howard Cantonwine, 215, Iowa, in the main event of the New Year's wrestling card here.
