

BATTERY FROM KLAMATH HAS HIGHEST SCORE

ASTORIA, Ore., June 26. (AP)—Coast artillery soldiers at the Oregon national guard encampment at Fort Stevens and Fort Canby made exceptionally high scores in cannonading targets with the big coast defense guns, officers said today.

Battery D from Klamath Falls not only got off its eight record shots on the 10-inch guns in 50 seconds, but made a 144 score. Anything over 95 is good. Captain D. E. Van Vactor commands.

Ashland's Battery B, commanded by Captain Clyde G. Young, scored 119-7 with the six-inch rifles.

Battery C, Marshfield, whose Captain Duncan Douglas took command only a week before camp, scored 100-3 with the 10-inch rifles.

Battery A, of Albany, scored 79-95 with the 12-inch mortars in comparison with a 21-4 last year. Captain Charles Oliva is commander.

The mortars, firing high into the air, are not expected to score as high as the rifles, where the gun pointed has the target constantly in view.

Former Solon, Wife Start Divorce Fight

SPOKANE, Wash., June 26. (UP)—Former sen. Clarence C. Dill and Mrs. Rosalie Jones Dill, wealthy New York feminist Thursday faced each other in divorce court while women scrambled for front-row seats.

Opening blast in what promised to be two weeks of mud-slinging was made by attorneys for Mrs. Dill, as they began to counter the pious and novel complaint in which Sen. Dill accused his wife of "cheap and gaudy dress," miserly and in-sanitary housekeeping, slanderous statements regarding his political integrity and telling people he was going blind and "borrowing money from everybody."
