

TREE TROOPERS HONOR CITIZENS

ALTURAS, Calif.—Approximately 75 people from this city, mainly members of the local Rotary club and their friends, were guests Tuesday night of the 277th Company, CCC at their Hackamore Camp. The affair, staged under the supervision of Capt. W. C. Maury, commanding officer, and his staff was an expression of the good feeling which has existed between the Hackamore Camp and the people of this city since its establishment almost a year ago.

The Hackamore Camp, which has established a record of accomplishment and conduct as outstanding in the Redding district, is located among the pine trees in the western part of the Modoc national forest and is manned partly by boys from local points and partly by youths from the bay region.

RICHARD DIX and MADGE EVANS in "DAY OF RECKONING"

"Thrill them by ear." The basic rule for creating drama on the radio for millions of listeners has been adapted for use in talking pictures by Charles Brabin, who recently directed "Day of Reckoning," prison drama starring Richard Dix, and currently showing at the Vox theatre, ending Saturday night.

The new picture is based on a startling revelation of the family hardships caused when a man is sent to prison. Madge Evans, Conway Tourle, Una Merkel and Stuart Erwin have prominent roles.

AT THE PELICAN.

With women constantly enlarging their sphere in life, the question of whether or not a career other than that of wife and mother is compatible with feminine happiness is often a subject for controversy.

This question is said to be treated fearlessly and frankly in "Ann Vickers," latest and most sensational of Sinclair Lewis' best selling novels, the screen version of which is now playing at the Pelican. "Ann Vickers" has aroused discussion as few works of fiction ever have. Irene Dunne and Walter Huston are co-stars.
