## BEARS TROUNCE HUSKY RUNNERS

### California Takes Dual Event in Washington Pavilion.

SEATTLE, March 31, (AP)—The University of Washington Huskies today faced the northern division, Pacific coast conference, track season with a serious problem on their hands, after a bad trouncing here last night by the Golden Bears of California. The Bears won the dual indoor meet, 7 1/2 points to 5 1/2.

They also saw more of their university pavilion all-time records for by alien hands, after the Bears had finished up their smashing evening performance. For the 15 events, California now holds six records, Stanford three, the two southern teams held a record jointly, and Washington has only five records inscribed after Husky names.

Kiesel Sets Mark Showing their convincing superiority, the Californians broke no less than four pavilion records last night and equalled another. They also won 10 first places, seven seconds and five and a half thirds in the 15 events. They showed the same strength that they did a week ago in trouncing U. C. L. A. in the south.

The record-breaking performances last night: "Bullet Bob" Kiesel, 7.5 seconds for the 75-yard dash, breaking the former mark of 7.6, set by Hec Dyer, Stanford, in 1931 and equalled by Kiesel in 1932.

Robert Fowler, 17-year-old running machine, 9:39.5 for the two miles. Old mark 9:44.6, made by Newton Harrell, Washington, in 1932.

High Jump Bettered Robert Carter, 2.25, 3-4 inches for the broad jump. Old mark 23 feet, made by Whiting, Washington, in 1930.

Hugh Thompson, six feet, 2 1/4 inches in the high jump. Old mark six feet 1 inch, made by Dunn, Washington, 1931.

In addition, Kenneth Vantress, also winner of third place in the discus throw, tied the pole vault record of 13 feet, 8 inches, which has stood since Edmunds, of Stanford, set it in 1929.

Negley England, husky football man, Carl Franz, Washington, and Dave Meek, California weight star, were tied for individual points, each scoring eight.

Huskies Lack Power Prusan had a first in the low hurdles and a second in the high jump.

The three other Washington first place winners were Elizabeth in the mile run; Frank Gale in the 440-yard dash; and Plumb, in the 220-yard sprint.

With no such outstanding performers as in years past, Washington faces the northern division race with poorer chances of maintaining the records of previous seasons.

## World Wheat Price Control Bill Proposed

LONDON, March 31, (U.P.)—A world-wide project to fix wheat and flour prices, was contained in a confidential report delivered by a subcommittee Friday to the international wheat advisory committee.

The report, to which the United Press was given exclusive access, also suggested an international plan for control of minimum prices and wheat and flour exports as one means of solving the present world wheat surplus problem and restore to the farmer a reasonable margin of profit on his crops.

Scale Proposed The project was expected to be the major consideration before the world wheat conference scheduled to open in Rome on April 5.

It envisages a scheme whereby a small body of grain sellers and buyers will be named to draw up a tentative scale of prices tending to assure fair distribution among exporting countries of the total demand among the importers.

In order to prevent evasion of the proposed agreement, it is suggested that the importing countries require wheat and flour importers to sign a declaration they have not purchased their supplies below the prices to be established as the absolute minimums.

Four alternative plans are offered to these ends, one rigid and the other three elastic.

## AMERICAN LOOP POWER SHIFTS

### Great Changes Brought in Junior Circuit by Philadelphia.

(The accompanying review of the American league pennant prospects is the last of an Associated Press series of baseball stories, based on first-hand study of the clubs.)

By Alan Gould (Associated Press Sports Editor) NEW YORK, March 31, (AP)—Despite the wholesale dispersal conducted by Mr. Cornelius McGillicuddy, serving the combined purpose of pulling his own athletics out of the red and three others out of the ruck, the balance of power in the American league remains in the east.

The entire circuit is feeling the effects of perhaps the biggest player shakeup in its history, all calculated to reduce the yawning gap between the first two or three clubs and the rest of the league, but the chief question remains: who is going to stop the champion Senators or the powerful Yankees?

A's Not Favored For the first time in nearly a decade, the Athletics are not by any stretch of imagination a pennant factor, for the simple reason that no amount of slugging by Jimmie Foxx & Co. will offset the absence of a major league pitching staff.

Ex-Mackmen have furnished the foundation for the reconstruction of the Boston Red Sox, the Chicago White Sox and Detroit Tigers but it remains to be seen just how serious a championship challenger any one of these outfits will become.

The pitching of Grove and Walberg, the right arm of Earnshaw and the slugging of Al Simmons, as well as the spectacular backstopping of Mickey Cochrane all are factors calculated to improve the performances of any club but, in such scattered array, they do not come under the heading of pennant insurance. All of them combined could not stop one rollicking rival, Pepper Martin, in the world series of 1931.

Senators Loom Strongly Granting the league's better balance as a whole, with no club in the push-over category, the fact remains that the Senators have the same outfit that topped the 1933 standing by seven full games and the runner-up New York Yankees look vastly improved, in personnel as well as morale. The champions have the balance and pitching, providing Whithill and Crowder can continue their 1933 form. The Yankees have more drive and sustained power, a revamped infield and they hope, the assurance of pitching comebackers by Red Ruffing and Danny MacFayden.

If New York's pitching is only 75 per cent as effective as that of Washington, the preponderance of batting power in the war clubs of Gehrig, Ruth, Lazzeri, Chapman, Dickey and the sensational new shortstop, Red Rolfe, figures to give the Yankees at least an even chance of over-

## Headed Goalward Full Tilt

With all the dash of veteran mallet swingers, college men are taking to polo all over the United States. Here are two members of the University of Southern California team in a stirring bit of action—Bruce Aitken, No. 3 man of the Trojans, is riding off Al Franklin, back, and taking a drive at the ball.

throwing the champions. Ruth gives every indication of making his farewell year of duty something to remember him by.

Goose Goslin Replaced Washington's only major change in the team that was outplayed by the Giants in the world series is the replacement of Goose Goslin by Jonathan Stone in right field. The Senators have a prospective star in Cecil Travis, now understudying the veteran Ossie Bluege at third.

Cleveland's pitching staff alone, one of the best in either league, entitles the Indians to joint consideration with the Tigers and Red Sox in figuring the other first division contenders. Hildebrand, Pearson, Hudlin, Lloyd Brown and Harder give Cleveland an extraordinary staff, apart from whatever help they may get from their erstwhile pitching ace, Wesley Ferrell. The Indians will present a youthful and somewhat inexperienced infield but their big hitters, Averill, Vosmik and Porter, will enjoy the benefit of firing at the short fences of their old stamping grounds.

Detroit Now Contender of the Tigers, coupled with the handling of a first-rate curving corps, lifts Detroit to the status of a contender for the first time in years but the club has weakness in the infield and none too much batting punch.

The rejuvenated Red Sox depend on their expensive pitching reinforcements, with Grover, defense and doubtful hitting. Five southpaws and three ex-Yankee right-handers, Rhodes, Pipgras and Johnson, may lift the club out of the second division.

The White Sox are distinctly a "dark horse," for the reason that no one can predict what may develop from such pitching arms as those of Earnshaw, Ted Lyons and Sam Jones. If all three stage comebacks, the Chicago club will be a distinct factor, fortified as it appears by the bats of Simmons, Haas, Dykes and a slugging newcomer, Zeke Bonura, at first base.

This leaves Rogers Hornsby's Browns, with only a few grade A players aside from a good pitching staff, and Connie Mack's Athletics, well equipped everywhere except in the box, to fight it out in the lower regions. If they could combine forces, they might go places, but as it stands now, it will take some pitching legdom by Mr. Mack and all of Hornsby's resources of leadership to lift either club above seventh place.

## Airplanes Crash 14,000 Feet Over San Diego City

SAN DIEGO, March 31, (U.P.)—Two service aviators miraculously escaped death Friday when their planes collided at an altitude of 14,000 feet over the city. When the ships crashed, Ensign Warren Corlies, U. S. N., took his parachute and landed in San Diego bay. Staff Sergeant William L. Woodruff of the marine corps, piloting the second plane, was able to land it safely at North Island with a damaged upper wing.

Ensign Corlies' plane crashed into the bay and was demolished. The pilot was picked up by a patrol boat.

The fliers were engaged in camera gun practice. They were almost out of sight from the ground when the accident occurred.

## Detroit Team Wins National League Title

DETROIT, March 31 (AP)—Detroit's Redwings, boasting their first national league hockey championship as a result of a 1 to 0 victory over the Toronto Maple Leafs, prepared today to enter the Stanley cup matches here next week.

If the Chicago Blackhawks beat Montreal Sunday night in their end of the national hockey league series it will throw the Wings and the Blackhawks together for the highest prize in professional hockey.

Throwing off the erratic form that impeded them in their two previous games with the Leafs, Detroit made good on its famous power play last night for the goal they needed to win the five game series.

Ebbie Goodfellow's goal shot, scored as Joe Primeau of the Leafs was doing time in the penalty box, came after Capt. Horbie Lewis had maneuvered the puck into the scoring zone, and passed it to Johnny Correll, who in turn laid it in front of Goodfellow's stick for the shot that decided the game. George Hainsworth, the Leafs' goalie, was beaten cleanly on the shot.

## Husky Swimmer Breaks Record At Nationals

COLUMBUS, Ohio, March 31, (U.P.)—A two year old record went into discard Friday as stocky curly headed Jack Medina of University of Washington won the 1500 meter free-style event in the 11th annual NCAA swimming championships at the natatorium.

Medina led the crack field from the start. His time was 19 minutes, 22.1 seconds. The former mark was 20 minutes, 2.2 seconds, made by Austin Clapp of Stanford in 1932.

For a while Medina was given a close race by Jim Crisley, Michigan's ace, but the Washington athlete had gained two laps on Crisley at the finish. J. Stevens of navy finished third, and T. Robertson of Michigan fourth.

## KONG DEFEATS RUSSIAN LION

### Karasick Out-Wrestles Rival But Loses Main Event

Al Karasick, looking pretty small against his over-stuffed opponent, went down to his second defeat in more than a year last night in the Legion hall main event against Ted Cox, the "King Kong" of wrestling.

Karasick, although outweighed by nearly 30 pounds, outwrestled the giant from Lodi, Cal., but lost through his own bad judgment.

Lion Forgets Defense The Russian Lion had squared the match after losing the first fall and then was lumbled in the deciding fall with a body press. He was attacked as he attempted to remove Ray Frisbie, referee, from the ring. Cox took advantage of the Lion's lack of defense and rushed him to the floor.

Kong followed up a series of well-timed punches to take the first fall in 10 minutes and 35 seconds with a body press. The match was evened after the rest period when Karasick, thoroughly angered by his early downfall, tossed the mountainous Californian with a headlock in 3 minutes and 55 seconds.

Karasick, for once, was a decided favorite with the big and noisy audience. Despite his lack of weight he managed to hold his own and administer considerable damage to ruffian Cox.

Cox loses Favor Cox lost all favor with the audience when he deliberately spat on the ringside spectators. More than one irate gentleman was ready to climb into the arena for an unscheduled battle with the impudent giant.

Frisbie was the real hero of the event. He lost his sweater and his undershirt, but succeeded in enforcing some measure of the rules.

Thy, Hansen Draw Ted Thy of Portland and Charley Hansen of Seattle wrestled outstandingly to a draw in the semi-windup. Neither athlete was able to take a fall, but the event was closely contested and well-wrestled through the 45-minute period.

It was clean and fast. Both men were proficient with toe holds. Thy used the wristlock effectively and Hansen wore down his opponent with headlocks.

Angry Paul Jones of Texas was upset by Clevel. Tommy Thompson of St. Louis in the curtain-raiser. Thompson won the single fall in 11 minutes and 33 seconds with a body press.

Jones, completely outclassed, stamped and stormed around the ring and attempted to continue the fight with both Thompson and the referee. Frisbie, however, put an end to his temper by sending him to the floor with an accurately directed right foot.

## Three Schools Win in Relays At Portland

PORTLAND, Ore., March 31 (AP)—Three schools were winners in the annual Hill military academy indoor relay carnival last night, due to addition of events for two college groups.

Milwaukee high outdistanced the high school group, scoring 13 points compared to 11 for Washington and 8 for Benson. University of Oregon won the medley relay in a special dual event with Oregon State college.

The time of 3:30.2 set by Shumko, Bowerman, Burr and Scharff will stand as a record for at least a year because it was the first inclusion of the event in the Hill carnival.

The northwest collegiate mile medley, a new special event for several northwest conference schools, was won by Pacific university. College of Puget Sound was second and Albany college third. Fosati, Bruce, Marcum and Main ran the mile in 4:11.5 for another inaugurating record.

The one high school mark to fall was the shotput relay, D. Gilmore, McKenzie, Turner and Benson of Grant high, gave the 12-pound pellet four tosses that totaled 169 feet, 11 1/2 inches.

Other high school scoring points were Grant 7, Beaside 3, Franklin 4, Centralia 3 and Hill, St. Helens and Heaverton each one point.

"I hope to marry again as soon as I meet the girl I really love," he continued. Max made no reference to his first wife, Dorothy Dunbar Baer, from whom he is divorced.

Baer is known for his attractions towards the feminine sex. He claims the title "great lover" for his prowess.

He was reported in a Butte hospital with torn muscles and ligaments in his back, caused when he was thrown from the automobile.
