

Oakland Holds Slight Lead in Coast League

Promoters Fight for Supremacy

Conflict in Full Swing Over Tentatively Scheduled Schmeling-Braddock Fight in September.

Madison Square Garden and Mike Jacobs are squared off in a final fight for supremacy in the back-busting business.

Jacobs announced that Jim Braddock will defend the world heavy weight championship against Max Schmeling under his auspices in September.

Colonel John Reed Kilpatrick says that Braddock will be held rigidly to a contract to appear for the Garden. He also claims to have a hold on Schmeling, indicating that money advanced to the German manager, Joe Jacobs, makes the string more binding.

Schmeling is signed to box for Mike Jacobs, and Braddock asserts that he will appear under that organization's banner despite his Garden contract. Not a few suspect that Mike Jacobs also has Braddock under contract.

"I'm not saying a word about it now, but I'll do it right! I'll do all right!" says Mike Jacobs. Joe Gould, manager of Braddock, makes the significant statement that the Jersey Mick will fight for the organization producing Schmeling.

Jacobs can produce Schmeling, it seems, and injections and lawsuits seem inevitable. Colonel Kilpatrick declares that this is one decision the Garden won't lose—that it will carry the case to the highest court.

Thoroughly aroused by the attempts to take Braddock away from the Garden, Colonel Kilpatrick is allowing fury to ride over the gates for the first time since he became head of the Eighth avenue corporation.

"I know just what has gone on since our principal opposition started business a little more than a year ago," asserts the old Yale Blue.

"I have a stack full of data that might kill professional boxing for a couple of years. I don't want to do it, but will, sooner than lose this fight. I've gone along like a gentleman for more than three years, and enough is sufficient."

Colonel Kilpatrick reports that the general operation profits of the Garden for the fiscal year ending May 30, amounted to \$1,250,000, and that less than 10 per cent of the amount came from boxing and wrestling. The Garden recently paid an extra dividend of 70 cents a share, although it earned substantially more than that.

"I have shown the Garden directors that we can make money without boxing and wrestling, and they are solidly behind me in my fight to hold Braddock to his contract and to send him against the foremost challenger, Schmeling," concludes Colonel Kilpatrick.

With Jacobs moving into the Hippodrome in the fall, the Garden will have first-rate indoor opposition for the first time, and the war promises to be a merry one. It will seem like old times, with everybody bringing their own lawyer, etc.

It is doubtful that whatever action Colonel Kilpatrick and the Garden feels that it has to take will mean the end of boxing, however. If it is put out of business, the many art of mauling mugs will bounce right back again. It always has.

Only a sturdy old dodge could have survived the years that professional boxing has been kicked around by those professing to promote it.

Oregon Javelin Star in South for Track Trial

SAN FRANCISCO, June 27. (AP)—Friends here said Bob Parke, Olympic club javelin thrower from Oregon, reached Los Angeles on "his own" yesterday and will compete in the Olympic games semi-final trials there today.

Parke could not be taken with the Olympic squad because Coach Charley Hunter's expense account wasn't big enough.

SMALL MARGIN DIVIDES CLUBS

3 Teams Closely Bunched In Thrilling Fight For Top Place

By Associated Press Oakland held a precarious lead, with three other closely-bunched teams mathematical first-place possibilities, as Coast league teams moved into weekend series today.

The Oaks easily won their third successive game from the Missions 6-1, while the second place Seattle Indians trounced San Francisco's Seals 7-1. Portland dropped a 4-3 contest to Los Angeles.

The victory put the aroused Seraphs in a tie for sixth with the Seals. San Diego evened its series with Sacramento by grabbing a 2-2 decision.

Seal Batters Stopped Every game was marked by pitcher-batter duels that were responsible for victory.

Lou Koupal, Seattle's star pitcher, pitched with such cunning that San Francisco made only three hits, while Jerry Donovan, Seal cast-off, bludgeoned in six of the Indians' counters with a two-run single in the second and a four-run homer in the sixth.

Los Angeles came from behind in the ninth inning to whip Portland 7-1. The Seals' double scored two runners and created a one-run lead. Dutch Leiber, who went the route for the winners, was invincible after the fourth inning, allowing only two hits.

Crashed Wins Third Jack LaRocca came back after two dismal showings in San Diego to limit the Missions to seven scattered blows. Tommy Gordon, Acorn shortstop, sent home a run in the first with a single, then broke the tie in the sixth with another hit that scored two.

Van Wirthman, batting eighth in the lineup, helped Howard Johnson win his third in a row since joining San Diego. The outfielder scored McDonald with a triple in the fourth, and counted the tying run a moment later.

His booming fly in the eighth sent Catcher Jimmy Kerr home with the winning run.

Young Shotmakers in Running for Northwest Title

VANCOUVER, B. C., June 27. (AP)—A pair of young shotmakers, one with his name already on the international amateur class list and the other a mill worker not long up from the caddy ranks, tee off today over the Point Grey course in the 36-hole championship final of the Pacific Northwest Golf association tournament.

Oddly favored steady stroking Harry Givan of Seattle who blasted par on and off during 47-holes of match play during the past two days, but British Columbian looked expectantly to Jimmy Robertson for a Canadian titleholder.

A caddy at Marine golf club for some 10 years, young Robertson got his start in competition golf two years ago when the businessman golfer for whom he had carried clubs since he signed as a caddy put him to work as a salesman so the youthful divotter could graduate to membership in the golfing fraternity.

While Givan was shattering par by a good three strokes over 29 holes yesterday to eliminate his clubmate and everyday golfing champion, Sherman Ellsworth, by 8 and 7, Robertson was taking the measure of another Seattle entry, Forrest Watson, 5 and 4.

Reed Selected Assistant Coach

EUGENE, Ore., June 27. (AP)—Richard W. (Dick) Reed, former University of Oregon grid star and more recently of the professional ranks, will succeed Johnny Kimmiller as end coach next season, the university athletic board announced.

The board voted to retain the remainder of the coaching staff and approved the athletic budget for the 1936-37 school year.

"Prink" Callison is head football mentor. Kimmiller resigned to give full time to his work at Dallas, Ore.

Polin Boosts Klamath Fishing

Louie Polin, Klamath sporting goods dealer, has been visiting old cronies in San Francisco and, incidentally, doing a little boosting for the Klamath county fishing.

Recently Louie's picture appeared in the San Francisco Chronicle. The merchant also saw the Schmeling-Louis fight pictures and described them as the best films of their kind he had ever seen.

Gentlemen Meet Villains on Tuesday's Wrestling Card

Gentlemen meet villains Tuesday night in the two featured wrestling matches at the Klamath armory.

Lated pretty much as a roughneck, Charles Carr of Mississippi, makes his debut in Klamath Falls against Dude Chick, the almost invincible cowboy from Wyoming. In contrast to the reports of the newcomer's use of questionable tactics, Chick continues to be one of the cleanest grapplers to come to Klamath Falls.

The second villain will be Ted Christy, swaggering bully from California, who lost a main event last week when he fouled Alvin Britt, the recognized champion of the National Wrestling association.

Christy, rarely defeated at the armory, will meet the clever Prince Mihalakis. A clean, fast match is assured in the opening bout when Frankie Peck, San Francisco, comes back to Klamath after several weeks in California, to meet Bobby Chick, the cowboy's brother. Bobby wrestled his first match here last Tuesday and stopped Juan Vigarito.

In selecting Carr to meet Chick in the main event, Mack Lillard, promoter, gave the new man probably the toughest assignment he could find. In 13 armory matches, the cowboy has never been defeated. In the course of establishing his remarkable record, Chick has lost but three falls. He dropped one to George Wilson, one to Pete Belcastro and another to Champion Alvin Britt. In first matches with Wilson and Belcastro he was held to draws but came back to win in return engagements.

Mihalakis, beaten by Belcastro last week, was given an outstanding chance to defeat Christy, finalist in the recent Los Angeles mat tournament. If the Arab can survive Christy's roughness, he may win on superior wrestling.

Lillard reported a brisk ticket sale at the various selling places down town.

Big League All-Stars Named for July 7 Contest

BOSTON, June 27. (AP)—The National and American league all-star teams will take the field here July 7 with two of the most spectacular rosters in many years on opposing teams.

Joe Di Maggio, brilliant Yankee outfielder, and Stuart Martin, Cards' infielder, each in his first year of the majors, made the grade in a nationwide poll of baseball fans conducted by newspapers to decide 16 of the 11 players to represent each league in the mid-season classic.

Joe McCarthy of the Yankees and Charley Grimm of the Cubs were named rival managers, and each will select the other five players.

The material from which they may choose still includes such stars as Al Simmons, Joe Cronin, Mel Harder, Joe Yonick, Frankie Frisch, Paul Waner, Pepper Martin, and 11 other participants in last year's fixture, all of whom failed to gain places in the balloting this year.

"Dixie" Dean led all players with 41,900 votes with Charlie Gehringer a close second with 41,335. Gabby Hartnett third with 41,385, and Bob Grove fourth with 40,640.

The National league squad: Outfielders—Joe Medwick, Cards; Mel Ott and Joe Moore, Giants; Wally Berger, Bees; Frank Demaree, Cubs. Veteran Yank Setting Pace for Batters

NEW YORK, June 27. (AP)—The batting pace Lou Gehrig, the Yankees' clubbing first baseman, is setting in the big leagues is so hot that not one of the current leaders in either league can keep up with him.

While most of the others at or near the top in the two major circuits were slipping, Gehrig continued his slugging during the past week to climb over the 400 mark, the only batsman in that select set in the big time.

The "Iron-Man" veteran batted at a near .500 clip for the week which ended yesterday, to boost his mark from .395 to .402.

At the same time, Stu Martin, the St. Louis Cardinal rookie sensation, retained the National league lead, but slipped considerably during the week, getting but nine hits in 28 trips to the plate, which dropped his average from .377 to .369.

Klamath Teams to Meet Strong Rivals Sunday

Eastside-Ewauna and Big Lakes, the two Klamath Falls entries in the Klamath Basin league, will receive real tests in Sunday's baseball schedule. The Eastside outfit entertains Merrill while Big Lakes goes to Mailh. Tulelake and Dorris, rivals of the northern Klamath section of the league, will play at Dorris.

REDS STAGING VICTORY DRIVE

Cincinnati Creeps Up Toward First Division Class

By The Associated Press The Cincinnati Reds, whose association with the National league cellar was so constant it had become more or less of a habit until Manager Charlie Dressen took over, are threatening to do a Max Schmeling on the experts this season.

While the Pirates and the Giants have been fighting it out at the tail-end of the first division, the red-hot Reds, previously rated no better than the sixth place they held last year, have been creeping up until they now are only two games out of that select set.

A general pitching improvement, particularly in Al Hollingsworth, is largely responsible, but along with this are such factors as the grand comeback of Kiki Cuyler, the snappy first-base work of Les Scallie, recent importation from Toronto, and the improved hitting of shortstop Billy Myers and second-sacker Alex Kampouris.

The Reds stretched a current winning streak to five games Friday with Cuyler and Lew Riggs hammering homers as Al Hollingsworth chalked up his eighth victory at the expense of the Phillies, 11-6.

The Giants were dropped back into fourth place, after a third-place run of only a day, when the Cubs clawed them 2-1, as Curt Davis pitched six-hit ball. The Pirates reclaimed third-place by noosing out the Boston Bees 2-1, with Red Lucas the victor over Danny MacFayden in a tight hurling duel, on the strength of Gus Suh's homer in the ninth.

Cards Hang On At the same time, the Cardinals were hanging onto their tiny lead over the Cubs by coming from behind to belt the hapless Dodgers 6-1.

The only American league game resulted in an 8-7 victory for the Cleveland Indians over the Red Sox when Joe Voornik broke up the proceedings with a home run in the tenth, showing the Sox to 6 1/2 games behind the pace-setting Yanks.

Bad weather forced postponement of the Washington-Chicago and Philadelphia-Detroit engagements, while the Yankees' battle at St. Louis had been put back previously to allow for a double-header Sunday.

Wilfred Courtney Barber, of Chicago, was the first reported American casualty in the Ethiopian war. He died of malaria.

NEW CARD

Latest addition to the roster of the St. Louis Cardinals is Art Garibaldi, young Coast League second sacker, who was acquired by the National League club from Sacramento in exchange for infielder Johnny Vergez and Pitcher Bill Cox. The youngster hit .326 in 71 games in the coast loop before the Cards picked him up.

162nd Infantry Captures Title at Encampment

ASTORIA, June 27. (AP)—Some sharpshooting from an unexpected quarter brought surprising defeat today to the 162nd infantry of the Oregon national guard, and broke his eight-year string of championships in guard athletics.

The sharpshooting was done by the 162nd infantry, which succeeded in doing what other contingents have failed in since 1927—winning the annual athletic contest of the summer national guard training program at Camp Clatsop from the 188th.

The 162nd, which was supposed to be out of the running, sprang its upset by amassing 145 points to 90 for the 188th, while other contingents trailed far behind. The 149th coast artillery was third, with 25 points; headquarters company, 82nd brigade, 15 points; 21st field artillery, 15 points; 167th hospital company, 10 points, and the 41st division headquarters company, drew a blank.

While Governor Martin and Major General Albert H. Blanding, chief of the national guard bureau at Washington, looked on, the military athletes cracked two records, one by Corporal Aaron Walker, Company K, 162nd.

Walker won the equipment race, while Corporal Henry Koko, Company L, 162nd infantry, gave his squad some taste of success by winning the shoe race in the starting time of 1:04 minutes, 17.4 seconds better than the former mark.

He'en Jacobs Nears Finals in Tennis Play

WIMBLEDON, Eng., June 27. (AP)—Helen Jacobs gained the quarter-final round of women's tennis championships today, defeating the Countess Lill de la Valdeano of France and Spain, 6-4, 6-3.

After trailing 3-4 in the first set, the United States champion began mixing lay, floating chopshots with fiery crosscourt smashes that the countess, better known to the tennis world as Lill de Alvarez, could not handle.

Miss Jacobs broke through her rival's service in the ninth game to clinch the set, easily holding her own service in the succeeding game.

The countess played brilliantly in spots but the cool precision of Miss Jacobs' game quickly wore her down in the second set. Dorothy Andrus of Stamford, Conn. and New York, was eliminated in another third round match by the veteran French woman, Mme. Simone Mathieu, 6-4, 4-6, 6-2.

Wilfred Courtney Barber, of Chicago, was the first reported American casualty in the Ethiopian war. He died of malaria.

PELICANS MEET VALLEY OUTFIT

Merchants Invade Klamath; Red Sox Play At Glendale

Southern Oregon League Red Sox ..... 2 714 Grants Pass ..... 4 3 571 Glendale ..... 0 7 000 Pelicans ..... 0 7 000

Games Sunday Grants Pass vs. Pelicans, Modoc field. Red Sox at Glendale.

The two Southern Oregon league leaders—Grants Pass Merchants and the Klamath Red Sox—will hit the road next Sunday with the former journeying to Klamath Falls to tangle with the hard-luck Pelicans and the Red Sox making the long hop to Glendale for a crucial battle against the Loggers.

With only five games remaining on the twelve-game schedule, the two top teams will throw their Sunday punches at their respective opponents in an effort to retain any slight advantage they now hold over Glendale, only one game out of first place.

The Red Sox-Logger battle, which will be the day's feature attraction, will see Merl Johnson on the mound for the Loggers and either Clyde Carlstrom or Al Hogan doing the flinging for the Red Sox. Hogan, released by the Pelicans last week to the Sox, eked out a 4-3 win over his former teammates last Sunday. He allowed only six hits, so may be given the starting assignment at Glendale.

At Klamath Falls, the Sox will probably start Dutch Oakes on the mound against the Merchants, while Ken Williams will counter with either undefeated Bob Hardy or Lanning. Cliff McLean, league leading hitter, will catch for the Merchants.

The decision handed down by president of the league, MacCracken of Ashland upholding the umpire's forfeiture of the Grants Pass-Glendale game on June 14 to Glendale was questioned by Grants Pass officials last Sunday. After a meeting of league, Glendale and Grants Pass officials, the Merchants decided to abide by the president's decision after threatening withdrawal from the league.

In addition to the release handed pitcher Hogan last week, the Pelicans released first baseman Durascha. Durascha was hitting .333 at the time.

League Plays Final Contests Before Holiday

With the Fourth of July weekend a holiday for baseball teams in Klamath county, members of the Crater Lake league expect to make the most of their three games Sunday.

The rest, however, will be welcomed by several clubs which seek to strengthen their lineups before resuming the championship race.

Southern Pacific will play at Algoma; Modoc Point will play at Pelican Bay and Chiloquin goes to Sprague River.

Beer Garden Brawl Fatal to Grid Star

CHARLESTON, W. V., June 27. (AP)—A sudden volley of shots fired during a beer garden brawl, ended the life early today of Leo Nizer, 23-year-old West Virginia university football star and wounded five other persons, including a girl. Two were clubbed in the head.

The disturbance happened so quickly in the downtown garden, Police Chief W. A. Tulley said: "I don't suppose we ever will know exactly what did happen."

He placed a charge of murder, however, against Okey Deboard, a former city patrolman and "bouncer" at the establishment. None of the injured was hurt seriously.

Nizer was a triple-threat backfield player and sophomore on last year's Mountaineer eleven.

Padgham First to List Score in British Open

HOYLAKE, Eng., June 27. (AP)—After knocking at the door of the title many years, Alf Padgham, tall and rugged British professional, won the open golf championship with 287 to-day as Henry Cotton, former title holder and the favorite, faltered down the stretch and finished with 289.

Padgham, runner-up, last year with the same aggregate, achieved the title with rounds of 73, 73, 71, 71, representing nine strokes under regulation figures.

HOYLAKE, England, June 27. (AP)—Alf Padgham, first among the leaders to finish, posted a 71 and final total of 287 in the British open championship.

It was Padgham's second 71 of the day and put him nine under par for the 72 holes.

At that, he was only a stroke ahead of Jim Adams, the Scottish open champion, who staged a great comeback on the last nine and posted a 73 for a total of 288.

Harold Dallenmeier, the French native, open champion, finished with a brilliant 69 for a total of 289, two shots back of Padgham. The defending champion, Alf Perry, finished with a 79 for a total of 311.
