

Bluebloods Set for Running of Kentucky Derby

60,000 WILL SEE CLASSIC

Racing Fever Grips City for Annual American Competition.

LOUISVILLE, Ky., May 1. (AP)—Reports that all was not well with J. E. Widener's Brevity spread over Churchill Downs today as 18 three-year-olds, including all the favorites, were named for the 62nd running of the Kentucky derby at Churchill Downs tomorrow.

The rumors regarding Brevity, 7 to 5 choice, spread following the unexpected entry of Mrs. P. A. B. Widener's Danieper, a staminate, and a none-too-impressive workout by the favorite. Yesterday Danny Stewart, who handles Danieper, said his horse would not be named.

LOUISVILLE, Ky., May 1. (AP)—Their last workouts a matter of hours, sixteen three-year-olds, one of them a filly, rested in their stalls today as the derby fever tightened its grip on this thoroughbred capital in preparation for the 62nd running of the turf classic at Churchill Downs tomorrow.

From the highways and byways came the racing clans in the greatest throngs since the post-war depression. So great was the influx of horsemen and horse followers, many high in social and political life of the nation, that the hospitality of the city was taxed to the utmost.

Close to 60,000 are expected to pack the quarter-mile long grandstand and overflow into the flower-covered infield tomorrow. The congestion will be so great, however, that many will get only a fleeting glimpse of the horses as they match strides over one and one-quarter miles for the purse of \$40,000.

The horses themselves played little part in the pre-race hysteria. They went through short workouts this morning and then retired to their closely guarded stalls to wait the call to "boots and saddle" tomorrow at about 4:30 p. m. (CST). The horses for the first event of the eight-race program will be called to the post at 12:30. The derby is scheduled sixth on the card.

Along the Rialto, in packed hotel lobbies and at the track, the arguments were long and loud. Flatties nearly developed as the hardboots joined the visitors in attempting to settle the race after partaking of Kentucky's famous hospitality. Hot tips were to be had on every corner without asking.

Brevity on Tap But after it had all simmered down, Joseph Widener's Brevity remained the horse to beat. Winner of five of his six races, the bay flash has come up to the classic in perfect condition, he equalled what was then the world record of 1:48 1-5 for one and one-eighths miles in winning the Florida derby. His one race and workouts here took nothing from his standing.

Widener has never won the derby but this appears to be his year. If the track is fast, Brevity is expected to be held at 7 to 5 or shorter odds. If the going is heavy, he'll probably still retain his position as the favorite but at longer odds.

The track was sloppy for yesterday's races. The weather man predicts local showers tomorrow but holds out a 50-50 chance that the sun will shine at derby time.

If Brevity is beaten, the consensus is that it will be by one of three horses—William Woodard's Granville, Morton L. Schwartz's Bold Venture or the Bomar stable's Grand Slam. The latter probably will rival Brevity for favoritism if the track

New Baseball League Formed by Six Teams

Another baseball league was organized this week at a meeting of team managers, held at the Bowlers Garden. The league will be a six-club circuit, composed of the following teams: Lamm's Mill, Chiloquin, Pelican City, Sprague River, Southern Pacific and Sons of Italy.

The league will be known as the Crater Lake league and will play a schedule of 15 games with the opening game scheduled for May 17.

H. A. Teal was elected president and Sid Herbert, secretary. The league will function entirely separate from the Klamath Basin league which is composed of Merrill, Malin, Tulelake, Dorris, Big Lakes and East Side Ewauna, the latter a combined team of last year's East Side and Ewauna Big Sox teams.

The schedule released for the opening date is as follows: Pelican Bay vs. Southern Pacific, Lamm's Mill vs. Sprague River and Sons of Italy vs. Chiloquin. Another meeting will be held Monday, May 11, to act on the season's schedule which will be drawn up by Guy Stoddard, of Medoc Point.

Reptiles Break Lose on Trip to Cincinnati

CINCINNATI, May 1. (AP)—A sealed express car "alive" with snakes rolled into the Cincinnati union terminal today and railway express officials called on Sol Stephan, manager of the Cincinnati zoo, to capture a shipment of reptiles that broke loose as the Florida-to-Cincinnati train passed through Georgia.

The Louisville and Nashville train, the Flamingo, reached Cincinnati at 9:05 a. m. (EST) but Dorch C. Vance, superintendent of the railway express service, said it would be another hour before any attempt would be made to capture the snakes, some of them poisonous.

"Stephan is coming down as soon as we switch the express car into our warehouse," he said. "Come on down and help, if you wish." He got few takers.

Mickey Again ON SIDELINES

More Tough Luck Hits Defending Baseball Champions.

Mickey Cochrane, battling manager of the Detroit Tigers, awoke with reason for sour reflection on the latest twists of fate.

The plucky manager who led his team to baseball's highest glory last year finds now that the laureled way of yesterday can turn quickly into the thorny road of today. This season has been one bad break after another, as far as the Tigers are concerned, and they take the field today with neither Cochrane nor his ace thumper, Hank Greenberg, active.

Cochrane was hit by a foul in the losing game against the Senators and his instep was so bruised that he was expected to be out of the lineup for three days. He will join Greenberg on the sidelines, the latter suffering from a fractured wrist that is expected to keep him out of action for six weeks.

This is the third time in the young season that Cochrane has been forced out of action by physical disability. An injured thumb and eye trouble forced him to forego action on two other occasions.

A ninth inning single that Jake Powell slapped down the third base line scored Buddy Myer with the run that gave the Senators an 8-7 victory.

The day's play showed a wide diversification in pitching effectiveness.

A's Trip Browns Again Monte Pearson, obtained from the Indians for Johnny Allen in a winter trade, somewhat justified the judgment of the Yankees' brains department when he pitched and 8-1 victory over the Indians, with Allen opposing him.

The Athletics belted over the Browns 12-8, with 25 hits ringing off the Hickory, while the Red Sox continued their heavy clouting with a 16-4 conquest of the White Sox, in which 31 safeties were made.

Paul, the younger of the Dean brothers, accounted for his first victory of the season, 3-2, although the Giants outthit the Cardinals 11-5. Joe Moore of the Giants had a big day at bat, with four safeties, one a two-bagger.

Tex Carleton of the Cubs slugged Dutch Brandt of the Dodgers in the closest mound duel of the day, an engagement that went 11 innings before the Cubs won, 2-1. Billy Herman, the doubles king of last year, got two more to raise his season's total to 11.

Danny MacFayden pitched five-hit ball as the Bees downed the Reds, 3-1. The bespectacled hurler allowed only one walk as he set back the team that has raised havoc with the more powerful clubs of the league. Bill Brubaker, subbing at third base, walked a homer, to give the Pirates at 6-5 victory over the Phillies. The hit came in the sixth inning with two on.

SPORT SHORTS

ORANGEBURG, S. C., May 1. (AP)—The maxim says the early bird gets the worm, but the bird who stayed up all night got a goldfish.

It happened at the home of H. C. Wannamaker, Sr., who reported an owl caught a goldfish from a pool in his back yard, then sat in a tree overhead while Wannamaker and the neighbors threw rocks at it.

FAIRPLAY, Colo., May 1. (AP)—County officials made a raid here and confiscated 25 slot machines. They didn't say whether the name of the town had anything to do with the seizure.

SA FRANCISCO, May 1. (AP)—In a one-hour match, Earl McCann, 157, Portland, defeated Dave Reynolds, 156, Salt Lake City, when the latter knocked himself out in an attempted flying tackle after each had won a fall.

McCann scored first in 15 minutes with a leg kick. Reynolds evened things in 10 minutes with a double leg hold. He plugged from the ring 10 minutes later and failed to return.

DIXON, Ill., May 1. (AP)—Three boys who found a large calibre rifle of museum piece vintage, decided to find out how it worked.

They fired at a tree, but missed. The slug went through a piece of sheet iron, passed through the side of a house, crashed through a framed picture and lodged in a wall over the head of George Root and family, who were dining.

The boys promptly gave the rifle to the police.

WRESTLING Chicago—Ed (Strangler) Lewis, 259, Glendale, Calif., threw Sun Jennings, 240, Oklahoma, 14:14.

Washington—Gus Sonnenberg, 202, Boston, threw, Able Coleman, 205, New York.

New Brunswick, N. J.—Young Szabo, 175, Hungary, and Dave Lewis, 180, New York, drew (one fall each, both knocked out on third).

Bowling Gets Underway at Portland

PORTLAND, Ore., May 1. (AP)—A five-man bowling team from Portland scored 2391 to top the entry first round contestants in the northwest bowling tournament here today.

None of the out of town entrants were here for the start last night, but they began arriving today.

A women's team of Portlanders scored 1734 in the five-ball competition. Members of the women's team were Bugbee, Pearson, Boes, Curry and Waddle.

The men's team that paced the field was Braham, Oslund, Sardan, LaChon and Schanz. Mayor Joseph Carson had little luck at toppling ten pins when he rolled the "first ball" last night.

Karasick Will Answer Pete's Mat Challenge

Pete Belcastro's remark that "I can beat any of the bums around here" probably will lead to a rough evening for him when he meets Al Karasick of Portland here next Tuesday.

Beaver Oarsmen to Meet Huskies

CORVALLIS, Ore., May 1. (AP)—Oregon State college's rowing team left today for Seattle for competition tomorrow against University of Washington's mighty oarsmen.

Three crews, the varsity, lightweight and freshmen, will compete. The closest race was expected to be between the 150-pounders. The Oregon State lightweighters defeated the Husky lightweighters in a close race here several weeks ago.

Washington was expected to use its Bu-Varsity and its second freshman crew, as the Beavers have not progressed far enough in their new sport to compete on even terms with the first teams.
