

PRESBYTERY MEET COMES TO CLOSE

After a most happy and harmonious meeting the Presbytery of Southwest Oregon closed its sessions at the First Presbyterian church Thursday evening, although business had been originally scheduled for Friday morning. However, the new moderator, Rev. J. M. Johnson of Central Point, with the assistance of the Presbytery so expedited all matters of consideration so that the docket was cleared ahead of time.

The stated clerk, Rev. J. W. Angell of Gold Beach, had been unable to attend on account of sickness, so Rev. S. H. Jewell of Merrill was elected to fill his place temporarily. Rev. H. L. Weir of Malin was elected temporary clerk, Rev. H. W. Wood of Reedsport assistant temporary clerk, and Rev. Theodore Smith, reporting clerk.

During the morning session, under recommendation of the committee on Christian education, Rev. K. Howard, D. D. of Glendale, Walter Duff, Jr., who has just completed a series of evangelistic meetings in this city, was examined by Presbytery, having been received under its care as a student for the ministry, and during the afternoon session was duly licensed as an evangelist working under the Presbyterian denomination. This necessitated a waiving of the standing rules, as his application had not been made the required length of time preceding. Mr. Duff left this morning for Portland where he is now conducting a series of meetings in the Laurelwood Methodist church. Mrs. Paul D. Groat, formerly Miss Dorothy Smith, daughter of the local pastor, with an evangelistic singer, a Mr. Reed from California, accompanied him.

No further financial cut will be made in the salaries of pastors working in aid-receiving churches in the bounds of the Presbytery. The Lost River parish plan, operating under the country life department of the national sessions board and comprising Merrill, Malin and Tulelake churches and surrounding territory, was continued for another five-year period. All men in the fields were continued as during the past year.

A large banquet was served at the Methodist church, during which the young people largely participated, with Mrs. Helen Swartz, presiding, Miss Marcia Kerr of San Francisco and Miss Donaldina Cameron of the same city both spoke at the banquet. The latter gave the principal address of the evening.

The Presbytery passed special resolutions with reference to the entertainment furnished by the local congregation as follows:

Whereas, the local church has extended such a whole-hearted welcome, and

Whereas, the Rev. A. Theodore Smith and wife have by their thoughtful attitude contributed towards the fine feeling of fellowship which has existed in this meeting, and

Whereas, the local entertainment committee consisting of Mrs. A. M. Collier, Mrs. Fred Fleet, and Messrs. A. R. Wilson and E. W. Mersereau has provided so well for the maintenance of bodily comfort, and

Whereas, the Presbytery of Southwest Oregon has prudentially permitted us to meet in conjunction with their meeting, and

Whereas, the First M. E. church represented so ably by Rev. J. B. Coan and the luncheon and banquet committee headed by Mrs. L. M. Haines, has exhibited a gracious spirit of cooperation and friendship, therefore,

BE IT RESOLVED, that the Presbytery of Southwest Oregon extend to these severally mentioned, our deep appreciation and gratitude for their combined efforts which have resulted in making this an outstanding session of Presbytery in harmony and success.

Respectfully submitted,
Merle D. Edwards,
Chairman,
G. A. Martin,
Aaron G. Miller,
Committee.

The women's organization known as the Presbytery of Southwest Oregon closed its sessions at noon today. Mrs. T. M. Stott of Grants Pass continues as the president of this organization for this year.

WEATHER

The Cyclo-Stormograph at Underwood's pharmacy shows that the barometric pressure is keeping well below the usual fair weather zone, and while general indications point to a continuance of pleasant weather, conditions are such that a disturbance may easily slip into the picture. . . . Some cloudiness may be expected with temperatures remaining about the same.

The Tycoos recording thermometer registered maximum and minimum temperatures today as follows:

High, 75 Low 43
Forecast for next 24 hours: Generally fair; moderate temperatures.

The United States weather bureau reports no precipitation for the 24-hour period ending Thursday at 5 p. m.; 4.92 for the season to date; 9.50 normal; 5.75 last year.

Charter Proposal to Be Discussed

What to do about the police charter amendments will probably be discussed at Monday night's city council meeting, it was indicated at the city hall Friday.

No further action has been taken since early in the week, when the council heard City Attorney A. L. Leavitt and Attorney U. S. Bauman in a legal argument as to whether the law would permit a vote on the measure.

WARD WEEK

When all America goes Shopping!

Come Saturday—The Big Day of This 9-Day Sale!

Off to a flying start! Crowds thronging the store, buying, saving! And Saturday is the banner day—"everybody" will be here!

Not all Ward Week specials are shown in the paper today—many, many more throughout the store are here waiting to save money for you! Don't miss them—See them all!

Come—Buy Now, Save More!
