"Arrest that smoker's cough, Officer"

"STOP" was the word
But one tough bird
Drove on. The cop began to bristle
At being scoffed . . .
But then, he coughed
And coughed . . . and couldn't
blow his whistle.

A fellow cop
Said, "Smatter pop?
The fags you smoke have caused
that yappin'
Your throat went stiff.
I tell you, if
You smoked OLD GOLDS,
that wouldn't happen!"

"OLD GOLD'S my choice.
They save my voice,
Take irritations, large and small, out!
So when some 'gyp'
Becomes too flip,
A cough don't interrupt my bawl-out!"

SMOKE PURE-TOBACCO OLD GOLDS
[No "artificial flavors" to scratch the throat or taint the breath . . . Not a cough in a carload!]
