

'STOP AND SHOP' STORE TO OPEN

"Stop and Shop," the latest addition to Klamath Falls' downtown food district, will open on Saturday morning at 714 Main street. It will be a combined grocery store and meat market. The grocery store will be operated by A. L. Anderson and son, and the meat market by R. E. England. The new store is a member of the Neighborhood Group of Associated Independent Buyers.

The fixtures will be entirely new, and are of the latest type, including a three-spray sprinkling system for the vegetable rack, which will be located in the front. Garden-fresh fruits and vegetables will be handled in this department. The color scheme to be used throughout the store will be black and white, and the room has been wholly refinished and redecorated.

"Andy" Anderson has been associated with the grocery and food business of Klamath Falls for the past 12 years. For nine years he was with Mason-Kirman company, wholesale grocers, and for the past year he was manager of the Klamath Falls branch of Western States Grocery company. His son Bob will be associated with him in the new store.

"Pop" England has been in Klamath Falls for the past seven years. For several years he has been the owner of the meat department of the Pine Street Market, and has owned several other markets.

J. J. Cole will be in charge of the checking counter at the new store.

TITLE ACQUIRED

LAKEVIEW, Ore., Oct. 25.—The title of 80 acres of cut-over timber land adjacent to Booth park was acquired last week by the state highway commission for state park purposes. The commission has agreed to develop a spring adjacent to and at a higher level than Booth park, so that

spring water will eventually be available for motorists and picnic parties that visit the premises.

The two-day convalee is being held especially for the 20-30 clubs of Alturas, Tulelake, Klamath Falls and Bend.

It is hoped that many past-active as well as active members and their wives will be in attendance. The club has made a generous appropriation from its own funds for the occasion.

MISSING MOMENTS

Isn't it discouraging after trying your best to make a cup of good coffee to find that something is missing in its flavor? The situation is even more distressing when you have been trying one brand of coffee after another in your efforts to get a cup of coffee that tastes right. Nothing can take the place of flavor in coffee.

It is virtually impossible to make a really good cup of coffee if there is variation in the blend, roast, grind or pack of the coffee you use. The thing to do is change to Hills Bros. Coffee. It is a never-changing BLEND of the finest coffees grown. This blend is roasted by an exclusive process—CONTROLLED ROASTING—that insures uniform flavor in every pound. This rich, matchless flavor is completely protected by Hills Bros.' VACUUM PACK. And the GRIND of Hills Bros. Coffee gives perfect results in any coffee-making utensil.

There's nothing missing in

Piggly Wiggly Handles Only "Famous Roma Wines"

Aged in wood and bottled in Sanitary Glass Containers which assures you of Highest Quality Wines and with guaranteed full Alcoholic Strength.

In the past, in articles of various kinds, and in advertisements, you have read of wines that are aged in the wood, wines that are YEARS AND YEARS OLD, and wines that are this and wines that are that.

BUT—Have you ever read an article or an advertisement where the writer admitted that they bought wines in barrels and kegs, and in order to make the handling of them more profitable, added water to the wine to increase the gallonage?

Of course this is not being done by reputable wine merchants, but it is being done in every community, and who is to be the judge as to whether or not you are buying watered wine UNLESS you purchase it in a WINERY SEALED CONTAINER.

WE DO NOT CLAIM TO BE THE WORLD'S BEST JUDGE OF THE QUALITY OF WINES BUT LEAVE THAT TO THE WINERY FROM WHOM WE OBTAIN OUR SUPPLIES AS WE FEEL THAT THEY, HAVING BEEN IN THE BUSINESS OF MAKING AND SELLING WINES FOR OVER 45 YEARS ARE FAR BETTER QUALIFIED THAN WE TO JUDGE THE QUALITY OF WINES.

FAMOUS ROMA WINES, from the ROMA WINERY at Lodi, Calif., are being handled exclusively by PIGGLY WIGGLY, because we feel that they are the highest quality wines we are able to purchase for our trade.

PLEASE REMEMBER THIS, ALSO—Wines sold in bulk are often subject to contamination which may render them unfit for consumption (even though they are not watered), so buy in Winery Sealed Containers, so that you may be assured that your wines are NOT contaminated.

FOR THIS WEEK-END WE ARE OFFERING THEM TO YOU AT AN UNUSUAL SAVING WHICH WILL GIVE YOU THE OPPORTUNITY TO TEST THE HIGH QUALITY OF WHICH WE SPEAK.

FOR THOSE WHO DESIRE TO TRY THEIR FAVORITE VARIETY OF FORTIFIED WINE WE ARE OFFERING—

Full Pint **FLASKS 29c**

FOR THOSE WHO HAVE ALREADY PURCHASED AND KNOW THE HIGH QUALITY AND DESIRE TO REPLENISH THEIR STOCK WE ARE OFFERING—

Full Gallon **JUGS \$1.39**

REMEMBER—These are aged in the wood wines and sold to you in Winery Sealed Containers.

YOUR CHOICE OF PORT, SHERRY, TOKAY, MUSCATEL OR ANGELICA. We also carry a full line of Famous Roma Dry Dinner Wines.
