

FELLOWSHIP GROUP OBSERVES BIRTHDAY

The Men's Luncheon group which has been meeting at the First Presbyterian church for several years past is planning a celebration Monday noon. It is almost four years since the group of seven men from the Presbyterian church met for luncheon at the Pelican Grill and proposed the formation of a men's club that would center in Bible study and fellowship.

Subsequent meetings were held in the Pelican Grill, when it was decided to meet in the dining room of the First Presbyterian church. Mrs. E. L. Granblitt assumed responsibility for the preparation and serving of the meals and continued in this capacity for the next ten months. The women of the congregation then took over the task.

Various laymen led from time to time in the devotional period. Later Adjutant Clarence Ford served as the first regular leader for several months, conducting Bible studies. This was followed by a period of several months, when laymen presented topics of general interest relating to the business or profession in which they were engaged. By this time the various churches were officially represented on the board of control and each church assumed responsibility for the speaker in turn. On April 22, 1934, A. W. Sellwood spoke on Russia and conditions in the Orient. This led to a women's night meeting, when dinner was served to one hundred and twenty-three. An address by the same speaker was delivered. Sellwood became a regular speaker. When Sellwood left, J. P. Loper served as leader for several months. Recently several of the ministers of the city have been giving the pastor of the Emmanuel Baptist church, is leading in a study of the book of Hebrews.

Monday every member connected with the organization is asked to bring two others with him as guests. It is expected that a large number will attend. Reservations should be made through E. L. Elliott's office, telephone 1298, in order that adequate provision be made for all.

Weyerhaeuser

WEYERHAEUSER CAMP—Mr. and Mrs. Loyd Harbin honored their daughter, Betty Harbin, with a bridal shower Wednesday evening at the community hall. Miss Harbin's engagement to Vern Marker of Weyerhaeuser Camp was previously announced at a tea given at the popular member of the younger set at Weyerhaeuser Camp. Many lovely gifts were received. Bill Jones was master of ceremonies and arranged a full program. Alice and Bonnie Loftsguard sang "Beautiful Lady Blue," accompanied by their mother. Two songs were offered by Beverly Jones, "Ding, Dong Daddy," and "Three Blind Mice." The Loftsguard trio again sang "I Love You Truly," after which the guests enjoyed dancing and refreshments. Mrs. Irene Hagman and children are planning a two-day

PORTLAND AND WEST COAST CITIZENS SAY: VAN-TAGE ACTS ALMOST LIKE MAGIC

Widely-Known Lumber Man, of Near Portland, Says: "I Was Full of Gas, Bloat—My Meals Felt Like Heavy Weight in Stomach, Kidneys, Got Me Up All Night—But Now My Suffering Is Gone. I Feel Fine, Thanks to Van-Tage."

Day after day widely known people living throughout this whole Portland section continue to come forward with public statements praising and endorsing the Amazing Formula known as Van-Tage, which is now being introduced to crowds daily here in this city by the druggist at Everbody's Cut Rate Drug, 808 Main St., Klamath Falls. For instance, just a few days ago Mr. J. R. Johnson of McGlynn, Oregon (near Portland), made the following statement. Mr. Johnson is a widely known lumber man with hundreds of friends in this section. Following is his remarkable statement:

"For years I was in awful condition with stomach gas and bloat, sluggish kidneys and rheumatic pains," said Mr. Johnson. "Seemed like my meals did not digest at all, but just laid in my stomach like a heavy weight and caused pain and formed gas which would press up into my chest around my heart and make me dizzy. I was in misery with my stomach all night long. Had awful headaches for days at a time from this stomach condition. My kidneys were so sluggish that my nights were all shot to pieces, as I had to keep rising with my kidneys all night long. Back was weak, sore and painful over my kidneys. Another thing was that for the last five years I had been a victim of rheumatic pain and stiffness in my elbows, knees and hips. This rheumatic suffering had me in misery when it would strike me."

Says Van-Tage Was Just What System Needed

"Well, finally I found Van-Tage and it proved to be what I had needed all the time. This medicine has a wonderful action on a person's stomach. It cleared the gas, bloat and pain out of me and now my meals digest like they should without any of that awful, lumpy, weighty feeling in my stomach afterward. The gas misery in my chest around my heart is gone and the dizziness and headaches have disappeared. Another great thing is that it acts on the kidneys. Now I can go to bed and sleep and not have to keep rising all night like I did before, and the pain and soreness are gone from my back. I also got relief from the rheu-

Here's a Wedding Alley Oop Should Have Attended

trip to Sedro Woolly, Washington, where Jackie may stay with his grandparents for the summer. Mrs. Walter Beer will accompany Mrs. Hagman as far as Portland, staying there until Mrs. Hagman returns.

Mr. and Mrs. Victor Holm and small son John, have returned to Weyerhaeuser from Portland where Holm has been for the last six weeks being fitted with an artificial leg. Holm lost his leg in an accident at Weyerhaeuser Camp.

Pearl Louise Chapman, the new daughter of Mr. and Mrs. Jack Chapman, is gaining weight nicely.

Dorothy Moore of Copco California, is spending the week visiting her aunt, Mrs. George Judd.

Mrs. William Jameson was hostess for the Women's Card club Thursday, June 4. Mrs. Jameson took first prize and Mrs. George Judd second prize.

Mrs. Wilma Brainerd who has been visiting the Roberts family the past week, has returned to her home in Butte Falls.

Mrs. George Elliott, Weyerhaeuser teacher, left Friday evening for her home in Puyallup, Washington.

Oil consumption generally is about the same in both diesel and gasoline engines, but cleanliness is more difficult to achieve in the former and more frequent changes of oil and filter elements are necessary.

The cassava plant, the roots of which furnish tapioca, grows in South America. It attains a height of 10 feet, and the root weighs from 1 to 20 pounds.

Pioneer French settlers in the provinces of Nova Scotia and Quebec planted the first apple trees in Canada, more than 300 years ago.

matic trouble. In fact I haven't had a touch of rheumatic pain since the first day I took this medicine. I think all poor suffering people should hear of Van-Tage. So I am gladly making this statement, and want all to know that this is a truthful statement and I will verify it to anybody."

How the 21 Herbs in Van-Tage Help You

It is the Natural Herbs in Van-Tage which enable it to produce the amazing relief described above by Mr. Johnson. Herbs act almost like magic on human beings. They cleanse the bowels, clear gas and bloat from stomach, flush excess impurity from kidneys and bladder; cleanse waste and poisons from the liver. They act as a stomachic, diuretic, bile stimulant, laxative. VAN-TAGE contains 21 of these wonderful natural herbs. And there you have the reason for the surprising action of this great medicine. Tearachy, pain-stricken, miserable people get such a cleansing and invigoration from Van-Tage that they soon feel like different men and women. Remember—due to the immense volume in which it sells, the price of Van-Tage is reasonable. You can actually take this Amazing Formula, with its many splendid herbs and other ingredients, for just a few cents per day. So don't hesitate. Get Van-Tage—NOW—and start taking it!

You can get Van-Tage at Everbody's Cut Rate Drug, 808 Main St., Klamath Falls.
