

Smoke, Weyerhaeuser Win Opening Contests

Visiting Coaches Blush

Webfoot, Beaver Men Trail Each Other Through Oregon Towns. Big Squad Vital for Both Schools.

There were slight blushes of embarrassment on the faces of Prink Callison and Lon Stiner when they discovered their visits in Klamath Falls were simultaneous and for almost identical purposes.

Neither, of course, was informed of the other's projected tour around the state before the start of the football season. They discovered the situation early last week somewhere over in the valley but it so happened their paths never quite crossed until they arrived in Klamath Falls.

Callison and Anse Cornell, the new Oregon graduate manager, were a few hours ahead of the Oregon State group which included Stiner, "Slats" Gill and George Scott.

Down through Roseburg, Grants Pass, Medford and Ashland, the Beaver officials reached those points just about the time the Webfoot men were pulling out.

They really got in each other's way in Klamath Falls and kicked themselves for not comparing schedules before starting on the important jaunt around the state.

Wherever Victor Reginato decides to attend college, some team is going to have a potentially strong player. The big rangy end from the Klamath Pelican eleven seems to be the best prospect in this part of the state. An aggressive, sure player in interscholastic football and a long-distance punter, Reginato appears destined for varsity competition.

One thing is certain. There is more interest than ever before in the Klamath football material. More of the athletes are going on to college.

It's vital that the Beavers and the Webfoots have big squads to meet the heaviest schedule in Pacific Coast conference history. Any youth who turns out as a varsity candidate will not be overlooked.

During the years of comparatively light schedules, coaches had a tendency to forget the men listed far down on the squad roster. Now they can't afford to do it. Every man must be developed to the best of his ability.

With a big game coming up every Saturday the entire season, there has to be almost unlimited replacements to back up the regulars.

This year's schedule for Oregon and Oregon State most certainly cannot be played with some of those 25-man squads.

It means the 1936 season will see more boys playing football than ever before. There won't be any more of those eleven "iron men" squads.

CUBS RECALL CATCHER CHICAGO, July 14. (UP)—Wally Stephenson, reserve backstop, has been recalled by the Chicago Cubs from the Los Angeles Angels in the Pacific Coast league to aid Ken O'Dea in the catching department. The Cubs office announced Monday.

WOODBURN WINS WOODBURN, Ore., July 14. (UP)—The Woodburn junior league baseball team took a large step toward state honors here by defeating Hillsboro 15 to 2 to win the right to meet the Astoria nine in the semi-finals.

SOFTBALL PLAY OPENS MONDAY

Elks, Lowell's Beaten Under Modoc Field Flood Lights.

Softball, the fastest growing summer sport in America, made a successful debut at well-lighted Modoc field Monday night.

In two hard-played, opening games a Smoke nickered the Elks, 12 to 11, and Weyerhaeuser stopped Lowell's, 12 to 10.

The Elks, after getting off to a poor start in the first two innings, outplayed the Smoke in the fourth, fifth and sixth but the lead was too great to overcome. Bob Thompson, who relieved Jack Benner on the mound, let Smoke down with one hit in five innings. Smoke scored two runs in the sixth on a hit and an error to assure itself of the victory.

A seventh inning rally good for seven runs wasn't quite enough to bring the Lowell team on even terms with Weyerhaeuser in the second contest.

The lumbermen piled up a strong lead in the early innings. League officials said Tuesday that the opening was successful from the point of view of attendance. If as many persons attend all games, the league will be able to meet its expenses without difficulty.

Two more games will be played Friday.

Lower Division Coast Teams Seek Place in Series

By Associated Press Assured of a chance at the championship by finishing fourth, three second division clubs of the Pacific Coast league had their sights set on the lowest rung of the first division, with nine weeks of the season remaining.

Mathematically speaking, any of these clubs—the Los Angeles Scrapps, San Diego Padres and the San Francisco Seals—have an excellent chance to move into the charmed circle. The Seals, in seventh place, are only 31 games behind the fourth-place Portland Beavers, while San Diego is two games distant, Los Angeles one and a half.

Last week the Seals perked up to win five out of seven from the Beavers, who not long ago seemed unstoppable while taking 13 out of 14 games.

San Diego proved to the satisfaction of everybody it is the pet jinx of Oakland by capturing five out of seven from the former leaders. Just for the record, the Padres have taken 11 of the last 14 games from the Acorns.

The Scrapps lost ground against Seattle, winning only two contests, but they are still very much in the running with a .495 average.

The first division underwent a change as result of last week's series, with Seattle supplanting Oakland in first place. The Missions improved their third place position slightly, but Portland dropped dangerously close to the second-division wolves during its disastrous sojourn in San Francisco.

San Francisco tries its luck against Oakland today in the first of a three game series. Friday the Seals travel to Sacramento to finish the week. Los Angeles plays three games at Sacramento, then tackles the Acorns in Emeryville. Portland remains for three days in San Francisco, meeting the Reds, then jumps to San Diego, where Seattle begins a three-day series today. The Indians finish up the week in San Francisco against the Missions.

British Racer Makes Records At Salt Lake

BONNEVILLE SALT FLATS, Utah, July 14. (UP)—Captain George E. T. Eyston, British speed driver, unofficially smashed another two-year-old automobile speed record here Monday when he streaked past the 5000-mile mark with an approximate average of 139 miles an hour.

The old mark of 133.89 m.p.h. was set in 1934 by the Frenchmen Perrot, Dhome and Girod.

BONNEVILLE SALT FLATS, Utah, July 14. (UP)—With 17 official world records already eclipsed by his crimson racer, Captain George E. T. Eyston of England roared on in quest of a new 48-hour automobile speed record over Utah's vast salt flat speedway Monday.

He passed the 4000-mile mark with an average speed of 144.81 miles an hour, smashing the two-year-old record for the distance held by three Frenchmen, Perrot, Dhome and Girod. The old mark was 110.40 m.p.h.

Temperature Over 100 Eyston accomplished the first purpose of his run this morning when he erased his own record for 24 hours which he set last year over the same course. A. C. Pillsbury, head of a corps of AAA timers, announced Eyston's 24-hour record time as 149.09612 m.p.h., nearly nine miles an hour faster than the old mark of 140.21.

Temperatures soared above the 100-degree mark as Eyston set out in quest of the 48-hour mark this morning following an 11 minute pit stop after establishing the 24-hour record.

Standing Start Eyston sped away from a standing start at 8:29 a. m., M.T., yesterday morning after months of delay caused by rain and wind storms. He cracked the three and six-mile records, first, his time being estimated at 153 and 152 miles an hour for the respective distances.

He set new records for 500 kilometers, 500 miles, 1000 miles, 2000 kilometers, three hours, six hours, nine hours, 12 hours, 2000 miles, 200 kilometers, 4000 kilometers, 5000 kilometers, 3000 miles, 24 hours and 4000 miles.

FAST STRUGGLE LOOMS TONIGHT

Winner of Wolfe-Belcastro Match May Meet Dude Chick.

Two young wrestlers with similar objectives match wits and strength in a main event match at the Klamath armory tonight.

Pete Belcastro of Weed and Les Wolfe of Texas face each other in a one-hour struggle, each looking for victory and a chance to wrestle Dude Chick, the undefeated cowboy from Wyoming.

A win will put Belcastro a long way back on the road toward capturing the honors he held here before losing to Chick. Chick, unbeaten in 14 matches here, handed Belcastro his first loss of the Klamath season.

Wolfe, returning to Klamath Falls after a spring and early summer campaign in the southwest, is pointing toward a meeting with the Wyoming wrestler. Until he left here last winter, Wolfe was the outstanding grappler. Chick wrestled his first match several weeks after Wolfe departed and immediately stepped to the front to take No. 1 rating.

Belcastro and Wolfe are by no means strangers. They have met in Klamath four times with Wolfe taking three matches and Belcastro one.

A few months ago Belcastro would be on the short end of the odds, but his rapid improvement since the first of the year puts him on even footing with the speedy athlete from Texas.

Tonight's main event will be a fight to test the effectiveness of Belcastro's dropkicks and body slams against Wolfe's figure-four scissors.

Belcastro has the edge in weight and is also rougher than the Texan.

Prince Mihalakis, the clever Arabian wrestler, was the favorite to defeat Bobby Chick, Wyoming, in one of the preliminaries.

Charlie Carr, Mississippian, held a slight edge over the newcomer, Jimmy Lott of Alabama.

Promoters Ban Mat Warfare

PORTLAND, Ore., July 14. (AP)—Whether pop bottles, clothes hangers and other such implements will play a part in future wrestling matches in Portland appeared problematical today.

It was understood Herb Owens and Steve McPherson, matchmakers, promised Chief of Police Harry Niles and city commissioners to do all possible to prevent a repetition of recent "warfare" in the ring and to protect spectators.

Olympic Games Budget Made Up For U. S. Team

NEW YORK, July 14. (AP)—The U. S. Olympic budget was virtually balanced today, the largest team Uncle Sam ever sent to the games was ready to sail tomorrow for Hamburg.

Around 375 athletes, their trials finished, had their bags packed their dollars transferred into German marks.

The passage of all these athletes may not be paid when the liner Manhattan sails, but it will be by the time the ship touches shore again. The cash on hand today was \$21,447.57 short of the amount needed to pay the expenses of the American group, but receipts from the final track and field trials at Randall's Island last weekend have not been counted. They are estimated at \$25,000.

Gustavus T. Kirby, treasurer of the American Olympic committee, gave the members of three of Uncle Sam's teams a restless night last night. He found that the field hockey team still needed \$3,224. The women's swimming team, \$3,500, and the women's track team, \$3,328.

He instructed the officials of these teams to come up with those amounts by noon or cut their squads.

Fight Results

TROUBLE LOOMS FOR YANK CLUB

Detroit Begins to Look Like Championship Outfit Again.

By The Associated Press While it doesn't show in the standings—especially if you're busy watching that furious battle the Cards and Cubs are staging in the National league—trouble seems to be lurking just around the corner for those bludgeoning New York Yankees.

Since their stride was broken a week ago by the three-day lay-off for the all-star game, the Yanks have had trouble regaining the form that put them far out in front in the American league, they wound up Monday with a short count against the White Sox when "Silent" John Whitehead held them to five hits for a 6 to 3 triumph.

Gehrig Leads Foxes Gehrig smacked his 24th homer of the season with Red Rolfe on base to account for two of the Yanks runs as he pulled ahead of Jimmie Fox to take the Major league lead.

Just to make the prospect look darker, the Yanks starting tomorrow, have to take on the Tigers, who are beginning to look like the team that won last year's world series.

Detroit, which has climbed from fifth place to second inside of three weeks, hung up its 12th victory in 15 starts by routing the Athletics 5 to 2 yesterday.

Tribe, Boston Tied Cleveland's Indians moved up to tie Boston for fourth place by routing the Red Sox 11 to 3 while Washington tightened its hold

over the Browns. Winning a pitching duel, the Cubs defeated the giants 1 to 0 and moved into the lead a few percentage points ahead of St. Louis. Big Bill Lee sent the Giant down with four hits while Carl Hubbell gave Chicago only half that number.

Tiny Jim Chaplin of the Bees celebrated his 29th birthday by giving Boston a six-hit pitching job and a 4 to 1 victory over Pittsburgh's Pirates while a heavy hitting barrage in the fifth and sixth inning drove Bucky Walters to cover and enabled the Reds to defeat the Phillies 6-4 in other National league games. It was the fifth straight triumph for the Bees and Cincinnati's second win in eight games.

Mike London Wins From Bobby Burns

PORTLAND, Ore., July 14. (UP)—Mike London, Lodi, Calif., grappler, spotted Bobby Burns, Vermont, to one fall in last night's main event but it was Burns' last chance of the evening. London went on to take the next two in fairly quick order.

London, 160, lost the first one in 10:09 and came back to win the final pair in 6:45 and 7:09. Danny McShain, 165, Hollywood, took a one-fall match from Pasquel Castillo, 162, Spain in 13:45. Jack Clayborn, 162, St. Joseph, Mo., and Al Williams, 159, Chicago, went to a half-hour draw.

Lomski Wins Again In Comeback Drive

CHICAGO, July 14. (UP)—Leo Lomski, the onetime Aberdeen assassin added another triumph to his comeback chain Monday with a whirlwind eight-round decision over Eddie Boyle of Cleveland. He dropped Boyle twice.

Lomski, who campaigned several years ago as a light heavy, weighed 185. Boyle scaled 176 1/2.
