

CONTEST WINNERS FETED BY LOSERS

TULELAKE, April 17.—Losers in the membership contest conducted by the Legion auxiliary several weeks ago, entertained at a pot luck luncheon in the Legion hall Tuesday for the winning contestants and the junior auxiliary. Twenty-one junior girls and 20 new members and guests were present for the affair.

The afternoon was devoted to development of a number of plans for coming events and it was decided that the auxiliary will assist in the future with dances sponsored by the Legion, half of the proceeds to be used by the auxiliary. The junior group will assist with the first dance to be given in the near future. Mary Frances Johnson is president of this group, organized only this year.

The juniors will also plant Flanders poppies on the grounds of the Legion hall and will assist with Memorial day services. Several members of the Legion and the senior auxiliary plan to attend the district meeting to be held in Redding, Sunday, April 19.

The auxiliary is sponsoring a card party to be held in the Legion hall, Tuesday, April 21, for the benefit of child welfare work. Since no demand is made here for funds in that department, money accruing from the affair will be sent to national headquarters.

Merrill Seniors Plan Graduation

Visitors Marvel at Wonder Car

From mid-morning until late evening Thursday, Klamath people of all ages stood in long lines at the corner of Eighth and Main streets for a chance to inspect the curios on view within the "Wonder Car," traveling museum which stopped in Klamath Falls for one day in the course of a nation-wide tour. It was estimated well over 6000 people visited the exhibit during its brief stay here. During the daylight hours, school children predominated the lines which formed outside the car, as shown here. The car came to this city under sponsorship of the Golden Rule store. (Herald-News Photo-engraving).

the early days up to the present, will be repeated by members of the graduating class as a theme for commencement exercises to be held in the high school gymnasium, Thursday night, April 21. Graduation exercises will follow the plan inaugurated last year and students will be in entire charge of the program.

Averaging of grades for the four year period just being completed by the graduates resulted

in Wilbur Haskins being chosen as valedictorian, and Arthur Brown, salutatorian. Grades of both boys averaged over two points.

This year's class includes only six members, Ethel Knox, Wilbur Haskins, Arthur Brown, John D. Moore, Burton Peterson and Willard May.

The Mellon Institute of Industrial Research, Pittsburgh, Pa., has produced a felt-coated steel.

City Elections Held at Dorris

DORRIS—The city of Dorris held its election Thursday, April 14.

L. E. Dennis and William Hagelstein were elected to two-year terms as city councilmen.

Mrs. A. MacDonald was elected treasurer, and Dan Gordon was elected as city clerk.

CLUB SPONSORS LAVA BEDS TRIP

MERRILL, April 17.—Marking the formal opening of the tourist season the Merrill Service club is sponsoring a caravan to the Lava Beds national monument and invitations are extended to residents of Merrill, Malin, Klamath Falls and Tulelake to join the all-day trek.

While no definite date has yet been decided upon, it will be set for either the first or second Sunday in May, according to President Thomas Chaburn, who has appointed Tom Laird, George Thomas, Warren Fruts, Dr. Luther Taber and Wilson Lee to serve as a committee on arrangements for the affair.

Those making the trip are asked to take lunch, and the party will be provided with guides for trips through the caves. Competent explanation of the various rock formations and points of interest will be given and the trip promised to be an interesting one.

A general committee of three members, who will guide the third annual Potato Festival to completion, is to be appointed at next week's meeting. Chaburn stated, and a good attendance is desired.

Plans are going forward for the county B league track meet to be held here in May under the direction of J. W. Scoggins, Tom Laird and Melvin Bowman.

No further action is being taken on the proposed sewage project due to shortage of relief labor, but according to reports, there is a possibility of reviving the project next winter when local demand for labor is at low ebb.

J. W. Scoggins will serve as chairman of next week's session.

Introducing a New Used Car Standard of Specified Quality

WITH Ford Dealers, the day of the "used car" is gone. You are now offered an exclusive new standard of automotive quality in "R&G" cars, which you may buy with as much confidence and assurance of satisfaction as a completely new automobile.

This new term—"R&G"—stands for *Renewed and Guaranteed*. It means that each car offered under it must meet a rigid set of specifications as to mechanical condition and appearance. And the result is a product so fine that it can be sold with a written guarantee of "Satisfaction or Your Money Back!"

Under this guarantee, you are the

judge of the car's quality. After purchase, you may drive it two days, and put it to any driving test you please. If it fails to measure up to your expectations in any way, you may return it to your Ford dealer's, and have your money refunded in full—cheerfully, no questions asked.

In addition, you will receive a written service warranty as a further protection. This double guarantee removes forever the elements of doubt and uncertainty that have troubled buyers of used cars for years.

The R&G emblem is the mark of an exclusive Ford dealer value. It is your personal guarantee of complete satisfaction in the purchase of an automobile backed by the pledge of the entire Ford dealer organization. Go to your Ford dealer now, and see his R&G display. Your present car will be accepted at its highest cash value—you may not need any money to drive away a car that you can be really proud to own.
