

LOCAL CLUB JOINS IN STATE CONCLAVE

Local delegates and members of the Klamath Falls Business and Professional Women's Glee club will leave for Roseburg on Friday and Saturday of this week to participate in the state convention of the organization.

Because the Klamath Falls group has the largest membership in the state, the local club will send seven official delegates, and two state board members.

The Klamath Falls delegates are Dena Backes, Jewell Cantrell, Irma Badger, Martha McCollum, Ann Avery and Emma Carter, whose places at convention will be taken by Mae King Conrad, alternate.

Mrs. Isabelle Brixner, state membership chairman, will sit on the state board, as well as Mrs. Jean Porter, local president.

Twenty members of the glee club and the director, Mrs. A. J. Vove, with Miss Marie Obenchain, accompanist, will also make the trip to Roseburg.

The glee club will compete in the state contest to be held there Saturday night.

INSTITUTIONS HIT POPULATION HIGHS

SALEM, May 21. (AP)—Population records were broken today for two of Oregon's state institutions located at Salem. Both the state insane hospital and the state penitentiary had new high marks, superintendents reported.

Dr. R. E. Lee Steiner of the hospital reported 2,440 inmates at the institution which is already overcrowded. A new addition was fast being completed to relieve the crowded condition. Warden James Lewis reported 959 prisoners, exceeding by two the high mark of 1931. The institution is equipped to handle 1,000 prisoners.

Between 20 and 30 prisoners now eligible for parole under the good-time deduction, were being held pending the outcome of the habeas corpus proceedings for the immediate release of Earl H. Fehl without the necessity for parole, as ruled necessary by the attorney general. The Fehl case is pending in the Marion county circuit court and will be appealed to the state supreme court.

Lava Beds Pictures Shown at Meeting

Moving pictures of historical places in the Lava Beds were shown at the Camp Fire guardians' meeting held at the Conger avenue club house on Tuesday as a means of stimulating interest in the erection of a memorial, statue of Winema, heroine of the Modoc war. The Camp Fire organization is one of several local groups working toward this end.

Reorganization of its board of sponsors was discussed by the group, and a meeting was set for next Tuesday, May 26, at 7:30 at the club house. It is hoped that with this reorganization a paid executive may be secured for Klamath Falls.

Other plans discussed were those for the carnival to be held Saturday at 2:00 at the Camp Fire house, affiliated with the Audubon society for the study of birds, summer camp at Lake of the Woods, and the rummage sale to be held on June 6.

National Pension Club Official to Visit Here Soon

The Rev. Dr. Clinton Wonder, member of the national Townsend board and eastern regional director, will be guest speaker at a meeting of Klamath county Townsend clubs set for the armory, Friday night, May 29. It was announced Wednesday by local Townsend leaders.

Dr. Wonder will be accompanied on his visit here by John H. Weir, newly elevated state area manager, and other ranking OARP officials of Oregon and the Pacific coast.

Plans for the armory meeting and reception of the visitors were laid Tuesday night, when advisory boards and officers of the Klamath county clubs gathered at city hall.

Committees were formed to handle the May 29 event, and chairmen appointed as follows: Program committee, Mrs. W. T. Dean, chairman; finance committee, Mrs. W. H. Carter, chairman; receiving committee, composed of the presidents of the various clubs; advertising committee, U. S. Valentine, chairman; decoration committee, Mrs. W. M. Estes, chairman. The members of the junior Townsend club will serve as ushers, under direction of Mr. Hill.

It is expected that the Klamath Temple choir and the city band will provide music for the armory meeting.

MANY INQUIRIES MADE BY TOURISTS

SALEM, May 21. (AP)—Governor Martin announced today inquiries from 22,242 motorists outside of Oregon concerning scenic trips and the Oregon Coast highway route have been received the past month, most of which resulted from the recent advertising campaign launched by the highway department.

In addition to motorists who visited Oregon last year, requests for information and maps have come from persons as the result of direct advertising, the Oregon State Motor association work and the evergreen playground advertising campaign.

Martin stated that out of state motorists last year paid about \$750,000 in gasoline taxes in the state, and that non-resident motorist registration for the first four months of 1933 exceeded by 17 per cent the total for the same period last year.
