

SPRING FLOWER SHOW SUCCESS ON WEDNESDAY

The spring flower show given Wednesday in the large club rooms of the city library by the Woman's Library club, proved to be the most gorgeous, as well as the most successful event of its kind ever sponsored by a local civic organization.

More than 50 entries of spring flowers, as well as commercial displays of garden ornaments, fixtures and furniture, were attractive displays in the spacious rooms of the library.

Mrs. J. P. Wells was general chairman for the flower show, during which a silver tea was held. The show was also open to the public Wednesday evening.

O. H. Moeller, florist, acted as judge of tulips submitted for quality of bloom, and a committee of five, Mrs. R. H. Macartney, Mrs. C. B. Harding, Mrs. Hugh Campbell, Mrs. H. R. Harrison and Mrs. W. S. Lamm, judged artistic arrangements.

Mrs. George Ulrich took first prize for the tulips of best quality, with a display of five blooms of the variety, "City of Harlem." Sweepstakes for the most outstanding entries in the show were awarded by the judges as follows: first, Mrs. George Ulrich, for an exhibit of wisteria; second, Mrs. W. O. Smith for an arrangement of purple iris; and third, Mrs. K. G. Cummings for an exhibit of Fantasy tulips.

Results of judging of artistic entries were announced as follows: In the first class, tulips, any number of blooms in the arrangement; first, Mrs. Will Baldwin, red tulips; second, Mrs. A. E. Stonehouse, arrangement of James Smith tulips; third, Mrs. Junior Daggett.

In the class for any kind of flowers or combination of flowers, Mrs. E. G. Wisecarver, first place; second, Mrs. K. G. Cummings with a basket of flowers; and third, Mrs. W. O. Smith, for an arrangement of iris.

Members of the flower show committee expressed their thanks to the following persons who contributed to the success of the event: Charles Thomas, for garden decorations consisting of a bird bath and jardiner; Robert Sproat of the Klamath Furniture company, who exhibited large garden vases; Fred Murphy, of the Murphy Seed company, for garden decorations; and Earl Whitlock for a grass rug to be used in the garden.

His Highness

His Imperial highness, Crown Prince Akhito Tsugunomiya, in the first official photograph taken of Japan's heir apparent. The imperial chrysanthemum crest may be seen on the sleeves of his robe.

for the market. Mrs. Lewis also specializes in fine bulbs.

Two tiny youngsters, a boy and girl of four and five, appeared at the library early Wednesday with light little bunches of short stemmed iris clutched in their grubby hands. They wished to enter their bouquets, and at the close of the show two shiny, new dimes each in an envelope tied on the flowers awaited the youngsters as rewards for their efforts. The children's names were not learned.

Little George Underwood, son of Mr. and Mrs. C. H. Underwood, also entered an exhibit, and received a prize.

Mahoney Returns Deeded Property to Ex-Chief Shaw

A warranty deed conveying lot 24, block 20, Hot Springs addition to the city of Klamath Falls from W. E. and Frances C. Mahoney, husband and wife, to J. R. Shaw and Dolly Shaw, was filed in the county clerk's office Wednesday forenoon. The consideration was for a sum of less than \$100, and a mortgage of \$2,000 in favor of the Veterans' State Aid commission, stands against the property.

Although the deed was witnessed and executed on February 24, 1933, it was not filed until Wednesday.

This lot was deeded to Mahoney by Shaw at the beginning of the former's mayoralty campaign, September 23, 1932, and was deeded back to Shaw by Mahoney, one month and 24 days after he took office as mayor of this city.

Ball Game Announced—The East Klamath Improvement club baseball team will play the Lamm's mill team on Sunday at the East Side diamond at South Sixth street and Washburn Way. The game is called at 2 o'clock.

NELSON RETURNS TO BUSINESS HERE

H. E. Nelson, former used car operator of this district, has returned to Klamath Falls and is re-entering the used car business in this city. H. E. Nelson, Jr., now employed as sales manager by a San Francisco concern, will arrive within the next few days and will take an active part in the management.

Nelson, Sr., has made a careful survey of business conditions on the Pacific coast and is more than pleased with the outlook in Klamath Falls.

"There is more activity here than in other coast cities five and six times as large as Klamath Falls," he noted. "I have chosen to return to this city because I feel that no other place shows as much promise of development or, at the present time, offers as good an opportunity to a man wishing to establish a business." Nelson was particularly impressed by the number of new buildings which have arisen since the time of his former residence here.

Nelson will be located at his old stand, 630 Klamath avenue, where he will be pleased to see his friends and former customers.

E. K. I. Club to Meet—The East Klamath Improvement club and auxiliary will meet Wednesday evening, May 2, in the East Main street club rooms. A pot luck dinner will be served at 6:30 o'clock, at which members of the club ball team will be guests. Entertainment and dancing will be enjoyed after dinner.

New Studebakers

\$155 to \$620 lower than last year!

\$685

Finer than the finest Studebakers ever built before

ALMOST every other car on the market is selling at substantially higher prices today than last year. But Studebaker prices are \$155 to \$620 lower! And the new 1934 Studebakers are finer cars in every way than the finest that Studebaker offered in former years. They're magnificently streamlined. Built like battleships—of seamless steel reinforced by steel. They're so roomy that six grown-ups are easily accommodated in the sedans. Studebaker's own million-dollar development, Quadripoise Suspension, cradles the action of all four wheels at all speeds and on all roads.

TWO AERODYNAMIC MASTERPIECES OF 1934
Could vehicles talk, this meeting of the Union Pacific's new 110-mile-an-hour train and a new skyway style Studebaker would undoubtedly sound like a session of a mutual admiration society.

HOW'S THIS FOR ECONOMY?
Checked by Western Union officials at start, en route, and at finish, the Studebaker Dictator pictured covered 26 miles at a 30-mile per hour average speed. Only one gallon of gasoline was given 'car at outset of trip.
