

FARMERS WELCOME GOVERNMENT HELP

R. H. Dunbar, secretary-treasurer of the Klamath Falls national farm loan association of Klamath and Lake counties, recently received word from the governor of the farm credit administration, William I. Myers, telling him of the ready reception which farmers and their creditors are giving to the bonds of the federal farm mortgage corporation which are now being tendered by the federal land bank of Spokane, Wash., in place of cash settlement of farmers' debts.

"These bonds have been selling in the large markets at a little above par, indicating a ready market for them. Just a week after the banks began using bonds instead of cash, the first bonds to be sold on the New York markets were purchased at 100 1/2. We anticipated these

bonds, which bear 3 1/2 per cent interest per annum, would sell at par or above at the time we set the interest rate, for government bonds maturing in 1941, bearing the same rate were selling above par."

Myers pointed out that these bonds were not only exempt from local, state and federal taxation with the exception of surtaxes, inheritance and gift taxes, but that they are as readily salable as government securities. He said they are being quoted in the metropolitan papers, but if such quotations are not available readily to farmers that they will be given the quotations if they will write to the federal land bank of their district.

SCOUT QUARTERS ADDED TO CHURCH

A Girl Scout cabin has been added to the property of the Community Congregational church through the generosity of the Chilcote & Smith real estate firm. This little house was formerly located on Wantland avenue, and was moved to the church lot through the kindness of R. B. Hadley, house mover.

This building is 12 feet by 24, fitted with the conveniences for heating, lighting and kitchen service. It has been placed back of the church and parsonage, opening on to the outdoor fireplace and council circle. The Girl Scout troop will get to work right away under the supervision of their leaders, Mrs. Elmer Mitchell and Mrs. T. Davis Preston, to paint and paper and furnish

the house. The landscaping of the church grounds is being furthered this spring, additional trees have been set out and flower beds planted. The new lawn, planted last year, is in fine shape, according to Rev. T. Davis Preston, minister of the church, and will be used to the fullest extent this summer for parties, croquet and archery. In addition to the full use of the outdoor fire place. This new scout building completes an equipment of five buildings on this fine corner location in the Mills addition, and makes one of the most useful and attractive church properties in the city.

MINISTERS ATTEND PRESBYTERY MEET

The Presbytery of southwest Oregon opened on scheduled time, 7:30 Wednesday evening, with nearly a full quota of ministers and many elders. During the opening exercises Mrs. Madge Hampton presided at the organ and a male quartet consisting of G. A. Myers, A. M. Collier, Myron Shannon and Dr. H. M. Brown, sang "Jesus, Lover of My Soul."

Dr. D. T. Robertson, retiring moderator, delivered an illuminating and inspiring address on "Without a Vision the People Would Perish." Following this the Presbytery was constituted and nominations for moderators were made, resulting in a contest between Dr. J. K. Howard of Glendale and Rev. J. M. Johnson of Central Point. The latter was elected and took charge of the meeting for the ensuing year.

Thursday's session opens with devotionals at 8:30 by Rev. Thomas Robinson of Oakland. Business will then occupy the morning, closing with communion service at 11:30 with Rev. Engvald Iverson in charge, assisted by Rev. J. S. Smith of Rutte Falls, and Rev. H. L. Weir of Malin. During the morning Evangelist Walter Duff, Jr., will be presented for licensure as an evangelist under the Presbyterian denomination.

The luncheon was served at the First Methodist church at 12:15 with nearly a hundred in attendance. The Rev. A. Theodore Smith was the toast master. The afternoon devotionals at 1:30 were led by Elder W. M. Wright of Ashland. Commissioners to the general assembly were elected and reports of permanent committees heard.

At 6:30 the banquet is to be held at the Methodist church with Miss Helen Swartz in charge, assisted by Walter Duff, Jr., as song leader.

In the evening the entire meeting is to be in charge of the women with Miss Donaldina Cameron, Chinese rescue worker the principal speaker. The public is cordially invited to attend any or all sessions.

WEATHER

The Cyclo-Stormograph at Underwood's Pharmacy has registered but little change in barometric conditions during the last 24 hours except that the reading is slightly higher than that of Wednesday. A continuation of pleasant weather with temperatures about the same, is probable.

The Tycoos recording thermometer registers maximum and minimum temperatures today as follows:

High, 80; low, 42.

Forecast for next 24 hours: Fair with moderate temperatures.

The United States weather bureau reports no precipitation for the 24-hour period ending Wednesday at 5 p. m.; 6.92 for the season to date; 9.41 normal; 5.75 last year.

LONERGAN VISITS KLAMATH THURSDAY

Frank Lonergan, candidate for the republican nomination for governor, was here Thursday as a member of the grand lodge party of the Elks.

The Portland candidate was on fraternal business, but he took time out for a discussion of the political situation with friends here.

"Things are looking good," said Lonergan. "Of course, I'm not fooling myself. This is a race, but I am in it and am making progress."

The Portland candidate has seen much service in the legislature. He said he expected to be back here as a political campaigner, probably around the first of May.

Dean Jewell Will Address Graduates

Dean G. R. Jewell, director of secondary education for Oregon, will again speak at the commencement exercises which are to be held at the Pelican theatre May 25, according to Paul T. Jackson, principal of Klamath high school.

This will be Jewell's second talk to the graduation class of Klamath high school. He will talk on a subject of his own selection.
