

LEGION TO SPONSOR EASTER EGG PARTY

Plans were complete Thursday night for the American Legion's second annual Easter egg hunt, to be held next Sunday in Moore park, beginning at 1 o'clock.

Children taking part in the hunt will be divided into three separate classes, according to ages, it was announced by C. C. Kelley, Klamath Legionnaire in charge of the event.

Eight prizes will be awarded the finders of eight gold and silver colored eggs. In addition to the prize eggs, hundreds of other eggs tinted every color in the chromatic range will be hidden securely away amid the greenery of the park.

The Legion extends a cordial invitation to all the boys and girls of Klamath county to attend its Easter party.

An epidemic of mad dogs disturbs Philadelphia. If this is not checked, there is a possibility Al Smith might have to break into a run.

Potatoes Strong at Market Points

With the supply nearly gone, potatoes have shown extreme strength at this point recently. At least one sale occurred here Thursday for \$1.80 for No. 1s, and a carload of seed potatoes was sold down the valley for \$1.90.

Average prices run from \$1.70 to \$1.75. No. 2s are selling at about \$1.

Information Friday was that the potatoes now being shipped were sold at lower prices earlier in the season, while others, purchased at the current high figures, are being held for local use.

Murder Suspected In Seaman's Death

HONOLULU, April 10, (AP)—The body of Seaman Robert Hiller, 33, who recently quit the crew of the freighter Helen Whittier, was recovered from Pearl harbor late Thursday.

Police and firemen took Hiller's body from the water after several hours' search.

He was believed to have been dead at least two days. His face bore several cuts.
