Governor Stands Pat on Relief Limitation

LIQUOR FUND USED TO MEET OVER DRAFTS

"Hell, Let Them Work!" Says Martin at Pendleton.

EXECUTIVE ANSWERS PLEAS FOR MONEY

Payment Eliminates Need For Certificates of Indebtedness.

PENDLETON, June 13. (AP)—Governor Martin, in vigorous language, told the state today he would stand pat on a limitation of relief funds for the unemployed.

Future Remains Question

With that remark the governor at a public dinner here last night in connection with his inspection tour of eastern Oregon highways, delivered his answer to a plea of some state officials for additional relief funds.

What the immediate future of the relief program would be remained a question.

Governor Martin last night declined to sign certificates of indebtedness for \$100,000, presented by the state relief commission and rushed here from Salem, but he said he asked Arthur K. McMahon, chairman of the state relief committee to make available enough money to cover drafts already mailed.

Warrants Go Unsigned

The governor earlier this week declined to sign warrants for \$220,000 for direct relief, insisting the program be placed on a cash basis. Yesterday, State Treasurer Rufus Holman issued a "stop payment" order after an overdraft of \$15,454 was reported.

At the dinner Governor Martin said "the unemployed can have the \$1,500,000 annual profit that the liquor commission gets from people who want to drink but I'm not going to give them the taxpayers' money."

W. C. FIELDS ILL IN CALIFORNIA

RIVERSIDE, Calif., June 13. (AP)—The shadow of illness deepened today over W. C. Fields, veteran mirth-maker of the stage and screen.

He was a patient in Riverside community hospital, suffering from a serious attack of pneumonia.

After a year, during which he shuttled from the sick room to the movie set, Fields went to a hot springs resort at San Jacinto, near here, seven weeks ago. He sought rest and sunshine.

Yesterday his condition became worse and a diagnosis revealed pneumonia.

A native Philadelphian, the comedian ran away from home at the age of 11 years to become an actor. He got his first job in an Atlantic City beer garden at \$5 a week.

At 57, Fields is a fixture in the select circle of starring screen comics.

Republican Party Held Reactionary

NEW YORK, June 13. (AP)—Earl Browder, general secretary of the communist party, said today the nomination of Governor Alfred Landon and Colonel Frank Knox "confirms fully the communist party estimate that the republican banner serves to rally all of the most reactionary forces in America."

FRANCE OPPOSES REFORMED LEAGUE

British Proposal Finds Little Favor Among Paris Chiefs.

PARIS, June 13. (AP)—France will reject a British proposal to reorganize League of Nations members into regional groups, authoritative sources declared today, as "destructive to the entire structure of collective security."

Informed sources called the suggestions, reported to have been made orally by Sir George Clerk, British ambassador to Paris, to Premier Leon Blum, "impossible," because of the league "districts" proposed.

The British plan was reported to have advanced two ideas:

1. Cancellation of sanctions against Italy on the ground the war penalties failed to halt the conquest of Ethiopia.

2. Revision of the league covenant, with particular emphasis on Article 16, which provides obligatory application of sanctions by all members when voted.

The French sources close to the foreign office said, found little fault with the first suggestion, but they could not accept the second.

State Grange Asks Reduction in Pension Age Limit; Tax Boost Opposed

LEBANON, June 13. (AP)—The Oregon grange ended its 1936 convention early today with the adoption of resolutions asking a reduction of the age limit for old age assistance from 70 to 65 years, creation of a one-house legislature of 60 members and diversion of gasoline taxes to county road funds up to a limit of 25 per cent annually.

Tax Increase Voted Down

A resolution increasing the state income tax was voted down but approval was given a resolution proposing a special tax on chain stores.

Creation of a uni-cameral legislature, such as Nebraska has, would be sought after the state has been restricted. It was indicated that an initiative petition to put the question on the ballot would be prepared.

The grangers also declared against special elections and added a clause that the state should finance those which are held.

Other resolutions adopted included:

Holding of the state fair the third week in September and increasing the cost of out-of-state fishing licenses.

At an impressive ceremony Friday afternoon with George Sehmeyer, California grange master acting as installing officer, the 1936-37 officers of the Oregon grange were inducted into their posts.

Those chosen were: Ray Gill, Portland, master; Morton Thompkins, Dayton, overseer; Mrs. G. W. Thiesen, Milwaukee, lecturer; Bertha Beck, Albany, secretary; George Palmer, Portland; Peter Zimmerman, Yamhill; Fred Goff, Roseburg, executive committee.

Edith Weathered, Aurora, chaplain; Eleanor Rich, Cove Orchard, Pomona; Mildred Crow, Hamilton, Florida; Dorothy Perkins, Baker, lady assistant steward; Oscar Lundell, Willows, steward; Henry Gustafson, North Bend, assistant steward; Max Kligel, Boring, gatekeeper; Max Knowles, Minerva, Ceres.

The convention was attended by 460 delegates from 256 grange halls and more than 200 members were initiated into the farm fraternity.

FIRST BONUS BONDS ARRIVE IN KLAMATH

Federal Certificates Here Two Days Earlier Than Expected.

DELIVERY STARTS EARLY NEXT WEEK

Postoffice, Legion Give Instructions to Ex-service Men.

The first bonus bonds for Klamath county ex-service men began arriving in Klamath Falls Saturday.

Burt Hawkins, postmaster, indicated more would reach the postoffice over the weekend ready for delivery probably on Monday. The bonds were here two days earlier than expected.

Sum Set at \$702,000

Officials of Post No. 8 of the American Legion said about 1500 war veterans in Klamath county would receive the bonus. The sum turned into this section of the state was estimated in the vicinity of \$702,000.

In preparing to assist veterans in cashing the bonds, the Legion issued the following statement:

"Carrying on to completion a job it started many years ago, the local post of the American Legion will be on deck to assist the veteran to receive his bonds from the local postal officials and assist him to get them certified for payment. They have placed several of their members at the disposal of the post office and these legionnaires will be there for your service during the rush period next week to render any assistance possible.

"It is thought that it will be to the veteran's best interest to receive the bonds from the carrier when possible, especially if he does not know any of the postal employees at the main office.

Delivery to Addressee

"Remember that delivery cannot be made except to the addressee only. In this case that means the veteran. If you have changed your address since applying for the bonds the office should be notified. As long as the new address is within the jurisdiction of the local post office the bonds will be delivered to the new address. If you have moved outside this jurisdiction then the bonds must be returned to the sending office unless you come here to claim them. They will be held here for 30 days before being returned unless you have left a forwarding address in which case they will be returned."

PITTSBURGH MAYOR ARRESTED TODAY

PITTSBURGH, June 13. (AP)—Mayor William N. McNair was arrested today and taken to criminal court to answer a warrant charging him with feigning and misfeasance in office.

The executive went along willingly with deputy sheriffs sent by District Attorney Andrew T. Park.

The officers found him waiting at his desk in city hall.

Judge Ralph E. Smith instructed the warrant be issued after officers told him McNair had ordered city magistrates not to provide in felony cases. The police said the mayor put this order after a grand jury started an investigation of police conditions.

Their deaths bring to more than 300 the total persons killed since the leftist election victory of last month.

The civil guard was seized as he walked alone last night in front of socialist headquarters in Palenciana, Cordoba province.

Cooler temperatures are in prospect for Sunday, according to the week-end forecasts.

The outlook for the week from June 15 to 30 for far western states is for fair weather in the southern districts and generally unsettled and showers elsewhere, but becoming fair by the middle of the week. There will be considerable fog on the coast, and normal temperatures.

Two-Fisted Fight Promised Against New Deal Forces

Landon and Knox Will Meet on Tuesday to Outline Tactics; Platform Dissatisfaction Reflected in West

CLEVELAND, June 13. (AP)—Under new and younger leadership the republicans began the groundwork today for a two-fisted, no-quarter campaign to displace the new deal.

Western Dissatisfaction Seen

While Governor Alf M. Landon and Col. Frank Knox prepared to discuss tactics Tuesday in Topeka, the field staff of the party carried back to the rank and file in all states the militant message of its convention.

Some hazards to harmony began to arise with dissatisfaction among certain western independents as they reflected over the platform. Senator William E. Borah, who had pretty much his way in the policy declarations only to have Landon later proclaim some personal planks including monetary views opposed by the Idahoan, withheld any pledge of support.

Senator Nye (R-ND) left Cleveland saying the platform had more chance to draw "reactionary support in the east than to regain" western progressives.

In Washington, Senator Norris (R., Neb.) said: "Reactionaries are in control," and predicted the re-election of President Roosevelt. He had already been given up by many republican leaders after his support of Roosevelt in 1932.

Widespread Praise Heard

In contrast with these statements was a flood of laudatory comment from party members. Herbert Hoover announced that "the ticket and the platform suits me fine." He announced himself in readiness for a call to take the stump.

Elected chairman of the republican national committee by Landon's request, John Hamilton—his campaign manager—forgot his weariness to declare he planned a "vigorous and hard campaign."

Charles D. Hillis, the old guard leader from New York, who had been reported opposed to Hamilton, moved for his nomination. It carried unanimously.

Governor Landon is known to be awaiting the democratic platform, to be framed by the convention opening in Philadelphia June 23 for renomination of the Roosevelt-Garner team, before heading into his campaign.

Hopes of some of the republican leaders to have an immense notification ceremony at the stadium convention met. Landon's preference was understood to be for a "front porch" affair, probably in Topeka in August.

Representative Bertrand Snell, the convention chairman, will notify Landon; and Senator Frederick Steiwer, temporary chairman, will notify Knox.

JAP VESSELS, TROOPS READY FOR OUTBREAK

Six Destroyers, Cruiser Land Marines in Fukien Province.

NANKING WARSHIPS ORDERED NORTH

Civilians Continue Demonstrations Against Nippon.

AMOY, China, June 13. (AP)—Six destroyers and one cruiser of the Japanese navy arrived here today and landed marines. The landing of the marines, it was said, was to protect Japanese lives and property.

A Japanese naval officer stated the seven vessels were ready to proceed to Canton at a moment's notice in case of necessity.

Reports of hostilities between the forces of the central (Nanking) government and of south China were received here today.

Skirmishes were said to have occurred along the Fukien border.

CHINESE SHIPS LEAVE FOCHOW, China, June 13.

Fifteen light cruisers and gunboats attached to the central (Nanking) government navy steamed northward today under emergency orders.

The vessels were en route for a practice cruise but abandoned the maneuvers.

By The Associated Press

The central government of China increased its military preparations today as civilians in both north and south China demonstrated against Japan.

The Nanking government recruited more men into the national army as a threat to south China which, last week, sent troops northward into Hunan province.

Civil War Fades

In Peiping, 4,000 students marched through the streets shouting epithets against Japan; in Canton, the southern capital, 100,000 civilians, shepherded by soldiers, marched in a similar demonstration.

The Chinese had withdrawn their armies slightly from the farthest north point of advance and since the central government forces apparently have made no move to attack the south, observers leaned to the belief that the danger of civil war was fading but that civilian demonstrations would be used to force the Nanking government to strengthen its opposition to Japanese encroachments in the north.

In the Japanese embassy in the north, military attaches in the Japanese embassy to China, asserted: "Both sides are bluffing."

ANTI-JAP SENTIMENT SHOWN HONGKONG, June 13.

One hundred thousand Chinese demonstrated against Japan today in Canton streets.

Men, women and children marched despite a heavy rain. Hundreds of Canton (southwest) government troops kept order among the demonstrators.

Several thousand farmers participated, carrying sickles, hoes, and rakes. They looked like a peasant army.

An unconfirmed report said the southern troops were returning to Canton from the south.

Gen. Chan Chai-Tong, Canton rebel leader, sent a delegation to negotiate with the Nanking (central) Chinese government.

Informed persons at Canton said they believed the southern leaders would abandon military threats and rely entirely on anti-Japanese demonstrations to bring pressure on Generalissimo Chiang Kai-Shek for action by the central government against Japan.

The parade occupied the entire day marching through the city.

The marchers roared over the heads of the residents, most of whom were carrying banners urging Chinese unity to oppose alleged Japanese invasion of the republic.

OREGON DELEGATES PLAN PARTY RALLY

Event Will be Held At La Grande; Group Lauds Ticket.

CLEVELAND, June 13. (AP)—Homeward bound, Oregon's ten delegates to the republican convention looked forward today to opening their campaign at a rally to be held in the near future at the home of Jack Pearce of La Grande, veteran member of the party.

In a telegram received by Walter Toose of Portland, chairman of the delegation, just before his departure for home, Pearce invited the delegates to the state rally.

"The rally will be the starting point of a vigorous campaign which will put the Landon-Knox ticket over in Oregon at the November election," Toose said.

"We have a ticket and a platform that will swamp the enemy," Toose said.

The date for the rally is to be set later.

The Oregonians, before their departure from Cleveland, expressed themselves generally as entirely in accord with the party platform, with the exception of C. W. Clark of Beaverton, advocate of the old age pension program of Dr. F. E. Townsend.

At a caucus Wednesday the delegation voted seven to three against a resolution calling for endorsement of the Townsend plan. The resolution was presented by Clark, D. J. Butcher of The Dalles, and H. De Armond of Bend.

Clark contended the plank adopted did not go far enough. It calls for payment of pensions on a pay-as-you-go basis, without specifying a fixed amount.

Henry Collier of Portland enthused over the nomination of Knox. He said Knox will be a "big help in winning over the enemy in November."

Collier saw only one tragic note.

"Toose lost his voice cheering every time Knox' name was mentioned," he said. "When Knox was nominated unanimously today all Walter could do was whistle and how he whistled."

Joseph Dunne of Portland described the ticket and platform as "the best in years."
