POP CLEMENTS has smoked the same tobacco for 25 years!

THIS IS POP, pointing with the pipe. "I picked Prince Albert for my pipe smoking a long time back—over 25 years ago," he says, "but not until I'd tried other brands and found Prince Albert had them all licked seven ways to Sunday! Prince Albert is mild and comforting. I've got to hand it to P.A. for taste—the clean flavor of quality tobaccos."

HE'S A GREAT ONE FOR GARDENING in his time off from working. It was cold the day this photo was snapped, but the rosebushes were still holding on to their leaves; and Pop enjoys his pipe summer and winter, indoors and out! "P.A. burns slower and lasts longer," he says, "and that 'no bite' process insures mildness."

WHAT MORE COULD A MAN WANT than the rich flavor of golden-brown Prince Albert. Pop says: "Brother, join up with P.A. and see what I mean." And why not, when you can smoke 20 pipefuls entirely at our risk!

WE KNOW YOU'LL THINK THE SAME AS MR. CLEMENTS DOES ABOUT P. A. ... READ THIS MONEY-BACK OFFER. Smoke 20 fragrant pipefuls of Prince Albert. If you don't find them the finest, tastiest roll-your-own cigarettes you ever smoked, return the pocket tin with the rest of the tobacco in it to us at any time within a month from this date, and we will refund full purchase price, plus postage. (Signed) R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina.
