A special meeting of the Fort Klamath 4-H T. N. T. Sewing club was held at the home of Mrs. Opal Page, local leader.

All members reported with their work completed, making the Nimble Thimbles Sewing club a 100 per cent sewing club, a record of which they are justly proud. Some little time was taken to tag the various articles, preparatory to their going to the fair.

After the short business meeting Marie Loosley and Opal Taylor went through the demonstration they are to give at the fair.

A group picture of the members and the leader was taken May 7, all the members being present but two.

CONSTIPATED 25 YEARS, ALL-BRAN BROUGHT RELIEF

Delicious Cereal Corrected His Condition

Here is Mr. Johnson's letter: "I got a package of Kellogg's ALL-BRAN, and before the package was gone I was very much better."

"So I have been eating it for two or three weeks, and my constipation" has gone, and I was constipated for 25 years or more. Hoping this may help some one to better health. I am a new friend to Kellogg's ALL-BRAN."—Mr. J. B. Johnson, Lake Charles, La.

Mr. Johnson's letter is one of many. Millions find Kellogg's ALL-BRAN corrects constipation satisfactorily. It supplies the "bulk" missing in the average American meal.

The "bulk" in ALL-BRAN is mild and effective. It absorbs moisture, and gently exercises and cleanses the intestines. ALL-BRAN also supplies vitamin B and iron.

Isn't it more sensible to use this natural food instead of taking patent medicines? Just eat two table-spoonsful daily. If not relieved, see your doctor.

Use as a cereal, with milk or cream, or cook into muffins, breads, etc. It is sold by all grocers. Made by Kellogg in Battle Creek.

*Constipation due to insufficient "bulk" in meals.
