RIDE CONTROL, RUBBER CUSHIONING AND LONGER WHEELBASE GIVE PONTIAC RIDING COMFORT

With Ride Control—the newest development—you adjust shock absorber action to rough or smooth roads, by touching a button on the dash. Then, there is rubber cushioning at 47 chassis points—a remarkably complete system which insulates the motor and other mechanical units from the frame, and the frame from the body. The long wheelbase assures road-steadiness, and the enclosed, self-lubricating springs further promote easy riding.
