AN ORDINANCE granting to The Pacific Telephone and Telegraph Company, its successors and assigns, the right and privilege to do a general telephone and telegraph business and to place, erect, lay, maintain and operate in, upon and under the streets, alleys, avenues, thoroughfares and public highways within the City of Klamath Falls, poles, wires and other appliances and conductors for the transmission of electricity for telephone, telegraph and allied purposes of communication, and repealing Ordinance No. 2217, heretofore passed by the Common Council of the City of Klamath Falls and approved by the Mayor thereof in so far as the same is applicable to the grantee.

**THE CITY OF KLAMATH FALLS ORDAINS AS FOLLOWS:**

Section 1. There is hereby granted by the City of Klamath Falls to The Pacific Telephone and Telegraph Company, its successors and assigns, the right and privilege to do a general telephone and telegraph business within said City of Klamath Falls and to place, erect, lay, maintain and operate in, upon and under the streets, alleys, avenues, thoroughfares and public highways within the said City, poles, wires and other appliances and conductors for the transmission of electricity for telephone, telegraph and allied purposes of communication. Such wires and other appliances and conductors may be strung upon poles or other fixtures above ground, or at the option of the grantee, its successors and assigns, may be laid underground in pipes or conduits or otherwise protected, and such other apparatus may be used as may be

necessary or proper to operate and maintain the same. Provided, however, that the grantee, its successors and assigns, will place underground any of its wires, appliances and conductors as may be required from time to time by ordinance duly passed by the Common Council and approved by the Mayor pursuant to the charter of the City of Klamath Falls.

Section 2. It shall be lawful for said The Pacific Telephone and Telegraph Company, its successors and assigns, to make all needed excavations in any of such streets, alleys, avenues, thoroughfares and public highways in said City for the purpose of placing, erecting, laying and maintaining poles, or other supports or conduits for said wires or repairing, renewing or replacing the same. Said work shall be done in compliance with the necessary regulations, ordinances or orders which may during the continuance of this franchise be adopted from time to time by the City of Klamath Falls.

Section 3. Whenever The Pacific Telephone and Telegraph Company, its successors and assigns, shall disturb any of the streets for the purpose aforesaid, or for it or they shall restore the same to good order and condition as soon as practicable without unnecessary delay, and failing to do so the City of Klamath Falls shall have the right to fix a reasonable time within which such repairs and restoration of streets shall be made, and upon failure of such repairs being made by said Company, its successors and assigns, the said City shall cause such repairs to be made at the expense of said The Pacific Telephone and Telegraph Company, its successors and assigns.

Section 4. Nothing in this Ordinance shall be construed in any way to prevent the proper utility of the City of Klamath Falls from sewerage, grading, planking, rock, paving, repairing, altering, or improving any of the streets, alleys, avenues, thoroughfares and public highways within the City of Klamath Falls in or upon which the poles, wires or other conductors of said Company shall be placed, but all such work or improvements shall be done if possible so as not to obstruct or prevent the free use of said poles, wires, conductors, conduits, pipes, or other apparatus.

Section 5. Whenever it becomes necessary to temporarily rearrange, remove, lower or raise the aerial cables or wires or other apparatus of the grantee to permit the passage of any building, machinery or other object, the said grantee will perform such rearrangement or removal (7) days' written notice from the person or persons desiring to move said building, machinery or other object. Said notice shall bear the approval of such official as the common council may designate, shall detail the route of movement of the building, machinery or other objects, shall provide that the costs incurred by the grantee in making such rearrangement of its aerial plant be borne by the person or persons giving said notice and shall further provide that the person or persons giving said notice will indemnify and save said grantee harmless of and from any and all damages or claims of whatsoever kind or nature caused directly or indirectly from such temporary rearrangement of the aerial plant of the grantee.

## Children Refuse To Salute Flag

EVERETT, Wash., Nov. 21. (UP)—Three students at Silver Lake school, near here, will face expulsion Monday if they continue in their refusal to salute the American flag. Principal Ray Troedel announced Wednesday, following a conference with County Superintendent Clifford Carpenter, Tretchel, who refused to reveal names of the children, said they refused to salute the flag on religious grounds. He understood their parents were members of the Disciples of Jehova sect, which recently clashed with Pennsylvania authorities over refusal to salute the flag.

## Happy Prelude to Slaying

Evidence of the happy relationship between his "office wife," Vera Stretz, blonde university graduate, and Dr. Fritz Gebhardt, whom she has admitted killing in New York, is given by this snapshot made on the beach before tragedy entered their lives. Police attribute the shooting to jealousy, but whether a rival or discoverer that Dr. Gebhardt was married—and it is open to conjecture.
