HOTEL OWNERS IN CONVENTION HERE

Activities of the Klamath county chamber of commerce in promoting tourist visits to this area were outlined Saturday evening, when Earl C. Reynolds, executive secretary, addressed 50 members of the southern Oregon branch of the Oregon State Hotel association, who met for their regular convention and banquet at the Willard hotel.

W. W. Chadwick, president of the state association, also presented a brief talk, giving a resume of work done by Harold Say, manager of the publicity department of the Oregon state highway commission, and displaying about 50 samples of advertising for Oregon which are to appear this season in national publications.

SCHOOL ELECTION DATE MADE LATER

TULELAKE, April 28.—Under a recent ruling of the California state legislature, the annual election of county school trustees will be held on the first Friday in June in the future instead of the last of March, bringing newly elected directors into office on July 1. Formerly new officers took chairs on May 1.

In accordance with this law, directors of the Tulelake elementary school and Winema school to be elected this year will take office on the later date, according to E. W. Staunton, retiring in the Winema district. Staunton stated that a new room is to be added at Winema to care for increased enrollment, running water is to be installed and sanitation improvement is anticipated.

Bids are being advertised for, to be opened May 18, and it is expected that work will begin about May 20, and will be completed before the opening of the fall term.

Charges Dismissed In Alleged Assault

TULELAKE, April 28.—Roy Dysert, Siskiyou county deputy sheriff, received word at noon Friday from District Attorney James Davis, Yreka, that the charge of alleged assault filed recently against Lacy Walker, 60, Tulelake, had been dropped due to insufficient evidence.

Walker, charged with assault involving the 6-year-old daughter of Tulelake residents, and held briefly in the Siskiyou county jail at Yreka, has been released.

The victim of the alleged assault is a patient in a Yreka hospital. Her mother is confined to a Klamath Falls hospital suffering from pneumonia and the little girl had been staying at the home of her grandmother, where Walker was employed.

MERRILL BRIEFS
MERRILL, April 28.—Dale West left Saturday for Shafter, Cal., where he expects to spend the next several weeks in the interest of a local potato buying company. Early crops of potatoes are maturing in California and will begin arriving here in the near future.

George Graham has gone to Missouri to spend a month visiting relatives.

Mrs. J. L. Fotheringham, newly elected lecturer of the Merrill grange, will be in charge of a program during the lecturer's hour next Monday night in which several students of Merrill schools will take part.

The grange is planning for a food sale to be held Saturday, May 2, in Klamath Falls at the corner of Seventh and Main streets. Grangers may either leave their contributions at Hodges brothers' store in Merrill or call Mrs. J. W. Taylor and the packages will be called for.

Approximately \$40 was cleared by the Ladies' Aid of the Presbyterian church at the candidates' dinner recently given in the church annex. Places were laid for 75 guests and 19 county candidates attended, speaking for three-minute periods during the dinner on campaign subjects.

Cement sidewalks are being laid this week in front of the Merrill meat market, the building formerly occupied by Dalton's store, which will house the new Safeway store in the future, and on the south side of the street east of the community hall.

Mr. and Mrs. Herman Hodges have moved to a ranch near Tulelake where Hodges will farm this summer. Mrs. Hodges is the former Fannette Offield.

Mrs. C. E. Cox is in frequent attendance at the bedside of her father, W. C. Griffith, Lakeview, who is a patient in a Klamath Falls hospital. The aged man has been ill for several weeks.
