

CITY BRIEFS

Altamont Services—The Altamont Sunday school and worship service is held each Sunday morning at 9:45 o'clock in the Altamont gymnasium. Each Sunday morning a special number is presented by one of the classes, and next Sunday's feature will be a group of harmonica numbers. Principal A. C. Olsen and an efficient corps of teachers conduct classes for all. Rev. D. Jay Good will speak on the subject, "Christ's Teaching—Revolutionary and Original."

Fisher Resigns—Don Fisher, now ranger for the national park service at the lava beds, has resigned his place on the staff of the Klamath Union high school, and the resignation has been accepted by the board. Fisher has been away on leave this year, and has decided to go permanently into the park service work.

Legion of the Moose—Members of the Legion of the Moose will hold a business meeting and initiation service Sunday, May 3, at 2:00 o'clock. All members are urged to be present as convention plans will be discussed and supper served following the afternoon's activities. Women of the Moose are also invited.

Court Inspects Roads—The county court spent most of Thursday inspecting the county road system in the lower Klamath basin area. Members of the court reported the roads in excellent condition for this time of year and residents of the south end district thoroughly satisfied by the maintenance work being carried on by the county.

Petty Larceny—A petty larceny charge was filed Thursday against George Arthur Willard, who is serving a 10-day term in the county jail, nominally for operating a car without a driver's license. Willard is accused of stealing a child's tricycle.

Townsend Card Party—Townsend club at Altona has scheduled a card party to be held at the community hall at Altona, at 8:00 p. m., Tuesday, May 5. Nominal charge. Public invited.

Here from Fort—Mrs. Oscar Bunch and Mrs. Ben Looney of Fort Klamath were visitors in Klamath Falls, Wednesday.

Home from Trip—Ruth Bathany, city treasurer, is home from an extensive trip to the east.

OLENE

OLENE—Mrs. Wallace Reed of Henley visited with Mrs. Curtis Gerhart last Wednesday.

The Lost River grange will give a dance next Saturday, May 2. This dance will be held in the Lost River grange hall at Olene and the public is cordially invited.

Mr. and Mrs. Galen Meeker of Klamath Falls were visitors in Olene last Sunday.

Sylvia Kelley spent last weekend with Margaret Smith of Bonanza.

Mrs. Tom Young, Helen Young, Mrs. Ivan Eggers, Charlene Eggers and Victorine Relling attended the music recital held at Henley last Friday night.

Charley Adams and Jim Hull of Klamath Falls were business visitors in Olene last Sunday.

George and Oliver Kinney, Jr., of Klamath Falls spent last weekend with their father, Oliver Kinney, Sr.

Charlene Eggers and Victorine Relling attended the birthday party held for Della Graham of Henley last Saturday afternoon.

Farmers in Olene have been cleaning their irrigation ditches, preparing for the water which will be turned in the ditches soon.

The construction of a modern house has begun on the Rex Bord ranch.

Mrs. George Relling, Mrs. Fred Relling and daughter, Victorine, and Mrs. Ivan Eggers and daughter, Charlene, were shoppers in Klamath Falls last Saturday.

Mrs. Sam Brown and children of Piedmont Heights were dinner guests at the C. M. Kelley home last Sunday.

Mrs. C. M. Hurd and Mrs. Leo Gould of Medford were callers at the Darnell home last Friday.

Mrs. Charles Darnell attended the educational conference in Ashland Saturday. She spent the remainder of the week-end at her summer home on Rogue river.

Clifford Jenkins, 4-H club leader, visited the Olene school last Friday.

No
HALF-STARVED
lawn can thrive

GIVE it a chance to do its best! Feed your lawn the square meal for all plants—Vigoro. Complete, balanced. 4 lbs. per 100 sq. ft. will bring amazing results! It is clean, odorless, easy to use—and inexpensive.

CHURCH OBSERVES
MUSIC WEEK MAY 3

At the First Presbyterian church this Sunday evening the combined choir of the First Methodist and First Presbyterian churches are to present an unusually attractive program in connection with the initiation of National Music Week. R. E. Patterson and Mrs. J. E. Clannahan will each participate in the directing. The service opens at 7:30 o'clock. Mrs. George W. McIntyre will be at the console of the organ.

The program follows:
Organ voluntary, "Prelude in E,"
Bach
Processional, "Praise, My Soul,
the King of Heaven," by Lin-
man.

Choir—"Forever With the Lord,"
by Gounod
Quartet—"Prayer Perfect," by
Stenason—Mrs. Badger, Mrs.
Clannahan, Miss Augusta Par-
ker and Mrs. E. S. Ventch.

Prayer and Response
Scripture Reading
Choir—"Peace"—Stultz
Solo—"Jesus Only," by Rotell—
Sung by Mrs. Badger

Organ solo—"Andante from C
Major Concerto," by Mendels-
sohn—Mrs. George W. McIn-
tyre

Remarks—"The Church and Mu-

sic"—by Dr. Theodore Smith
8:10—"The Lord's Prayer," by
Malotte—George A. Myers
Offertory—"Evening Song"—
Vieuxtemps

Duet—"One Sweetly Solemn
Thought," by Ambrose—Mrs.
Clannahan and Mr. Patterson

Choir—"God so Loved the World,"
by Stainer

Benediction, Threefold Amen and
Organ Prelude

The general public is cordially
invited to share in the enjoyment
of this fine program.

Klamath Shrine
Club Organized

The Klamath Falls Shrine
club was organized at a lunch-
eon at the Pelican grill Thurs-
day, R. D. (Hod) Eller was
named president.

Other officers are Marshall
Cornett, vice-president; George
Taylor, secretary-treasurer, and
Joe Reading, sergeant-at-arms.
E. E. Bonner was named chair-
man of the entertainment com-
mittee.

The club will meet every two
weeks.

It is expected that motor ve-
hicle exports to Switzerland will
be increased 100 per cent, as a
result of the new reciprocal
trade agreement concluded be-
tween the United States and that
country.

DOMESTIC SCIENCE
GROUPS MAKE TOUR

By Bertha Haase
(High School Correspondent)

In order to create interest in
home economics work among the
schools of the county, several
members from the Klamath union
high school department made a
field tour on Tuesday and Wed-
nesday.

The first trip to Merrill, Malin,
and Henley was made by Kath-
arine Brewbaker, Ada Lu Miller,
Jewell Rhoads, and Jeanne Gool-
ler. Adele Morton and Luana
Johnson were selected as alter-
nates.

Bertha Haase, Leona Decker,
Mona Dixon and Lorraine Mc-
Nulty made up the second group.
Eleanor Evans and Nan Goeller
were named alternates. They
visited Keno and Bonanza.

Mrs. Phil Brixner, county home
economics supervisor, accompan-
ied the welfare workers both
days.

The girls making the trip were
selected by Henriette Quilling, ad-
visor of the Home Economics
club, according to their interest
in the club, regular attendance
record, average grades and their
ability in making up the day's
work.

President Katharine Brewbaker

appointed Eleanor Evans, Bertha
Haase, Evelyn Jolly, and Edith
Aber to act on the nominating
committee to name able officers
for next year.

A recent comedy feature pre-
sented to three fourths of the
students through the efforts of
the home economics department
netted the organization \$29. The
money will be used to aid in
sending delegates to the national
home economics convention to be
held in Seattle in June.

Veterans Stage
Poster Contest

A poppy poster contest for
grade school pupils is being spon-
sored by the local post of Veter-
ans of Foreign Wars, according
to an announcement from officers
of the organization.

A first prize of \$5.00 will be
given to the pupil making the
best and most original poster.
The second prize will be \$3, and
the third prize, \$2.

All posters must be turned in
to the office of Henry Schortgen,
building inspector, in city hall,
on or before May 26.

I. O. O. F. MEETING

Klamath lodge No. 137, I. O.
O. F. meets tonight in regular ses-
sion at 8:00 o'clock in the hall
at Fifth and Main. Members
urged to be present and visiting
brothers welcomed.

HOME ECONOMICS
DIRECTOR AT KENO

KENO—Mrs. Isabel Brixner,
county supervisor, visited the
Keno school Wednesday. Mrs.
Brixner was accompanied by four
girls from the Home Economics
club of Klamath union high
school, Mona Dixon, program
chairman, Leona Decker, Bertha
Haase, reporter, and Lorraine Mc-
Nulty.

The girls explained to the Keno
club the point system for earn-
ing the national home economics
plan. They told of their own club
and its activities in the school
and their interest in organizing
these clubs in all the schools of
the county.

Miss Katherine Ransom is con-
ducting a first aid class among
the high school girls every Mon-
day afternoon. The girls are
showing a great deal of interest
in this work.

PURCHASE STORE

NUBIEBER, Calif.—Mr. and
Mrs. Archie Carns have bought
the three-story building in the
center of Nubieber that was
erected four years ago by A. H.
Dalkey, now of Saratoga, Calif.
The Carns are remodeling the

entire interior to accommodate
a restaurant and bar which they
will conduct, and provide a resi-
dence apartment for themselves.

Ranchhands Hurt
by Runaways

NUBIEBER, Calif.—W. G. Mas-
sey, a ranchhand for the C. W.
Clarke company, received a foot
injury; Wilbur Barnes, Indian,
was scratched and bruised, and
one mule was killed, in a run-
away near the company's Dixie
Valley ranch Tuesday.

Massey and Barnes were bring-
ing a load of fence posts down
a rough mountain road when
their brakes failed and the
equipment got out of control. The
mules chose opposite sides of a
tree that stood in their path
and wrecked the outfit.

STARTING causes 3/4 of your engine's wear

The result of today's "stop-and-go" driving...
but now a new oil REDUCES THIS WEAR

YOU step on the starter 10 times a day
... 3,500 times a year (business cars are
started 15,000 times). Instantly over 100
metal parts rub together!

If your engine is cold—and the oil is too
thick (like molasses)—it cannot flow quickly
enough to reach all these moving parts.

As a result, your engine often runs com-
paratively "dry" of oil for a few seconds. The
starting period, say engineers, can cause
approximately 75% of engine wear.

Is it any wonder that motors lose their
quiet, new-car "purr"... that hundreds of
thousands of cars each year need new piston
rings? Re-bored cylinders? New bearings?
And other repairs costing from \$10 to \$100?

This is why leading motor car manufac-
turers urge the use of *faster-flowing* lubricat-
ing oils. "But," they warn, "these oils must

not *break down* under the heat of *steady*
running."

And so, at a cost of over \$3,000,000, Shell
has developed a new oil—an oil *especially*
made for today's "stop-and-go" driving.

★ ★ ★

The new Golden Shell Motor Oil is FAST-
FLOWING and yet TOUGH... so that it
lubricates quickly in starting, yet under high
heat Golden Shell holds its body and resists
breaking down into sludge and carbon.

Detroit automotive engineers... leading
oil technicians... and professors in large
American universities, assert that the proc-
ess behind the new Golden Shell Motor Oil
is the most important advance in oil refining
during the last 25 years.

Start protecting your engine with Golden
Shell *today*. Now ready at over 30,000 neigh-
borly Shell stations from coast to coast.
