

LUNCHEON GROUP TO MEET MONDAY NIGHT

"Ladies Night" with banquet is planned for Monday evening at 6:30 at the First Presbyterian church by the Men's Luncheon Group, which has been meeting regularly at noon each Monday.

This Monday there is to be no noon gathering, but those who have been in attendance are to bring their wives to the evening dinner, when a well-planned program is to be presented, centering on an address by W. A. Sellwood, who spent some three years during the World War period and immediately following in Russia, China, Japan and other countries of the Orient.

Sellwood is to place special emphasis on the religious life and influences in Russia, describing actual scenes that he has

personally witnessed. He will deal with the so-called "Yellow Peril" that Kaiser Wilhelm warned the world about. In particular he will relate some recent historic events with the great prophecies of the Bible.

All those planning to attend are requested to notify either Bert C. Thomas or E. L. Elliott. The usual admission will be charged.

The great Art Shires is going to play second for Toledo, but he still plays first for Art Shires.
