National and Local Markets

# Monday PORTLAND, March 5. (AP)-PORTLAND, March 5. (AP)— Strength of the cheese trade position was suggested by the latest advance in the Wisconsin sector. Everywhere in the country there was suggestion of general betterment in the trade, prices being firm to higher with the movement inclined to increase all along the line. While there was no further change reported in the local trade and Tillamook was unchanged, there was every suggestion of strength in the trade with the possible exception of a few spots. Receipts of butterfat from the eastern Oregon section were the smallest in years for this period
