Stock Market Quotations

NEW YORK, Dec. 13. (P)—Led by the industrials, stock market prices pointed sharply lower today. Declines of fractions to around three points predominated at the heavy close.

Brokers were in no agreement over the silver and foreign situations may have been a contributing influence. Transfers approximated 2,100,000 shares.

Except for a brisk sell-off late, when the ticker fell two minutes behind floor transactions, trading was comparatively quiet. There were scattered recoveries in the final half hour.

A break of around four points in American Can and Continental Can started the downward surge. Warfare between the can and bottle makers over the beer distribution business was said to have induced pressure against these issues.

Mining stocks, together with merchandise and motor shares, exhibited rallying tendencies early, but most of these backed up with the others in liquidating movement.

Equities generally ignored spurring wheat prices at Chicago and world centers. Cotton firmed.

The few shares that backed the trend included Evans' Products, Owens-Illinois Glass, Montgomery Ward, Sears Roebuck, Case, International Harvester and Cerro de Pasco. Losers included American Telephone, Western Union, Dupont, Allied Chemical, Union Pacific, Santa Fe, Consolidated Gas, Dome, International Nickel and Standard Oil of New Jersey.

But adults can't expect real results from the same sweet syrup concoctions that you'd give to a child.

As a matter of fact, that powerful yet smooth, creamy creosote emulsion known to druggists as Bron-chu-line Emulsion is not loved by children; it's a medicine for grown-ups, but it sure gives results and speedily, too.
