Two Russians Held by Immigration Men

SEATTLE, Jan. 25. (AP)—Two noted Russian scientists were detained at the Seattle immigration station today as an aftermath of their survival of hardships of an ill-fated Russian scientific expedition.

The two scientists, Dr. George Nolde and Prof. Ivan Borozov, said they never intended to come to the United States, but they were picked up by an Alaskan vessel after their own craft was wrecked at Anadyr, in Alaska.

Funeral services for the late Mary Turner Jackson, beloved wife of the Rev. William Turner Jackson of Sprague River, who passed away at the Agency Sunday evening, January 21, 1934, following a short illness, will be held Friday afternoon at 1:00 o'clock, January 26, 1934, from the Sprague River church, with interment in the Chief Seconch cemetery. The Rev. B. Bradsby will conduct the services. The body will be removed to the Sprague River church Thursday morning at 8 o'clock, where it will lie in state until the services Friday afternoon. The Klamath Funeral Home, 925 High street, between Ninth and tenth will be in charge of the services.

National, Local Markets

NEW ADVANCES RECORDED ON BUTTER MART

PORTLAND, Jan. 25. (AP)—Further advance in the price on butter was forced during the late session of the produce exchange, with the California situation somewhat improved. The market appeared firm despite the liberal increase in offerings from out-state points as well as increased in local churning reported by the department of agriculture. Figures of the latter appear somewhat confusing to the trade, as one day there is an acute shortage indicated and the next day the supply is far in excess.

The exchange there was a general advance in the price on cubes, firsts alone being unchanged. The advance in butterfat was 1c, and suggested that the market on butter was in good shape. Egg market prices were unchanged for the day insofar as open quotations were concerned, but most sales were conforming to the established figures. Trading was not at all brisk, despite reports.

All poultry was now in good call along the wholesale way with prices well held at practically last week's figures. Erratic changes on the produce exchange were not being followed generally.

Still further strengthening of the cheese price was shown here, with former burdensome supplies of lesser known brands getting scarce and prices slightly better. Tillamook did not show the former declines, therefore was no advancing.

Market on potatoes, while extremely firm at recent high marks at the source, was inclined to show more or less pause because of the filled-up condition of the Southern California trade, which had recently done heavy buying in Central Washington and Oregon.

Chicago Livestock

CHICAGO, Jan. 25. (AP)—U. S. D. A.—Hogs, receipts 45,000; market slow to lower, 170 to 210 lbs., \$3.40 to \$3.50; top, \$3.50; lows, \$2.60 to \$2.90.

Cattle, receipts, 8,000; market for yearlings and light steers steady. Best yearlings, \$6.85; best heifers, \$6.00; market steady to weak, mostly steady, \$5.50 to \$7.00; weighty steers, \$4.00 to \$5.00; stockers very scarce.

Sheep, receipts, 15,000; market for fat lambs slow; buyers and sellers still far apart, but general undertone steady to stronger, and sellers asking higher; best heavy and medium weight lambs held above \$9.25; sheep firm, fat ewes, \$2.40 to \$4.25; feeding lambs practically absent.

"Happy Birthday, Mr. President"

THESE CHILD PATIENTS AT WARM SPRINGS CAN HARDLY WAIT FOR JAN. 30

Virtually every community in the nation is giving a gala Birthday Ball next Tuesday evening to honor the President and to create an endowment fund for the national work of Warm Springs Foundation for Infantile Paralysis, but nowhere in the land will there be a happier Presidential Birthday Party than at Warm Springs. There Mr. Roosevelt is more than the President of the United States; he is the philanthropist and friend whose efforts have done so much to provide proper treatment for victims of childhood's most dreaded disease, and he is the President of Warm Springs Foundation, the only personal or outside interest retained by him when he entered the White House. So, knowing Mr. Roosevelt and his interest in their welfare these child patients mean it when they say, "Happy Birthday, Mr. President." The Klamath Falls event will be held at the Exhibit Building.
