## OLENE STUDENT ON O. S. C. COMMITTEE

OREGON STATE COLLEGE, Corvallis, Nov. 21.—Bill Marshall of Olene, junior in agriculture at Oregon State college, was a member of the smoker committee which made plans for the annual Ag club smoker held here recently.

This affair differed from the general run of smokers in that smoking was featured and an agricultural atmosphere prevailed. Everyone attending was asked to wear farm or work clothes in order to be prepared to participate in the fun and to be in keeping with the occasion.

Among other entertainment was the fastest and slipperiest porker which was greased and in its best form to give participants in the pig-chasing contest a real workout.

## Stock Market Quotations

NEW YORK, Nov. 21. (AP)—The stock market rebounded today under stimulus of heavy buying in the rails, mines and specialties. While many recent leaders were not buoyant, the majority displayed rallying tendencies. There were numerous gains of one to three points. The close was firm. Transfers approximated 3,300,000 shares.

Although activity was not up to that of Wednesday's decline, market analysts were cheered by the reversal of sentiment. The weakness of some foreign gold currencies, in sympathy with the falling French franc, was not so disturbing as expected. Wheat and cotton moved up briskly.

National Lead noted an extra dividend of \$1.00, and International Harvester doubled its 15-cent quarterly rate. Shares of Homestake Mining spurted about 12 points, and Budd Mfg. got up more than eight. Other gainers included Santa Fe, New York Central, Northern Pacific, Union Pacific, International Harvester, Case, McIntyre Porcupine and U. S. Smelting.

Henley Gym  
Dance Starts 9 p. m.

Coch Poolo gave an interesting talk on work of the team and called on each senior present to give a short talk. A reading by Sammie Wolfkill, "Cutting Conversation," was next; Gail Orr, yell leader, spoke on the attitude of the football boys; Evelyn Wolf gave a tap dance, dressed like a football player, and Gail Orr, a reading, "A Little Italian Boy."

Following the program a dance to the gymnasium began at 9 o'clock with Kizer's orchestra furnishing the music. A large crowd, including many from Merrill and Merrill were present. Students and teachers of Tulelake are very grateful to Mrs. Dan Geaney for her donation which materially aided in securing the orchestra.

## Here Is the Ideal Electric Range

This all white WESTINGHOUSE Automatic Electric Range is ideal for the family with average cooking requirements. The finish, including the cabinet base, is beautiful porcelain enamel. Food acids cannot harm the special hard cooking surface which is exactly the right height to conform to modern all-electric kitchen standards. The straight sides permit building work counters flush with the range top should you decide at any time to remodel your kitchen to modern built-in kitchen standards. The three spacious utility drawers conserve space and add much to the convenience of the range. The pilot light on the switch panel glows brightly when the oven current is on and signals when the oven reaches the temperature selected. The famous flavor zone oven is entirely automatic and shuts off the current when the proper temperature is reached. Four standard Quick-cook (open coil) surface units are regular equipment.

This is the lowest price a range of this quality with cabinet base has ever been sold. Why not trade in your old fuel range today. The small down payment puts this range in your kitchen at once.
