

Klamath Ends Grid Season Against Cavemen

Eliminating Duplicate Schedules

Hope Still Expressed Klamath Will Drop Home-and-Home Grid Games...

The approaching conclusion of the 1935 football season sees again the expressed hope...

Until recently Klamath customarily played Ashland and Grants Pass both here and away...

Mallin high school captured the 1935 Klamath-Siskiyou football championship with a perfect record...

Mallin's Season Record: Mallin 6, Alturas 6, Mallin 7, Bonanza 0, Mallin 26, Dorris 0, Mallin 22, Henley 7, Mallin 40, Wildcats 7, Mallin 7, Merrill 7, Mallin 14, Tulelake 7.

Coach Roland Parks' record at Mallin high in three years has been 22 wins, no defeats, one tie in 23 league competitions.

Mallin has won the county championship seven times in nine years. The Klamath Wildcats won the title the other two years.

Mallin's success is due in a large measure to the fine physique of the Bohemian lads who are of the Frank Michak and Joe Hubka type.

FINAL CONTEST HERE SATURDAY

Grants Pass Boys Seek Revenge for Early Season Defeat.

Klamath high school's football season, one sprinkled with both victory and defeat, will come to a close on Modoc field Saturday afternoon against the Cavemen of Grants Pass.

Recovering from the hard-fought, scoreless battle against the Lava Bears at Bend Monday, the Pelicans were back home this week preparing for the second contest with Grants Pass.

Since the early season defeat, the Cavemen have gained strength with experience. They are now rated evenly with the Pelicans and a close struggle is definitely assured.

The valley team's attack is made powerful by the presence of a young fullback reckoned to weigh over 200 pounds.

Several members of the team will be playing their final contest in the Pelican uniform.

Portland Bucks To Open Season: PORTLAND, Nov. 13. (P)—The Portland Buckaroos, considerably stronger than they were at the start of the last hockey season...

Tulelake with a wealth of material was an off and on team. Its best games were against Dorris and the Klamath Wildcats.

All touchdowns are created equal, but that pesky little extra point has changed the complexion of some 70 games this year.

Arens, Balsiger Deadlocked for Football Lead

Arens and Balsiger continued deadlocked this week for the leadership of the second half schedule in the Grade School football league.

Saturday afternoon Balsiger scored a 26 to 0 victory over Locke and on Tuesday Arens crushed Ostendorf, 25 to 0.

The lineups: BALSIGER: Fager, Russ, Schmidt, Schortgren, Lehman, Bailey, Hevon, Graham, Ramos, Egate, Thill. LOCKE: Coleman, Fairchild, Larson, Boechi, Webber, Hoover, Reed, Redkey, Brown, Waggoner, F. W. Waggoner, Thill.

Both Arens and Balsiger have won one and tied one. Locke has won one and lost one while Ostendorf has lost two.

Arens won the first half title Saturday morning at 9:30 Balsiger will meet Ostendorf and Monday afternoon Arens will meet Locke.

There was some question however, over the quarterback Coach Jones will use but it likely will be Davie Davis whose headwork was one of the factors in the close score of the Stanford game.

John Hamilton did a fine job at Bonanza and brought a supposedly weak team up to the rank of a dangerous contender.

MYERS BEATEN BY BELCASTRO

Champion Upsets Rough Wrestler From L. A.; Marcus Wins.

Pete Belcastro, temporarily stunned by the force of his opponent's opening attack, came back to win the two final falls and take the main event wrestling match at the armory last night from rough Rudy Myers, Los Angeles.

In nine minutes and 30 seconds Belcastro had evened the score. Three snappy drop kicks found their marks. Throughout the duration of the fall, the wrestlers battled roughly.

A series of flying wristlocks followed by a body press gave Belcastro the deciding fall in four minutes and 37 seconds.

The once gentlemanly Johnny Soos of Indiana turned "bad boy" in the third fall of the semi-windup bout with Jerry Marcus of New York.

Marcus jumped into the lead in nine minutes and 10 seconds with a leg split hold. The second went to Soos in five and one-half minutes with a pile driver.

Slugging and kneeling in the closing stage of the match, Referee Ray Frisbie disqualified Soos in two minutes.

The curtain-raiser of one fall went to Bob Kennaston of San Diego over Frank Sutey, Colorado, in 12 minutes and 25 seconds with a reverse headlock.

Garcia Defeats Portland Negro; Braddock Boxes: PORTLAND, Ore., Nov. 13. (P)—Ceterino Garcia pounded out a hard earned victory over Otto Blackwell in the 16-round main event of Portland's fight card last night.

Garcia, rated as one of the best welters in the game, had his hands full with the Portland negro after the first three rounds. Blackwell was on the floor for the count of five in the third frame but came back with a vengeance in later rounds.

Results of the preliminaries: At Spina, 124, Portland, won the scheduled six-round semi-windup with a knockout over Joey Schwarz, 125, Cincinnati, in the first round.

Larry Caputo, 149, Portland, knocked out Marine Peters, 147, Woodburn, Ore., in the first round of a scheduled six.

Antonio Accurdia, 198, Hubbard, Ore., won a technical knockout in the second round of a scheduled four-rounder from Art Meyers, 200, San Francisco.

Frank Navin, Detroit Owner, Killed in Fall

DETROIT, Nov. 13. (P)—Frank J. Navin, 64, owner of the world champion Detroit Tiger baseball club, died today within an hour after he fell from a horse at a Detroit riding and hunt club.

Navin was riding ahead of Mrs. Navin on the bridge path when she saw him fall. She summoned help from the club. Mr. and Mrs. L. W. Droeger, who managed the club, found the widely known sportsman in tall grass alongside the path.

He was taken to the hospital where he died without regaining consciousness.

Oregon Points For Coming Tilt With Washington: EUGENE, Ore., Nov. 13. (P)—Days of the "Oregon Jinx" were recalled here today as University of Oregon prepared for next week's game against University of Washington.

The Webfoots bemoaned that Washington's 16 to 6 win last year broke a six-year jinx during which the Huskies lost five times and eked out a scoreless tie once.

However, Oregon was a jinx team for Washington many times before that streak started. A sprinkling of "jinx" Stan Rioridan's long, towering punts and Oregon's power attack might turn the trick, some here believed.

Fight Results: (By the Associated Press) London, Eng.—Tommy Loughran, 186, Philadelphia, outpointed Maurice Strickland, 188, England, (10).

New York — Lew Feldman, 133½, New York, outpointed Charlie Badami, 133, New York, (10).

COACHES BLAME LACK OF CARE

Grid Deaths Held Due to Inadequate Medical Attention.

NEW YORK, Nov. 13. (P)—The consensus of the nation's football coaches is that most gridiron deaths result from inadequate supervision and medical care.

Faulty equipment, the so-called "stow whistle" and other factors were cited by coaches in comment gathered by the Associated Press, but the almost unanimous belief was that the mounting toll was due to failure to safeguard high school and sandlot games.

Only three have been in the college ranks. The system has met with great success in other sections of the country.

Lillard said this week a number of the old favorites would return to Klamath Falls soon. It is possible Leo Wolfe of Texas and Tom Kates of Hawaii will be on next week's program.

Stanford Swings Into Practice To Meet Montana: STANFORD UNIVERSITY, Nov. 13. (P)—Still bruised and battered from their grueling game with Southern California last Saturday, Coach "Tiny" Thornhill's Stanford players today swung into practice for next Saturday's game with Montana.

To guard against any let-down on the part of the Indians, Thornhill grimly reminded his charges that while Montana is not very high in conference standings, it bows to no team in the matter of ruggedness.

"Bones" Hamilton, star halfback who has been laid up with a bad leg since early season, had rejoined the team and Thornhill plans to start him in the Montana game.

Sophomores to Start for O.S.C. Against Idaho: CORVALLIS, Ore., Nov. 13. (P)—Three sophomores and a junior probably will start in the Oregon State backfield against University of Idaho's football team in Saturday's game here.

Quarterback Bill Duncan, sophomore who showed up well in last Saturday's game, will team with Joe Gray, regular sophomore ball carrier and Tom Swanson, junior blocking back.

Sophomore linemen will be Fisher and Miller, tackles, and possibly Ramsey, center. The regular center, Deming, is recovering from an aggravated knee injury.

3 Main Events Listed For Armory Program

A drastic change in policy to bring more outstanding athletes and better wrestling cards to the armory was announced Wednesday by Mack Lillard, promoter.

Starting next Tuesday there will be a triple main event billing instead of the usual two 60-minute matches and the 20-minute opener.

The first two of the three events will be for 60-minutes under the Australian round system. The top match will be the customary two out of three falls over the one hour limit.

The Australian round system calls for six 10-minute periods with a one minute rest in between. A fall automatically ends the round. The winner will be judged by the number of falls he can win, though the two out of three ruling still holds.

COAST LOSING GRID PRESTIGE

Boys From Across Mountains Show Far West Fast Style.

LOS ANGELES, Nov. 13. (P)—Western football fans gazed wistfully out over the Sierra Nevada range today and asked themselves if the grid parade had passed them by.

It was a highly personal question for those of the Pacific seaboard, who in yesteryears were accustomed to boasting of the prowess of their teams on the basis of inter-sectional success.

Until Alabama came out here Jan. 1 to make its Rose Bowl game with Stanford look more like infield practice on a baseball diamond, western football coaches, and most of the fans had preferred to believe that the practice of throwing a football far and wide was hippodrome stuff if not a myth.

But the west started right out this season with its old type of power football, contending that to make a passing game work, the rushing game had to devastate the secondary's defense.

Then came the light, fast Illinois eleven coached by Bob Zuppke. The Illinois passed Southern California dizzy with laterals and forwards and double laterals.
