Wrestling Code Announced From N. Y. Commission

NEW YORK, Jan. 27. (AP)—Wrestling will operate under a new code in New York state henceforth, under a brand new set of regulations designed to eliminate some of the admitted evils of the grunt-and-groan industry.

Chief items in the new code: As before, wrestling matches still are regarded as exhibitions but any bout may be labelled a "contest" if the New York state athletic commission gives special permission.

All wrestlers must be paid by check, with a minimum of \$10 per match. Promoters must keep books, open to commission scrutiny at all times.

All wrestlers must wear shoes. Scratching, striking, gouging, butting, strangling, Joe St. Volld's special, the "drop kick," and the deliberate teasing of an opponent out of the ring, all are fouls and wrestlers who commit them may have their licenses revoked.

Promoters or match-makers are forbidden to act as managers. Promoters are forbidden to discriminate against any grappler.

Bouts may be extended beyond the 11 p. m. time limit if the inspector assigned to all shows gives permission. Since wrestling here is on an exhibition basis, the commission pointed out, the question of honesty of effort was not an issue.
