Landon Leaves On Fishing Trip After Confabs

ESTES PARK, Col., July 1. packed his fishing tackle for a trout expedition at Grand Lake, Col., 50 miles from here, after conferring Tuesday with Congressman William Ekwall, Portland, Ore., and several visiting editors.

Landon, interspersing politics with his vacation, announced that he will entertain Senator Robert Carey at Wyoming when he returns from his fishing trip.

Ekwall said that he told Landon he had noted a "spontaneity of feeling for the governor without any sectional character or in any one strata of persons" while driving to Portland from the closing session of congress. He predicted that Oregon would go republican in the fall election since the Landon-Knox ticket is extremely popular there.

Ekwall said an encouraging activity had been noted in Oregon among woman and young persons, notably in the formation of "Pro-America," and organization working against the new deal.

THIS CURIOUS WORLD By William Ferguson

THE curious okapi was not discovered by white men until the beginning of the present century. It is related to the giraffes, but, according to scientific findings, it is more primitive in skeletal formation than any of the fossil giraffes so far discovered. It is very rare, and close to extinction.

In the Swim for Olympic Aquatic Team Honors

Demonstrating fine form—in the water and out—the United States feminine swimming stars made bids for Olympic team consideration with record performances in the A.A.U. meet at Manhattan Beach pool, in Brooklyn. Mrs. Lenore Kight Wingard of Homestead, Pa., is pictured in action (inset) while setting two new world marks in the one mile swim. And Eleanor Holm Jarrett looks ready to extend the remarkable comeback campaign that has carried her to new records.

AT THE PARTING OF THE WAYS.

'Twasn't a sorrowful parting that "Dynamite," untamed bronc, and his rider, Jack Gardner, had in a recent California rodeo. Gardner is shown above as Dynamite blew up and sent him on a rather imperfect, hard, four-point landing.
